The Culture of Equity in Early Modern England Mark Fortier, 2016-03-16 Elizabeth and James Sidney Spenser and Shakespeare Bacon and Ellesmere Perkins and Laud Milton and Hobbes this begins a list of early modern luminaries who write on equity In this study Mark Fortier addresses the concept of equity from early in the sixteenth century until 1660 drawing on the work of lawyers jurists politicians kings and parliamentarians theologians and divines poets dramatists colonists and imperialists radicals royalists and those who argue on gender issues He examines how writers in all these groups make use of the word equity and its attendant notions Equity he argues is a powerful concept in the period he analyses how notions of equity play a prominent part in discourses that have or seek to have influence on major social conflicts and issues in early modern England Fortier here maps the actual and extensive presence of equity in the intellectual life of early modern England In so doing he reveals how equity itself acts as an umbrella term for a wide array of ideas which defeats any attempt to limit narrowly the meaning of the term He argues instead that there is in early modern England a distinct and striking culture of equity characterized and strengthened by the diversity of its genealogy and its applications This culture manifests itself inter alia in the following major ways as a basic component grounded in the old and new testaments of a model for Christian society as the justification for a justice system over and above the common law as an imperative for royal prerogative as a free ranging subject for poetry and drama as a nascent grounding for broadly cast social justice as a rallying cry for revolution and individual rights and freedoms Working from an empirical account of the many meanings of equity over time the author moves from a historical understanding of equity to a theorization of equity in its multiplicity A profoundly literary study this book also touches on matters of legal an **The History and Character of**

Calvinism John Thomas McNeill, 1923 This is a masterful historical portrait of the whole movement of Calvinism for general readers and scholars alike *The New Larned History for Ready Reference, Reading and Research* Josephus Nelson Larned, 1923 Outlines of European History: From the seventeenth century to the present time James Harvey Robinson, James Henry Breasted, Charles Austin Beard, 1919 **The Shaping of Western Civilization, Volume II** Michael Burger, 2013-12-16 Michael Burger's goal in this inexpensive overview is to provide a brief historical narrative of Western civilization Not only does its length and price separate this text from the competition but its no frills uncluttered format and well written one authored approach make it a valuable asset for every history student *The Shaping of Western Civilization*

From the Reformation to the Present begins with the Reformation and ends with globalization Unlike other textbooks that pile on dates and facts Shaping is a more coherent and interpretive presentation Burger s skills as writer and synthesizer will enable students to obtain the background required to ask meaningful questions of primary sources In addition to suggestions for further reading this overview includes over 20 images and 11 maps Délibérations Et Mémoires de la Société Royale Du Canada Royal Society of Canada,1993
