Shirley Baker The King Of Tonga:

Shirley Baker and the King of Tonga Noel Rutherford,1971 **Shirley Baker and the King of Tonga** Noel Rutherford, *Shirley Baker and the King of Tonga* Noel Rutherford,1996-06-01 Of all the Pacific nations only Tonga has retained a complete and lasting political independence Find out how the shrewd determined King of Tonga Tupou I teamed up with Wesleyan missionary and opportunist Shirley Baker to bring this about The Diplomacy of Involvement David M. Pletcher,2001 Annotation Like its predecessor this important new work is focused on the connection between trade and investment on the one hand and U S foreign policy on the other David Pletcher describes the trade of the United States with the Far East the islands of the Pacific and the northwest coast of North America from 1784 the year of the first American trading expedition to China to 1844 the year of the first trade treaty with China followed immediately by the U S acquisition of Oregon and California He then traces the growth of trade and investment in Alaska Hawaii and the South Pacific from 1844 to 1890 and proceeds to do the same for China Japan and Korea In the ensuing chapters Pletcher covers the 1890s including the annexation of Hawaii the Sino Japanese War the acquisition of the Philippines and the Open Door policy in China He concludes that the American expansion across the Pacific and into the Far East was not a deliberate consistent drive for economic hegemony but a halting experimental improvised movement carried out against determined opposition and indifference and dotted with setbacks and failures Providing his own judgments about the wisdom and effectiveness of America s new endeavors Pletcher summarizes the problems and handicaps involved demonstrating that errors of the twentieth century were at least partly the result of poor preparation in the 1880s and 1890s Touching on every place where Americans undertook significant economic activity The Diplomacy of Involvement will be an important aid for seasoned scholars as well as an excellent introduction for the novice The Pacific Islands Brij V. Lal,Kate Fortune,2000-01-01 An encyclopaedia of information on major aspects of Pacific life including the physical environment peoples history politics economy society and culture The CD ROM contains hyperlinks between section titles and sections a library of all the maps in the encyclopaedia and a photo library **Possessing the Pacific** Stuart Banner,2009-06-30 During the nineteenth century British and American settlers acquired a vast amount of land from indigenous people throughout the Pacific but in no two places did they acquire it the same way Stuart Banner tells the story of colonial settlement in Australia New Zealand Fiji Tonga Hawaii California Oregon Washington British Columbia and Alaska Today indigenous people own much more land in some of these places than in others And certain indigenous peoples benefit from treaty rights while others do not These variations are traceable to choices made more than a century ago choices about whether indigenous people were the owners of their land and how that land was to be transferred to whites Banner argues that these differences were not due to any deliberate land policy created in London or Washington Rather the decisions were made locally by settlers and colonial officials and were based on factors peculiar to each colony such as whether the local indigenous people were agriculturalists

and what level of political organization they had attained These differences loom very large now perhaps even larger than they did in the nineteenth century because they continue to influence the course of litigation and political struggle between indigenous people and whites over claims to land and other resources Possessing the Pacific is an original and broadly conceived study of how colonial struggles over land still shape the relations between whites and indigenous people throughout much of the world

Pacific Missionary George Brown 1835-1917 Margaret Reeson, 2013-04-01 George Brown 1835 1917 was many things during his long life leader in the Wesleyan Methodist Church in Australasia explorer linguist political activist apologist for the missionary enterprise amateur anthropologist writer constant traveller collector of artefacts photographer and stirrer He saw himself at heart as a missionary The islands of the Pacific Ocean were the scene of his endeavours with extended periods lived in Samoa and the New Britain region of today's Papua New Guinea followed by repeated visits to Tonga Fiji the Milne Bay region of Papua New Guinea and the Solomon Islands It could be argued that while he was a missionary in the Pacific region he was not a Pacific missionary Brown gained unwanted notoriety for involvement in a violent confrontation at one point in his career and lived through conflict in many contexts but he also frequently worked as a peace maker Policies he helped shape on issues such as church union indigenous leadership representation by lay people and a wider role for women continue to influence the Uniting Church in Australia and churches in the Pacific region His name is still remembered with honour in several parts of the Pacific Browns marriage to Sarah Lydia Wallis daughter of pioneer missionaries to New Zealand was long and rich Each strengthened the other and they stand side by side in this account

A History of the Churches in Australasia Ian Breward, 2001-12-13 This pioneering study of Australian New Zealand and Pacific Christianity opens up new perspectives on Christianization and modernization in this richly complex region The reception of Christianity into Pacific cultures has produced strongly Christian societies Based on research in widely scattered archives this book not only deals with regional interactions but pays careful attention to developments in microstates and to the variety of indigenous religious movements which were earlier regarded as deviations from Christian orthodoxy but are now seen as significant adaptations of Christian teaching In Australia and New Zealand too European Christian beginnings have been given local emphases producing Churches with distinctive identities Lay leadership is emphasized not only in the Churches but as part of the Christian presence in the realms of politics business and culture The broad liturgical theological constitutional and pastoral developments of the 19th and 20th centuries are mapped as a context for the striking changes which have taken place since the 1960s The dynamics of religious change and conflict the ambiguities of religious authority and the destructive effects of Christian colonialism on indigenous communities especially Australian aborigines are all frankly dealt with The decline of the institutional impact of the Churches in Australia and New Zealand is explored as is the growth of partnership between government and Churches in education social welfare and overseas aid and development Interchange in personnel and ideas is strikingly illustrated in the missionary activities of the

regional Churches and their cultural impact The author's involvement in Church and community leadership ecumenism and theological education makes this volume in The Oxford History of the Christian Church a valuable addition to the series describing both continuities with world Christianity and little known local developments **Holy Tonga. By the Vagabond**

John Stanley James,1890 **Methodists and their Missionary Societies 1760-1900** John Pritchard,2016-04-22

Methodism played an important part in the spread of Christianity from its European heartlands to the Americas Asia Africa and the Pacific From John Wesley's initial reluctance via haphazard ventures and over ambitious targets a well organized and supported Wesleyan Society developed Smaller branches of British Methodism undertook their own foreign missions This book together with a companion volume on the 20th century offers an account of the overseas mission activity of British and Irish Methodists its roots and fruits John Pritchard explores many aspects of mission ranging from Labrador to New Zealand and from Sierra Leone to Sri Lanka from open air preaching to political engagement from the isolation of early pioneers to the creation of self governing churches Tracing the nineteenth century missionary work of the Churches with Wesleyan roots which went on to unite in 1932 Pritchard explores the shifting theologies and attitudes of missionaries who crossed cultural and geographical frontiers as well as those at home who sent and supported them Necessarily selective in the personalities and events it describes this book offers a comprehensive overview of a world changing movement a story packed with heroism mistakes achievements frustrations arguments personalities rascals and saints **The Oxford History of**

Protestant Dissenting Traditions, Volume IV Jehu J. Hanciles,2019-03-07 The five volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in England as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and royal supremacy but then follows those traditions as they spread beyond England and also traces newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for the doctrines church practices stances toward state and society attitudes toward Scripture and characteristic patterns of organization that also originated in earlier English Dissent but that have often defined a trajectory of influence independent ecclesiastical organizations Volume IV examines the globalization of dissenting traditions in the twentieth century During this period Protestant Dissent achieved not only its widest geographical reach but also the greatest genealogical distance from its point of origin Covering Africa Asia the Middle East America Europe Latin America and the Pacific this collection provides detailed examination of Protestant Dissent as a globalizing movement Contributors probe the radical shifts and complex reconstruction that took place as dissenting traditions encountered diverse cultures and took root in a multitude of contexts many of which were experiencing major historical change at the same time This authoritative overview unambiguously reveals that Dissent was transformed as it travelled *Cultural Memory* Jeannette Marie

Mageo,2001-01-01 How do foreign schemas and objects enter into indigenous ways of understanding the world How are the

cultural self and the cultural other constructed in acts of remembering What is memory's role in the generation or degeneration of cultural meanings This volume offers fruitful responses to such questions providing insights into colonial memory and its limitations and proposing explanations that illumine cultural memory processes

Craig, 2011 The term Polynesia refers to a cultural and geographical area in the Pacific Ocean bound by what is commonly referred to as the Polynesian Triangle which consists of Hawai'i in the north New Zealand in the southwest and Easter Island in the southeast Thousands of islands are scattered throughout this area most of which are currently included in one of the modern island states of American Samoa Cook Islands French Polynesia Hawai'i New Zealand Samoa Tonga Tokelau Tuvalu and Wallis and Futuna The third edition of the Historical Dictionary of Polynesia greatly expands on the previous editions through a chronology an introductory essay an expansive bibliography and over 400 cross referenced dictionary entries on significant persons events places organizations and other aspects of Polynesian history from the earliest times to the present Appendixes of the major islands and atolls within Polynesia the rulers and administrators of the 13 major island states and basic demographic information of those states are also included

Paradise Past Robert W. Kirk, 2012-11-07 In the 400 years from Magellan's entrance into Pacific waters to 1920 the lives of the people of the South Pacific were utterly transformed Exotic diseases from Europe and America particularly the worldwide influenza pandemic were deadly for islanders Ardent missionaries changed the belief systems and lives of nearly all Polynesians Aborigines and those Papuans and Melanesians living in areas accessible to westerners By 1920 every island and atoll in the South Seas had been claimed as a colony or protectorate of a power such as Britain France or the United States Factors aiding this imperial sweep included European outposts such as Sydney advances in maritime technology the work of missionaries a desire to profit from the area's relatively sparse resources and international rivalry that led to the scramble for colonies The coming of westerners as this book points out was not entirely negative as head hunting cannibalism chronic warfare human sacrifice and other practices were diminished but whole cultures were irreversibly changed or even eradicated

Unwrapping Tongan Barkcloth Fanny Wonu Veys, 2017-01-26 Tongan barkcloth made from the inner bark of the paper mulberry tree still features lavishly in Polynesian ceremonies all over the world Yet despite the attention paid to this textile by anthropologists and art historians alike little is known about its history Providing a unique insight into Polynesian material culture this book explores barkcloth's rich cultural history and argues that its manufacture decoration and use are vehicles of creativity and female agency Based on twelve years of extensive ethnographic and archival research the book uncovers stories of ceremony gender the senses religion and nationhood from the 17th century up to the present day Placing the materiality of textiles at the heart of Tongan culture Veys reveals not only how barkcloth was and continues to be made but also how it defines what it means to be Tongan Extending the study to explore the place of barkcloth in the European imagination she examines international

museum collections of Tongan barkcloth from the UK and Italy to Switzerland and the USA addressing the bias of the European gaze and challenging traditional gendered understandings of the cloth A nuanced narrative of past and present barkcloth manufacture designs and use Unwrapping Tongan Barkcloth demonstrates the importance of the textile to both historical and contemporary Polynesian culture Imperial Benevolence Jane Samson,1998-07-01 This insightful analysis of British imperialism in the south Pacific explores the impulses behind British calls for the protection and improvement of islanders From kingmaking projects in Hawaii Tonga and Fiji to the antislavery campaign against the labor trade in the Western pacific the author examines the deeply subjective cultural roots permeating Britons attitudes toward Pacific Islanders By teasing out the connections between those attitudes and the British humanitarian and antislavery movements Imperial Benevolence reminds us that nineteenth century Britain was engaged in a global campaign for Christianization and Civilization **The Pacific** Guy Hardy Scholefield,1920 **Semisi Nau, the Story of My Life** Semisi Nau,1996
