Playing the Palace - Musical June W. Rogers,1989-08 **Naomi Court** Michael Sawyer,1975 A stunning haunting play that breaks your heart just before intermission and then skewers it with an ice pick in the second act The toxic effect of Mr Sawyer s beautifully written five character play is eerily numbing in its flow of quiet wisdom pathos and savagery In the first act after a few lines and five minutes we are thrust into deep anguish and loneliness In the second act our playwright does it again with hair raising creditability as the bachelor in Naomi Court a decent aging homosexual makes the mistake of his life Naomi Court is a thriller that will thrill you and your audience New York Times *The Blackface Minstrel Show in Mass Media* Tim Brooks,2019-11-29 The minstrel show occupies a complex and controversial space in the history of American popular culture Today considered a shameful relic of America s racist past it nonetheless offered many black performers of the 19th and early 20th centuries their only opportunity to succeed in a white dominated entertainment world where white performers in blackface had by the 1830s established minstrelsy as an enduringly popular national art form This book traces the often overlooked history of the modern minstrel show through the advent of 20th century mass media when stars like Al Jolson Bing Crosby and Mickey Rooney continued a long tradition of affecting black music dance and theatrical styles for mainly white audiences to its abrupt end in the 1950s A companion two CD reissue of recordings discussed in the book is available from Archeophone Records at www.archeophone.com **Catalog of Copyright Entries** ,1940 *The Oxford Dictionary of Quotations* Elizabeth M. Knowles,1999 This major new edition of The Oxford Dictionary of Quotations offers the broadest and most up to date coverage of quotations available today Now with 20 000 quotations arranged by author this is Oxford s largest quotations dictionary ever As well as quotations from traditional sources and with improved coverage of world religions and classical Greek and Latin literature this foremost dictionary of quotations now covers areas such as proverbs and nursery rhymes For the first time there are special sections for Advertising Slogans Epitaphs Film Lines and Misquotations whichbring together topical and related quotes and allow you to browse through the best quotations on a given subject In this new fifth edition there is enhanced accessibility with a new thematic index to help you find the best quotes on a chosen subject more in depth details of the earliest traceable source an extensive keyword index and biographical cross references so you will easily be able to findquotations for all occasions and identify who said what where and when Favorite Uke Tunes Norm Jones,2010-10-07 The format used in this book was developed by Norm Jones a self taught non music reading ukulele enthusiast Norm was unable to find the songs that he wanted in just a lyric chord format so he developed his own He later added thematic graphics to make the sheets more attractive the music is not provided so it is

necessary that the player know the tune However this is a great format for people who either play or would like to play the ukulele but don't read music the novelty of this format will entertain and provide enjoyment to those who are more accomplished strummers as well
