### **Short Letter Long Farewell:**

Short Letter, Long Farewell Peter Handke, 2025-09-23 Nobel Prize winner Peter Handke s novel Short Letter Long Farewell tells the story of a young Austrian evidently modeled on the author on a harrowing month s journey across the United States The book opens in Providence where a letter awaits the un named narrator from his estranged wife Judith I am in New York it says Please don't look for me It would not be nice for you to find me As the novel proceeds however it gradually becomes clear that Judith is pursuing him not vice versa pursuing with the intent to kill He spends a day in New York then goes on to Philadelphia where he joins an old flame and her daughter The trio drives to St Louis still shadowed by Judith partly to escape her and partly to face her the narrator strikes out west on his own to Tucson where he is robbed by Judith's agents then up to the Oregon coast where a roadside showdown takes place and a gunshot echoes over the Pacific I seem to have been born for horror and fear Handke's narrator confesses As the narrator and Judith maneuver toward their coastal rendezvous his life itself may depend on whether he has achieved enough in the flesh and in the mind to confront the pistol trembling in her hand Short Letter, Long Farewell Peter Handke, 2009-03-31 By Nobel Prize Winner Peter Handke Short Letter Long Farewell is one the most inventive and exhilarating of the great Peter Handke's novels Full of seedy noir atmospherics and boasting an air of generalized delirium the book starts by introducing us to a nameless young German who has just arrived in America where he hopes to get over the collapse of his marriage No sooner has he arrived however than he discovers that his ex wife is pursuing him He flees she follows and soon the couple is running circles around each other across the length of America from Philadelphia to St Louis to the Arizona desert and from Portland Oregon to L A Is it love or vengeance that they want from each other Everything's spectacularly unclear in a book that is travelogue suspense story domestic comedy and Western showdown with a totally unexpected Hollywood twist at the end Above all Short Letter Long Farewell is a love letter to America its landscapes and popular culture the invitation and the threat of its newness and wildness and emptiness with the promise of a new life or the corpse of an old one lying just around the corner
