Look Aat Everything Twice For:

Look Twice John Fuller, 2015-05-14 John Fuller's brilliantly inventive fourth novel is a modern romance which playfully explores the world's need for illusion. On the last train leaving the Duchy of Gomsza before it is seized by civil turmoil, three illusionists—an artist, journalist, and a magician—reveal their past failures in love and reasons for leaving. But it is the mysterious fellow traveller Jozef Pyramur who dazzles each man in turn with different versions of reality. **Once, Twice, Three Times a Crazy** Chynah Doll, 2010-10-20 Demarco was still rambling when Jeremy put one hand up in his face in the gesture of talk to the hand and said sharply, "Look, I am so tired of this whole scene right now. Are you going to tell her who I really am, or do I need to tell her myself?" Demarco instantly fell silent, his eyes big as saucers as he looked pleadingly at Jeremy. Hearing Jeremy's nasally voice and seeing his suddenly magnified feminine gestures really woke me up with a jolt. Whatever denial I had been experiencing the last few minutes was now gone. I was immediately very aware of the situation that was before me. I looked at Jeremy, then Demarco. I felt my chest start to tighten and my breathing became short and sporadic. I started to back away from them both, saying, "Nooooo, noooo, this can't be, this is not happening." As I repeatedly shook my head, no, I could feel the tears falling down my face. I screamed at Demarco, "You lied! You lied to me!" I asked you if you were gay. You swore to me that you weren't. I can't believe this is happening. Like most little girls, I always fantasized about my knight in shining armor riding in on his white horse and carrying me off into the sunset. Instead of my dream man, I got a down-low gay man, a cocaine-addicted famous rapper, and a psycho maniac stalker. Yes, you read right. I know that there are other women out there who can relate because they may have experienced at least one of these situations. It is very rare and next to impossible to find a woman who has gone through all three situations, but I did. This is the true story of my life with these three men. As you read my autobiographical memoir, you will see that due to bad judgment, bad decisions, and loving the wrong man, time and time again, my life has had many mind-blowing and incredulous episodes. I hope that through reading my story, I save the next woman from inevitable heartbreak and devastation disguised as true love. *Always Look Twice* Geralyn Dawson, 2008 Ex-military intelligence officer Mark Callahan must join forces with his estranged wife and ex-team member Annabelle Monroe when members of his former unit are murdered, a tentative alliance that leads to danger, betrayal, and desire.
