

The DK logo is located in the top left corner of the book cover. It consists of the letters 'DK' in a bold, sans-serif font, enclosed within a square border.

DK

The book cover features a repeating pattern of stylized, reddish-brown illustrations of cannons and their large spoked wheels. The cannons are depicted in various orientations, some horizontally and some diagonally, creating a dynamic and textured background. The wheels are prominent, with many spokes radiating from a central hub. The overall design is simple and evocative of the military technology of the American Civil War era.

Stokesbury,2011-03-15 The Definitive One Volume History of the American Civil War The American Civil War 1861 1865 was the pivotal conflict of the nation s history It was a war defined by savage brutality untold human costs and monumental political crises that left the literal and social landscape of the nation forever changed One hundred fifty years later it continues to hold a powerful grip on the American psyche In A Short History of the Civil War noted historian James L Stokesbury dramatically and concisely chronicles the important events leading up to the war and using maps recounts its decisive battles while describing the strategies and tactics of the North s and South s prominent commanders Drawing on fascinating details and little known facts Stokesbury also brings to life the generals Grant Lee Hooker McClellan Jackson and the unsung heroes of this great struggle between the Union and the Confederacy      **A Short History of the Civil War** DK,2020-05-05 Explore the fascinating history of America s bloodiest ever conflict Combining expert historical insight with the eyewitness accounts of soldiers and civilians A Short History of the Civil War offers a brilliant summary of the key events and wider context of the hostilities between North and South Profiles of influential military and political leaders and thought provoking features on themes and experiences from the evils of slavery to the treatment of wounded soldiers bring the story dramatically to life This book also features clear timelines that give an instant overview of the developments during the tumultuous war Richly illustrated with a wealth of original artifacts weaponry and equipment photography and maps this unique combination of imagery provides the most accessible episode by episode account ever      **A Short History of the American Civil War** Paul Christopher Anderson,2019      **A Short History of the Civil War** Bruce Catton,1991      **A Short History of The American Civil War** DK,2020-05-07 Discover what happened during one of the most controversial conflicts in US history and its causes and lasting consequences episode by episode Covering the pivotal political military and cultural events around the American Civil War this engaging and accessible book offers a rich detailed account of the events as they unfolded Bringing the reality of the war to life with eyewitness accounts by soldiers and civilians alongside profiles of key military and political leaders the ebook also features clear timelines that give an instant overview of the developments during the tumultuous war Galleries of weaponry and equipment and a range of features on everything from the treatment of wounded soldiers to information on slavery offer essential context A Short History of the American Civil War is an invaluable resource for schools and libraries as well as a perfect introduction to the subject for anyone interested in military and social history      **A Short History of the Confederate States of America**

Jefferson Davis, 2023-05-23 One of the most interesting and historical documents to emerge from the American Civil War this account of that mighty and historical conflict was penned by none other than the leader of the Confederate States of America Written in the first person this work tells not only of the major events of the war as experienced by the president of one of the warring sides but also spells out the background as seen by the South of the origins of the conflict Along the way it addresses the constitutional issues which lay at the heart of the war slavery states rights and the usurpation of the U S Constitution Jefferson proves beyond question that the Confederacy was in fact adhering to the letter of the law of the U S Constitution Most of the book however concentrates on the events which raged from 1861 to 1865 and the desperate attempts by the South to prepare for war against a far superior North This new edition has been completely reset and contains hundreds of new footnotes to explain events personalities and issues to the present day reader Illustrated **A Short History of the Confederate States of America** Jefferson Davis, 1890 A Short History of the Civil War at Sea Spencer C.

Tucker, 2001-10-01 While fighting on land continues to hold center stage recently much more attention has been focused on the Civil War at sea And for good reason Naval operations decided the outcome of the war as the North exploited its significant naval and maritime advantage to turn the war on land in its favor In A Short History of the Civil War at Sea Spencer C Tucker eminent naval and military historian and endowed chair at the Virginia Military Institute provides a concise and lively overview of the blue water Civil War or fighting on the seas and attacks directed from the sea This volume covers the drama of significant naval battles like the first clash of ironclads at Hampton Roads the Union capture of New Orleans fierce action in the Charleston Harbor and the Battle of Mobile Bay A Short History of the Civil War at Sea also discusses important themes like the technological revolution in naval warfare the impact of naval operations on U S and Confederate foreign relations the Confederate use of torpedoes submarines and commerce raiders and the Union s successful strategy of blockade The struggle at sea might not have been as bloody as the fighting on land but it was every bit as interesting and included a colorful cast of characters like David G Farragut the North s highest ranking and most accomplished naval officer and Confederate naval officer commerce raider and Rebel Seadog Raphael Semmes And the advances of naval technology during the Civil War are fascinating from the use of new Dahlgren guns to the design and redesign of the ironclads to the extensive use of mines and the development of submarines Prof Tucker covers it all in this new book and his knowledge and skills as a storyteller shine A Short History of the Civil War at Sea will entertain and inform students scholars and Civil War enthusiasts The American Heritage Short History of the Civil War Bruce Catton, 1965

**The Story of the Civil War** John Codman Ropes, 1893 *Short History of the Civil War*, 1971 Short History of the Civil War Bruce Catton, 1972 Empty Bed Blues George Garrett, 2006-04-01 The fifteen stories of George Garrett s Empty Bed Blues his eighth book length collection are vintage Garrett no two alike with each moving one way and another in new and daring directions His stories are deeply concerned with the old verities of love and death and filled with the joys and

woes of characters who come to life and command our attention Diversity is the key word for Garrett s short fiction He works in every known form and invents a few himself In A Story Goes with It Garrett fondly remembers an old friend while retelling a story the man once told him Most of it is probably not accurate as Garrett is quick to admit but the mixture of fact with fiction makes for an entertaining read His stories turn like the sharp curves of a mountain road abruptly changing from a fond trip down memory lane to a sleazy reporter s quest along the backroads for the ultimate crime story in Pornographers He tops off his collection with A Short History of the Civil War a series of poems written by two participants one a Confederate the other a Yankee In the marriage of fact and fiction of comedy and pathos and the music of many voices the stories of Empty Bed Blues reconfirm the judgment of novelist and story writer Richard Bausch who said in 1998 There is no writer on the American scene with a more versatile more eclectic or more restless talent than George Garrett     **The American Heritage Short History of the Civil War** American Heritage,1960     A Short History of the Civil War at Sea Spencer Tucker,2002 Tucker chair of military history at the Virginia Military Institute relates the stories of significant naval battles of the Civil War and highlights the roles of colorful characters involved He discusses themes such as the technological revolution in naval warfare the Confederate use of torpedoes and submarines and the Union s successful strategy of blockade B w historical illustrations are included Tucker has written or edited 16 books on naval and military history and has written two other works on the Civil War at Sea Annotation copyrighted by Book News Inc Portland OR     The American Hertigage Short History of the Civil War Bruce Catton,1963     **A Short History of the American Civil War** Roy Prentice Basler,1967
