Investigating the Use of Sex in Media Promotion and Advertising Tom Reichert, 2019-01-15 The latest scholarship on one of today's most pressing issues Today it is obvious that sexual content is a prevalent aspect of the media and that the intensity of this content has increased in recent years Less obvious however are the direct effects the strategic use of sexual content has on audiences Investigating the Use of Sex in Media Promotion and Advertising presents the latest scholarship on the role of sex in the most common media outlets television programming radio shock jocks music videos magazines and advertising The eye opening contributions from over a dozen recognized experts in the field provide useful empirical evidence on media conveyed sexual stimuli and look toward moving the public dialogue on sex in the media further along Often opinions regarding sex in the media have little or no scientific grounding and even when scientific grounded arguments are offered they suffer from wide gaps in research based knowledge Investigating the Use of Sex in Media Promotion and Advertising is the important compilation that fills these knowledge gaps In delving into this pressing issue it not only offers timely findings that provide an indication of the nature prevalence and effects of sexual information when used as a promotional tool but suggests new directions for the study of sex and media as well This informative text is also extensively referenced and features numerous tables to clearly present research data Chapters in Investigating the Use of Sex in Media Promotion and Advertising examine the nature and extent of sexually appealing newscasters primarily on cable news programs commentary and camera angles of women's sporting events in the 2004 Summer Olympic Games the efficacy of both sexual content and sexual self schema on consumers attitudes toward promotional announcements advertised programs viewing intention and self reported arousal the history and content analysis of shock jock radio like the Howard Stern and the Bob Tom shows the relationship among sexual content in music videos viewer enjoyment and actual product purchase intention Maxim magazine's cover formula and the competitive response from other men's lifestyle magazines the efficacy of men's magazines sexual cover models on consumer outcome variables including interest and purchase intention an international perspective of nudity in advertising in magazines versus on television a case study of the sexual appeals used in several billboard ads for the Hard Rock Hotel and Casino in Las Vegas and much more Filled with insightful and groundbreaking information Investigating the Use of Sex in Media Promotion and Advertising is a vital resource for advertising and media professionals as well as educators and upper level and graduate students in media communications and advertising programs

Phantom's Blade Jake Tyson, 2023-10-24 With Gideon's loss of his superpowers and the scattering of his friends it seems the days of the Vindicators are over for good Gideon and Jolie are settling into married life Dean is brokering a deal with the government in D.C. and Carter is working security at Sterling Enterprises But with a mysterious thief causing mayhem a deadly swordsman haunting the Brooks and organized crime

rising all around them Sojourn City needs a hero or heroes fast With no super powers among them it is up to Gideon Carter and their friends to find what God has put inside of them to protect their city **Culture Wars** Roger Chapman,2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today **Queer Theory in Education** William F. Pinar,2012-10-02 Theoretical studies in curriculum have begun to move into cultural studies one vibrant and increasingly visible sector of which is queer theory Queer Theory in Education brings together the most prominent and promising scholars in the field of education primarily but not exclusively in curriculum in the first volume on queer theory in education In his perceptive introduction the editor outlines queer theory as it is emerging in the field of education its significance for all scholars and teachers and its relation to queer theory in literacy theory and more generally in the humanities *Dirty Discourse* Robert L. Hilliard,Michael C. Keith,2008-04-15 Changes in American society the pluralistic nature of its citizens and its geographic preclude a common definition of what is indecent profane or obscene What may appear to be dirty discourse to some may be considered to be laudable satire toothers Renowned media scholars and authors Robert Hilliard and Michael Keith examine the blue side of the airways in *Dirty Discourse* Sex and Indecency in Broadcasting This first ever analysis of the history and nature of off color program content explores the treatment of once forbidden topics in the electronic media investigating the beliefs attitudes and actions of those who present such material those who condemn it and those who defend it Written from a social and cultural perspective *Dirty Discourse* concentrates on the means of greatest distribution radio with its phenomenal growth of shock jocks and rap music lyrics and provides coverage of television and the Internet The book shows how and why broadcasting has evolved from the ribald antics of the Roaring 20 s to today s streaming cybersex contrasting the standards and actions of the FCC v the First Amendment amidst the over the air and in the court battles of over the top radio It examines political pressures and legal considerations including Supreme Court decisions and efforts to protect children from media smut **Prophetically Incorrect** Robert H. Jr. Woods,Paul D. Patton,2010-08-01 The Bible includes prophetic speech and at times the church and its representatives are called to speak prophetically But in our media saturated age when many claim to speak for God how can we evaluate the avalanche of supposedly prophetic speech What does it mean to truly be prophetic And when Christians should speak prophetically how can they do so in a biblical and effective way Using vivid examples this book offers clear guidelines for creating critiquing and consuming popular media as well as practical suggestions for faithful communication It

also helps readers think critically about communication technology The book includes a foreword by Quentin Schultze and a preface by Clifford Christians Encyclopedia of Contemporary American Social Issues Michael Shally-Jensen, 2010-12-22 This single source reference will help students and general readers alike understand the most critical issues facing American society today Featuring the work of almost 200 expert contributors the Encyclopedia of Contemporary American Social Issues comprises four volumes each devoted to a particular subject area Volume one covers business and the economy volume two criminal justice volume three family and society and volume four the environment science and technology Coverage within these volumes ranges from biotechnology to identity theft from racial profiling to corporate governance from school choice to food safety The work brings into focus a broad array of key issues confronting American society today Approximately 225 in depth entries lay out the controversies debated in the media on campuses in government in boardrooms and in homes and neighborhoods across the United States Critical issues in criminology medicine religion commerce education the environment media family life and science are all carefully described and examined in a scholarly yet accessible way Sidebars photos charts and graphs throughout augment the entries making them even more compelling and informative **Violence in Popular Culture** Laura L. Finley, 2018-11-09 A comprehensive resource this book reviews current and historical examples of violence in film television radio music music videos video games and novels Despite decades of attention and various attempts to enact legislation that limits violence in American popular culture it remains ubiquitous across films television radio music music videos video games and popular fiction Studies have shown that programs marketed to children are often remarkably violent and that viewing or otherwise consuming such violence has numerous negative effects on children's psychological health This book sheds light on the scholarship related to violence in popular culture and compares historical and current examples analyzing popular shows such as Game of Thrones video games such as Mortal Kombat young adult fiction including the trilogy The Hunger Games and more Not only does Violence in American Popular Culture provide a comprehensive review of the research about the effects of violence in media but it also offers detailed assessments of violent content in various expressions of popular culture In addition it invites readers to compare violence in American popular culture with that globally via entries on violence in popular culture outside the United States An appendix of additional resources and primary sources gives readers further tools for deepening their understanding of this complex and controversial issue *An Encyclopedia of Swearing* Geoffrey Hughes, 2015-03-26 This is the only encyclopedia and social history of swearing and foul language in the English speaking world It covers the various social dynamics that generate swearing foul language and insults in the entire range of the English language While the emphasis is on American and British English the different major global varieties such as Australian Canadian South African and Caribbean English are also covered A Z entries cover the full range of swearing and foul language in English including fascinating details on the history and origins of each term and the social context in which it found expression Categories

include blasphemy obscenity profanity the categorization of women and races and modal varieties such as the ritual insults of Renaissance flyting and modern sounding or playing the dozens Entries cover the historical dimension of the language from Anglo Saxon heroic oaths and the surprising power of medieval profanity to the strict censorship of the Renaissance and the vibrant modern language of the streets Social factors such as stereotyping xenophobia and the dynamics of ethnic slurs as well as age and gender differences in swearing are also addressed along with the major taboo words and the complex and changing nature of religious sexual and racial taboos
