Library, 1927      Blood and Sand Vicente Blasco Ibanez, 2017-06-21 One of the secrets of the immense power exercised by the novels of Vicente Blasco Ib ez is that they are literary projections of his dynamic personality Not only the style but the book is here the man This is especially true of those of his works in which the thesis element predominates and in which the famous author of The Four Horsemen of the Apocalypse appears as a novelist of ideas in action It is of course possible to divide his works into the manners or periods so dear to the literary cataloguers and it may thus be indicated that there are such fairly distinct genres as the regional novel the sociological tale and the psychological study a convenient classification of this sort would place among the regional novels such masterpieces as La Barraca and Ca as y Barro among the novels of purpose such powerful writings as La Catedral La Bodega and Sangre y Arena among the psychological studies the introspective La Maja Desnuda The war novels including The Four Horsemen and the epic Mare Nostrum would seem to form another group Such non literary diversions as grouping and regrouping however had perhaps best be left to those who relish the task It is for the present more important to note that the passionate flame of a deeply human purpose welds the man s literary labors into a larger unity His pen as his person has been given over to humanity He is as fearless in his denunciation of evil as he is powerful in his description of it he has lived his ideas as well as fashioned them into enduring documents he reveals not only a new Spain but a new world While Blasco Ib ez does not desire to be known as regional novelist nor does a complete view of his numerous works justify such a narrow description he Pg vi has nevertheless in his earlier books made such effective and artistic use of regional backgrounds that some critics have found this part of his production best      **Parodies of the Works of English & American Authors** , 1889 Includes parodies of Tennyson Longfellow Bret Harte Thomas Hood Swinburne Browning Shakespeare Milton Poe Shelley Cowper Coleridge Herrick Carroll Lever Lover Burns Scott Goldsmith Kingsley Byron and many others      **Wit and Wisdom; Jokes, Conundrums, Sentiments, and Aphorisms** Wit, 1860      *Explorer* C. J. Cherryh, 2003-11-04 The sixth novel in Cherryh s Foreigner space opera series a groundbreaking tale of first contact and its consequences It has been nearly ten years since the starship Phoenix returned to Alpha the station orbiting the world of the atevi which had been abandoned following a rift between a faction of the station s inhabitants and the spacers Pilot s Guild The unexpected return of the Phoenix has forever

changed the lives of both atevi and Mospheirans for over the ensuing decade the captains of the Phoenix have brought both species into space Their motivation seemed simple Reunion Station a human station in another sector of space had been destroyed by aliens But on his deathbed the senior captain of the Phoenix admits that he lied to the crew that Reunion was merely damaged not destroyed and many people may have survived At this disclosure the crew rebels and forces the Phoenix to undertake a rescue mission to Reunion Onboard the rescue mission are Bren Cameron brilliant human paidhi representing the atevi ruler Tabini aiji and Tabini s grandmother Ilisidi a fearsome and ambitious atevi leader with an agenda of her own Trapped in a distant star system with little fuel left facing a bellicose alien ship how can Bren help to avoid interspecies war when the notoriously secretive Pilot s Guild aboard Reunion Station refuse to cooperate and may have kept the inhabitants of their own station ignorant of their true situation The long running Foreigner series can also be enjoyed by more casual genre readers in sub trilogy installments Explorer is the 6th Foreigner novel and the 3rd book in the second subtrilogy
