Exploring the World's Railways Robert Parker, 2023-12-01 Rail travel is fun And rail travel is interesting Even when things go awry or perhaps especially when things go awry there is much to engage the interested observer Much of it is to do with the railway itself the type of rolling stock in use the signalling on the line civil engineering features Also operating detail methods of station working to minimise train dwell time in the platform operation of doors revenue protection measures and so on Then there is the world outside the railway the towns and cities passed through the nature of the countryside from the manicured pastures and arable of the lowlands to the majesty and grandeur of highland scenery The railway itself of course helped form that landscape transporting the fuel and raw materials to build the towns and cities and becoming a feature of the rural scene Sometimes the railway is but a barely distinguishable mark a cutting topped with scrub and trees Elsewhere it can be a major feature of the scene think of the Forth Bridge north of Edinburgh or Ribbleshead Viaduct on the Settle and Carlisle line Indeed often there is so much to see outside the train that it can be surprising that any traveller can find diversion on a screen or a printed page preferable to looking out of the train window How can anyone fail to be impressed by the grace and grandeur of Brunel s genius construction when passing in a train over the Tamar Bridge linking Devon and Cornwall for instance Or to draw an example from our own generation just open your eyes to the technical prowess that has forged the Elizabeth line under London with computer controlled trains stopping with precision to line up with platform screen doors deep beneath the streets of the capital In this collection of tales from journeys around the railway system both in the UK and abroad Robert Parker manages to capture the magic of rail travel To be sure not everything always goes to plan on his journeys but that is half of the fun of it How he and his pals manage to escape from the many scrapes they get into makes for fascinating reading A sound knowledge of the timetable certainly helps although in recent years we have gained the assistance of mobile phones and realtimetrains co uk to help replan a travel day on the hoof What shines through in this book is Robert s love of and respect for the railway Our mode of transport remains one of the most enjoyable and environmentally friendly ways of getting from A to B long may it prosper Take delight in the travels recorded in this book from the comfort of your own armchair then indulge in the real thing yourself James Abbott Consultant Editor Modern Railways **The Publishers Weekly** ,2005 **Exploring Play for Early Childhood Studies** Mandy Andrews, 2012-09-07 Winner of the 2013 Nursery World Awards This is a key text for all those studying for degrees and foundation degrees in early childhood early years and related disciplines and for candidates on EYPS pathways It takes the reader through a detailed exploration of the nature of play examining the features and the concepts of play Guidance on the observation of children s play is included and the text encourages students to appreciate the value of play in development and in

socialisation Children's rights and the ownership of play are also covered With interactive activities and case studies throughout the text helps students to arrive at an understanding of their own practice in relation to play About the Early Years series This series has been designed to support students of Early Years Early Childhood Studies and related disciplines in popular modules of their course Each text takes a focused look at a specific topic and approaches it in an accessible and user friendly way Features have been developed to help readers engage with the text and understand the subject from a number of different viewpoints Activities pose questions to prompt thought and discussion and Theory Focus boxes examine essential theory close up for better understanding This series is also applicable to EYPS candidates on all pathways Other titles in the series are Early Childhood Studies Childhood in Society for Early Childhood Studies and Child Observation for the Early Years

Outside of Time: A Woman's Exploration Within the Confines of Forever Jessie Shaw, 2017-03-05 Outside of Time sources from the author's shamanic and Chinese medicine studies along with Jean Gebser's philosophic detailing of states of consciousness in his treatise The Ever Present Origin The story entails wild Peruvian adventures and liberal pinches of plant medicine contrasted against a backdrop of life in New York City The book brings Gebser's consciousness states to life which serve to illuminate its heroine's path to greater self realization and wholeness

Moments of Wildness: Exploring Nature in the Search for Meaning Henry S. Butler, 2018-02-20 My entire life has been one big search for the meaning of life Where do we come from why are we here and where do we go when we die John Muir taught that the clearest way into the Universe is through a forest wilderness so I took his advice and started exploring I learned that by practicing meditation and the art of mindfulness in Nature we can connect with the life all around us The lessons we learn in the wild can help us tap into the sacred mystical dimension of this extraordinary natural world in which we live and share with the entire biosphere
