Geropsychiatric and Mental Health Nursing Karen Devereaux Melillo, Melillo, Susan Crocker Houde, 2010-08-25

Geropsychiatric and Mental Health Nursing Second Edition addresses the knowledge and skills necessary in the assessment and nursing care of older adults experiencing common late life mental health and psychiatric problems. This text features experts in gerontological nursing and geropsychiatric fields and provides essential information for advanced practice and professional nurses as well as graduate and undergraduate nursing students. The Second Edition has been completely revised and updated to include crucial areas like assessment, diagnosis, psychopharmacology, and behavioral management strategies in nursing care of older adults. New to this edition are case studies in each chapter in addition to discussion questions. This new edition also presents the work of the Geropsychiatric Nursing Collaborative (GPNC) in its entirety. The focus of the GPNC is to improve the education of nurses who care for elders suffering from depression, dementia, and other mental health disorders. The collaborative effort enhances extant competencies for all levels of nursing education focusing on older adults with mental health illness concerns. Shared in the Appendix are the competency statements developed for basic graduate, post graduate, and continuing education nursing programs. Nursing Home Federal Requirements James E. Allen, 2010-11-24
The book lists all the federal requirements that are evaluated by state surveyors during the annual survey visit to nursing homes and for complaint visits. The exhibit section contains forms used by surveyors to gather data during the survey visit. Visually, the format makes the regulations easy to read. If nursing home staff used the book to prepare for a survey, they would be well prepared. Marcia Flesner, PhD, RN, MHCA, University of Missouri, Columbia. From Doody's Review. The Federal government, together with more than 50 advocacy groups, has spent the past 40 years writing and refining the rules and guidelines in this manual. This book presents the latest federal guidelines and protocols used by federal surveyors in certifying facilities for participation in Medicare and Medicaid funding. It is an essential resource for long-term care facilities to have on hand to be ready for a survey at any time. It provides information straight from CMS's Internet Only Manual in print and at your fingertips for easy access. Divided into four accessible and user-friendly parts, this manual includes Federal requirements and interpretive guidelines, Rules for conducting the survey, Summary of the requirements for long-term care facilities and surveyors, CMS forms commonly used by surveyors. This newly updated and revised edition spans every aspect and service of a nursing home and represents the latest requirements to ensure that outstanding quality assurance and risk

management programs are in place New to This Edition Section on how to use manual Summarization of federal requirements Updated definitions of Medicare and Medicaid Compliance requirements with Title VI of the Civil Rights Act of 1964 SNF Hospice requirements when SNF serves hospice patients SNF based home health agencies Life safety code requirements Changes in SNF provider status Surveyor qualifications standards Management of complaints and incidents New medical director guidelines
