Woods,2023-04-24 They that go down to the sea these see the works of the Lord and his wonders in the deep Oh that men would praise the Lord for his goodness and for his wonderful works to the children of men Psalm 107 23 24 31 Many pioneers journey began long before the trail across the plains Brigham Young University professor Fred Woods quest to learn more of these unheralded sail before the trail travels unearthed the little known story of the Julia Ann which shipwrecked in 1855 A group of Australian saints en route to the Salt Lake Valley was on board the Julia Ann that fateful night ending with the survivors stranded on a desert island with little food and water In Divine Providence Woods unveils the story of these forgotten immigrants who were involved in the only documented seafaring crash involving

Mormon immigrants that resulted in the loss of human life Their story will reveal the power of God in the preservation of these saints lives and will instill a sense of admiration for their perseverance along the unheralded pathways to Zion

Settling the Valley, Proclaiming the Gospel Reid L. Neilson, Nathan N. Waite, 2017-02-01 The Mormons had just arrived in Utah after their 1 300 mile exodus across the Great Plains and over the Rocky Mountains Food was scarce the climate shocking in its extremes and local Indian bands uneasy Despite the challenges Brigham Young and his counselors in the First Presidency sent church members out to establish footholds throughout the Great Basin But the church leaders felt they had a commission to do more than simply establish Zion in the wilderness they had to invite the nations to come up to the mountain of the Lord s house In these critical early years when survival in Utah was precarious missionaries were sent to every inhabited continent The 14 general epistles sent out from the First Presidency from 1849 to 1856 provide invaluable perspectives on the events of Mormon history as they unfolded during this complex transitional time Woven into each epistle are missionary calls and reports from the field giving the Mormons a glimpse of the wider world far beyond their isolated home At times the epistles are a surprising mixture of soaring doctrinal expositions and mundane lists of items needed in Salt Lake City such as shoe leather and nails Settling the Valley Proclaiming the Gospel collects the 14 general epistles with introductions that provide historical religious and environmental contexts for the letters including how they fit into the Christian epistolary tradition by which they were inspired Excavating Mormon Pasts Newell C. Bringham, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century **My Best for the Kingdom: History and Autobiography of John Lowe Butler, a Mormon Frontiersman** William G. Hartley, 2017-03-27 My Best for the Kingdom provides a valuable history of several little known events in early Mormon history the Church in Tennessee and Kentucky in the 1830s the Danites in Missouri Mormon resistance to Missouri persecutions the James Emmett expedition and pioneer Spanish Fork Utah John L. Butler s autobiography given here in full rivals and adds to the accounts of Hosea Stout and John D. Lee in telling the Mormon story of the 1830s 40s and 50s Butler was a valiant militiaman missionary frontiersman and bishop A fast moving informative well researched and well told account of Mormonism on the frontier and pioneer Utah Leonard J. Arrington quoted on the back outside jacket This is the 3rd printing of My Best for the Kingdom ISBN 978 1 365 73968 2 and is the same as the 2nd printing ISBN 978 0 9843965 2 8 and 1st printing ISBN 1 56236 212 7 versions except that the front end papers family chart and map on the previous versions are now included as the final two pages Faith and Betrayal Sally Denton, 2007-12-18 In the 1850s Jean Rio a deeply spiritual widow was moved by the promises of Mormon missionaries

and set out from England for Utah Traveling across the Atlantic by steamer up the Mississippi by riverboat and westward by wagon Rio kept a detailed diary of her extraordinary journey In Faith and Betrayal Sally Denton an award winning journalist and Rio s great great granddaughter uses the long lost diary to re create Rio s experience While she marvels at the great natural beauty of Utah Rio s enthusiasm for her new life turns to disillusionment over Mormon polygamy and violence against nonbelievers as well as the harshness of frontier life She sets out for California where she finds a new religion and the freedom she longed for Unusually intimate and full of vivid detail this is an absorbing story of a quintessential American pioneer

Ports to Posts Fred E. Woods, 2025-03 *Ports to Posts* is the result of more than a quarter century of research in Latter day Saint migration narratives from the nineteenth century Fred E Woods takes the reader from early church beginnings in upstate New York to ecclesiastical gathering places in Kirtland Ohio and Jackson County Missouri The journey then incorporates international European ports to Latter day Saint gathering locations in Nauvoo Illinois and later in the Salt Lake Valley during the peak of this emigrant era Through these stories the reader will learn about the missionary proselyting process and how it led converts to Liverpool the primary place of embarkation across the Atlantic and into harbors at New Orleans Philadelphia Boston and New York Authentic voices describe the challenges church members faced as they left their homelands and endured storms and the efforts of enemies who tried to dissuade them from their destinations *Ports to Posts* captures not only the emigrants journeys but also how Americans perceived these often unwanted pilgrims Woods s research reveals the purpose and process by which Latter day Saints gathered to create their American Zion and converts solemn obligation to assemble in American gathering places

An Intimate Chronicle William Clayton, 1991 William Clayton is best remembered today for his hymns especially Come Come Ye Saints Less known are his contributions as a church scribe especially where large portions of his journals have been silently incorporated into LDS scripture and history His impressions of day to day activities in Illinois and early Utah are equally significant

The Salt Lake City 14th Ward Album Quilt, 1857 Carol Holindrake Nielson, 2004 This manuscript is the culmination of an endeavor to identify the members of the Salt Lake City Fourteenth Ward Female Relief Society of the Church of Jesus Christ of Latter day Saints who sewed an album quilt in 1857 Constraints in finding traces of sixty three nineteenth century women most of whom were never in the public eye are obvious P ix
