The Singing Hill Meindert De Jong, 1962 A little boy moves to the country with his family and gets a new hat which floats down a stream gets chewed by a horse and protects a skunk's home from the rain Maurice Sendak Hal Marcovitz, 2006 Born in 1928 Maurice Sendak was a sickly child who passed the time by sketching the children who were able to play in the street below his window Sendak excelled in art during high school and found a job decorating store windows When a book editor discovered his talent Sendak's skill was much in demand as a storybook illustrator Once he started writing books as well as illustrating them Sendak's stories allowed children to experience places and journeys not often found in other books including a magic land in *Where the Wild Things Are* In the Night Kitchen's noisy adventure and a land in *Outside Over There* where a young girl must save her baby sister from goblins Sendak continued to write and illustrate stories throughout his life finding ways to introduce socially important themes to young readers In a one volume reference Maurice Sendak details the life and real life influences of this famous author revealing the person behind the words and the author behind the literature we love **Conversations with Maurice Sendak** Peter C. Kunze, 2016-08-10 Maurice Sendak 1928 2012 stands out as one of the most respected influential authors of the twentieth century Though primarily known as a children's book writer and illustrator he did not limit himself to these areas He saw himself first and foremost as an artist In this collection of interviews Sendak presents himself as a writer illustrator set designer and librettist From his early work with Randall Jarrell and Ruth Krauss through his later work with Tony Kushner and Spike Jonze Sendak worked as a collaborator with a passion for the arts The interviews here many of which are hard to find or previously unpublished span from 1966 through 2011 They show not only Sendak's shifting artistic interests but also changes in how he understood himself and his craft What emerges is a portrait of an author and an artist who was alternately solemn and playful congenial and irascible sophisticated and populist The man who showed millions of children and adults alike what's cooking in the night kitchen and where the wild things are Sendak remains an American original who redefined the picture book and changed children's literature and its readers forever **The Literature Lover's Book of Lists** Judie L.
