Finding My Way Home Nicholas Lyerly, 2016-10-24 We may not always know where God is leading us and like the prodigal son we can often be led astray So how do we find our way back When Nick Lyerly received his call to the ministry he was already settled with a family and a promising career But even though answering the call would bring insurmountable challenges he could not deny his true purpose However the road to Nicks dream of becoming a Methodist minister would be paved with hardship In Finding My Way Home author and pastor Nick Lyerly shares his story of overcoming in the face of struggle hardship and disappointment During his early years Nicks family was struck by tragedy and he became a rebellious youth acting out in ways that would constantly haunt him In spite of this Nick grew to be devout Christian who would hear

the call from God Nick's faith and marriage would be put to the test while he attended seminary for four years away from his wife and son but he remained steadfast Yet even as he fulfils this call and ministers his own church an unforeseen event would threaten his career before it had even begun Was this part of God's plan Even though our lives may not always turn out the way we plan God can provide us with peace and joy through all the soul searching frustration and indecision Join Nick on his remarkable journey of self discovery and redemption as he finds his way back home to God **Alejandro** Bethany Pierce ,2024-11-15 In a story woven from passion loss and transformation Alejandro tells the story of two men drawn together by a love that seems destined yet proves fragile against the currents of life Sebastian Wolfort a celebrated but haunted writer in Chicago and Alejandro Estuarta resilient artist navigating the struggles of Lima are brought together by fate on a rainy night and their connection is instant electric and deeply unsettling For a time they find solace and inspiration in each other their relationship a storm that ignites both joy and sorrow But as the world pulls them in opposite directions they must confront the reality that some loves no matter how powerful are not meant to last Told through fleeting moments haunting memories and intimate reflections this novel dives deep into the emotional landscapes of both men as they navigate the beauty and heartbreak of their connection Their love is complex flawed and unforgettable becoming a catalyst for self discovery that will shape their lives forever Through late night conversations unspoken promises and a shared sense of longing Sebastian and Alejandro come to understand themselves each other and the cost of truly loving someone Years pass yet neither man can shake the impact of their relationship They catch glimpses of each other in passing strangers the echoes of their love shaping every new connection From opposite sides of the world they each embark on journeys of healing acceptance and ultimately peace Alejandro finds freedom in his art while Sebastian learns to let go through his writing each finding closure in their own way Their final encounter a wordless meeting across a crowded street leaves them with the knowledge that they have become different men still carrying the love they shared yet no longer bound by it Alejandro is a celebration of love's ability to change us even if it cannot stay It explores how passion can turn into pain yet also into something beautiful an enduring memory that becomes part of who we are Sebastian and Alejandro's story reminds us that some loves are destined to be lived but not kept and that these loves leave behind an indelible mark on our souls In the end both men reflect on their journey recognizing that though their love has become a chapter in the past it will always be a cherished piece of their story For both Sebastian and Alejandro their time together was the most beautiful pain they could have ever endured With lyrical prose moving dialogue and vivid settings from the bustling streets of Chicago to the vibrant heart of Lima Alejandro is a heart wrenching and tender tale of what it means to love to let go and to carry the memory of a love that was never meant to last It is a story that resonates with anyone who has loved deeply lost painfully and emerged stronger on the other side **The Oracle of Wall Street** Chinedu Nnadi,2025-07-28 He rose like a rocket He fell like a legend Lucas Carter was the golden boy of Wall Street a self made financial prodigy who clawed his way from a cramped apartment to billion dollar boardrooms
