The American Mercury George Jean Nathan, Henry Louis Mencken, 1929 *The American Mercury*, 1929 **Direction**, 1951 **Hobbies** Steven M. Gelber, 1999-06-25 Whether it's needlepoint or woodworking collecting stamps or dolls everyone has a hobby or is told they need one But why do we fill our leisure time with the activities we do And what do our hobbies say about our culture Steven Gelber here traces the history and significance of hobbies from the mid nineteenth century through the 1950s Although hobbies are often touted as a break from work Gelber demonstrates that they reflect and reproduce the values and activities of the workplace by bringing utilitarian rationality into the home imitating the economic stratification of the marketplace and reinforcing traditional gender roles Drawing on a wide array of social and cultural theory Hobbies fills a critical gap in American cultural history and provides a compelling new perspective on the meaning of leisure Way Beyond the Spanking Stick Anthony J. Major, 2023-12-14 Just as a young schoolteacher was ready to quit her career and join a convent she goes on a blind date and meets a mysterious and energetic Canadian man Nine children later the father runs off into the mountains trying to revive

defunct gold mines in the hopes of striking it rich Eventually he disappears across the Canadian border never to return home With the father now gone the oldest sibling takes charge and the six brothers each venture out in life on their own This story is about the trials and tribulations that each of them faced without any guidance the setbacks disappointments heartbreaks fist fights and brushes with the law all involving extreme mischief Would they end up in prison without a father figure or would they go on to find success Since comedy and humor is the best medicine this band of brothers pushed the envelope in the most hilarious ways Only time would tell how it would all end

Trounstein,2025-06-25 A deeply stirring account of one woman s experience teaching drama to women in prison I began to understand that female prisoners are not damaged goods and to recognize that most of these women had toughed it out in a society that favors others by gender class or race They are Desdemonas suffering because of jealous men Lady Macbeths craving the power of their spouses Portias disguised as men in order to get ahead and Shylocks who being betrayed take the law into their own hands So writes Jean Trounstein in *Shakespeare Behind Bars* In this gripping account Trounstein who spent ten years teaching at Framingham Women s Prison in Massachusetts focuses on six inmates who each in her own way discover in the power of great drama a way to transcend the painful constraints of incarceration We meet Dolly a fiftyish grandmother who brings her knitting to classes and starts a battered women s group in prison Bertie a Jamaican beauty estranged from her homeland torn with guilt and shunned for her crime Kit a tough wisecracking con who stirs up trouble whenever she can until she s threatened with losing her kids Rose an outsider in the prison community who lives with HIV

and eventually gains acceptance through drama Rhonda a college educated leader whose life falls apart when her father dies and who struggles in prison to reestablish her roots Mamie a nurse in the free world now the prison gardener who makes cards with poetry and dried flowers and battles her own illness behind bars Shakespeare Behind Bars is a uniquely powerful work that gives voice to forgotten women sheds a compassionate light on a dark world and proves the redemptive power of art and education **All the Year Round** Charles Dickens, 1892
