Longfellow A Rediscovered Life:

Longfellow Charles C. Calhoun, 2004 Charles C Calhoun's Longfellow gives life at last to the most popular American poet who ever lived a nineteenth century cultural institution of extraordinary influence and the one poet average nonbookish Americans still know by heart Dana Gioia Calhoun's Longfellow emerges as one of America's first powerful cultural makers a poet and teacher who helped define Victorian culture a major conduit for European culture coming into America a catalyst for the Colonial Revival movement in architecture and interior design and a critic of both Puritanism and the American obsession with material success Longfellow is also a portrait of a man in advance of his time in championing multiculturalism He popularized Native American folklore revived the Evangeline story the foundational myth of modern Acadian and Cajun identity in the U S and Canada wrote powerful poems against slavery and introduced Americans to the languages and literatures of other lands Calhoun's portrait of post Revolutionary Portland Maine where Longfellow was born and of his time at Bowdoin and Harvard Colleges show a deep and imaginative grasp of New England cultural history Longfellow's tragic romantic life his first wife dies tragically early after a miscarriage and his second wife Fannie Appleton dies after accidentally setting herself on fire is illuminated and his intense friendship with abolitionist and U S senator Charles Sumner is given as a striking example of mid nineteenth century romantic friendship between men Finally Calhoun paints in vivid detail Longfellow's family life at Craigie House including stories of the poet's friends Hawthorne Emerson Dickens Fanny Kemble Julia Ward Howe and Oscar Wilde among them

Longfellow's Imaginative Engagement Jeffrey Hotz, 2022-03-07 Longfellow's Imaginative Engagement is a first of its kind study of Henry Wadsworth Longfellow's late career poems and biography from 1861 until 1882 covering the poet's posthumous publications and the handling of his literary estate Using never before discussed archival materials from Harvard's Houghton Library and the Longfellow House Washington's Headquarters National Historic Site including unpublished poems and poem fragments this literary biography presents Longfellow's vibrant and complex final two decades After the tragic death of his beloved second wife Frances Fanny Elizabeth Appleton Longfellow reinvented himself as a creative artist transforming his loss and the nation's suffering in the Civil War and postwar period into compelling art In this book Jeffrey Hotz interprets the distinct phases of Longfellow's late career exploring his narrative poetry translations personal lyrics religious poetry aesthetic verse and end of life vision of mortality as a journey He considers Longfellow's friendships and family life publication strategies and literary reputation and the recurrent theme of longing for an ideal female figure in his poems and private life Interweaving unpublished poems and poem fragments with interpretations of published collections Longfellow's Imaginative Engagement examines the poet's complex voice which captured the public's imagination making him America's most famous poet in the nineteenth century

Tales and Tombstones of Sunset Cemetery June Hadden Hobbs, Joe DePriest, Hal Bryant, 2021-12-02 This book relates the stories and describes the memorials of the people buried in Shelby North Carolina s historic Sunset Cemetery a microcosm of the Southeastern United States The authors an academic and a journalist detail the lives and memories of people who are buried here from Civil War soldiers to those who created the Jim Crow South and promoted the narrative of the Lost Cause Featured are authors W J Cash and Thomas Dixon whose racist novel was the basis for *The Birth of a Nation* Drawn from historical research and local memory it includes the tales of musicians Don Gibson and Bobby Pepper Head London as well as a paratrooper who died in the Battle of the Bulge and other ordinary folks who rest in the cemetery A bigger responsibility is to give a voice to the silenced enslaved people of color buried in unmarked graves Cemeteries are sacred places where artistry and memory meet to understand we need both the tales and the tombstones

Battle Lines Eliza Richards, 2018-10-02 During the U S Civil War a combination of innovative technologies and catastrophic events stimulated the development of news media into a central cultural force Reacting to the dramatic increases in news reportage and circulation poets responded to an urgent need to make their work immediately relevant to current events As poetry s compressed forms traveled more quickly and easily than stories novels or essays through ephemeral print media it moved alongside and engaged with news reports often taking on the task of imagining the mental states of readers on receiving accounts from the war front Newspaper and magazine poetry had long editorialized on political happenings Indian wars slavery and abolition prison reform women s rights but the unprecedented scope of what has been called the first modern war and the centrality of the issues involved for national futures generated a powerful sense of single mindedness among readers and writers that altered the terms of poetic expression In *Battle Lines*

Eliza Richards charts the transformation of Civil War poetry arguing that it was fueled by a symbiotic relationship between the development of mass media networks and modern warfare Focusing primarily on the North Richards explores how poets working in this new environment mediated events via received literary traditions Collectively and with a remarkable consistency poems pulled out key features of events and drew on common tropes and practices to mythologize commemorate and ponder the consequences of distant battles The lines of communication reached outward through newspapers and magazines to writers such as Dickinson Whitman and Melville who drew their inspiration from their peers poetic practices and reconfigured them in ways that bear the traces of their engagements *Starring Madame Modjeska* Beth

Edgington, 2025-09-12 Poet and provocateur William Chapman 1850 1917 wrote patriotic verse recounting the history of New France envisioning a glorious future for its descendants Despite his many literary achievements he was a two time laureate of the Académie française and a nominee for the Nobel Prize in Literature Chapman is more often remembered for his explosive feud with Louis Fréchette a rivalry that pitted the two national poets against one another and played out in vicious invective across the pages of Quebec newspapers Chapman's lifelong quest to glorify French Canada and accumulate literary prestige in North America and Europe positioned him squarely between the new country and the old world Over the course of his forty year career Chapman published five collections of poetry *Les Québécoises* 1876 *Les Feuilles d'érable* 1890 *Les Aspirations* 1904 *Les Rayons du Nord* 1909 and *Les Fleurs de givre* 1912 whose very titles underscore his devotion to French Canadian identity as well as his literary ambition Integrating close readings of Chapman's verse with archival material related to his writing life Erin Edgington revisits his full oeuvre on its own terms and in context discerning the particular ways Chapman expressed the ideas of literary value and national literature that motivated him from a young age from juvenilia like *Les Mines d'or de la Beauce* 1881 to his polemical essays and his unfinished magnum opus *Le peuple canadienne* *Between the New Country and the Old World* challenges the prevailing narrative that has labelled Chapman a second rate forgettable poet showing how his life and work reveal important insights into literary fame poetics in a transitional moment at the turn of the century and the history of French literature in North America *On the Fringes of Diplomacy* Antony Best, 2016-05-23 In recent decades the study of British foreign policy and diplomacy has broadened in focus No longer is it enough for historians to look at the actions of the elite figures diplomats and foreign secretaries in isolation increasingly the role of their advisers and subordinates and those on the fringes of the diplomatic world is recognised as having exerted critical influence on key decisions and policies This volume gives further impetus to this revelation honing in on the fringes of British diplomacy through a selection of case studies of individuals who were able to influence policy By contextualising each study the volume explores the wider circles in which these individuals moved exploring the broader issues affecting the processes of foreign policy Not the least of these is the issue of official mindsets and of networks of influence in Britain and overseas inculcated for example in the leading public schools at the Universities of Oxford and Cambridge and in gentlemen's clubs in London's West End As such the volume contributes to the growing literature on human agency as well as mentalities studies in the history of international relations Moreover it also highlights related themes which have been insufficiently studied by international historians for example the influence that outside

groups such as missionaries and the press had on the shaping of foreign policy and the role that strategy intelligence and the experience of war played in the diplomatic process Through such an approach the workings of British diplomacy during the high tide of empire is revealed in new and intriguing ways Abraham Lincoln and the Virtues of War Jean E.

Friedman,2015-07-20 This study introduces a new perspective on Lincoln and the Civil War through an examination of his declaration of our national values and the subsequent interpretation of those values by families during the war This volume is a completely new approach to Civil War history Historians rightly regard Abraham Lincoln as a moral exemplar a president who gave new life to the national values that defined America While some previous studies attest to Lincoln s identification with family virtues this is the first to link Lincoln s personal biography with actual histories of families at war It analyzes the relationship that existed between Lincoln and these families and assesses the moral struggles that validated the families decision for or against the conflict Written to be accessible to students and the general reader alike the book examines Lincoln s presidency as measured against the stories of families North and South that struggled with his definition of Union virtues It looks at Lincoln s compelling case for democratic values among them justice patriotism honor and commitment first stated in his 1861 speech before Independence Hall The work also uses case studies to demonstrate how virtue as practiced in families illuminated contested adapted and even transformed his concept giving new meaning to the virtues of war *The*

Hutchins-Viroux,Jeremy Tranmer,2009-01-23 A great deal has been written in recent years about nationalism Yet scholars remain sharply divided as to a coherent theoretical model of this phenomenon and many have called for further empirical research This volume pursues this line of inquiry examining a variety of geographical contexts within the English speaking world including Australia Canada India the United Kingdom and the United States at different historical periods These interdisciplinary studies combine elements of sociology political science history literature and cultural studies **Early**
