Look Im Growing Up:

Better Now Than Forever Shelley Tan, 2023-01-01 Char thought she had a perfect life She was married to a successful surgeon who was kind committed and willing to provide Char with anything that made her happy What made her happy besides her perfect marriage was her dressage horse Mystic never mind the cost And now that a new trainer was moving to Blue Ribbon from Hamburg Germany she would have the ability to take her dressage riding to the highest level possible With everything going so perfectly Char shouldn't have had any reason not to be happy But something had been missing in her relationship with Dr Kelley otherwise known around the hospital as Dr Dreamy and she couldn't figure out what it was When Char finally met Petra the new dressage trainer Char became more than just a little star struck She was quite frankly infatuated and wanted to spend every waking second at the barn and with her What was going on Char was afraid of the answer What would happen to her and her perfect life How would she be able to afford her privileged lifestyle and her horse including the dressage lessons that she had grown so accustomed to enjoying Perhaps she was simply going through a mid life crisis or was in awe of the new trainer from Germany Ultimately Char knew she must find out She became more afraid of not knowing than of what the truth might reveal *Growing Up in Central Australia* Ute Eickelkamp, 2011-06-01
