Looking At Jesus With Luke:

Looking at Jesus with Luke Marjorie Stewart, 1978-01-01 **A Rabbi Looks at Jesus of Nazareth** Jonathan Bernis, 2011-01-01 Raised in a traditional Jewish family international television host Jonathan Bernis was taught from a young age that Jews don't and can't believe in Jesus Yet in his study of the Bible including the Torah he found overwhelming evidence that Jesus of Nazareth really was the Jewish Messiah With warmth and transparency Bernis talks about discovering Jesus in history too and how it was that the Jewish Yeshua became the Gentile Jesus By presenting historic evidence that Jesus is Messiah and refuting common Jewish objections Bernis gives Christians the knowledge and tools they need to share their Lord with their Jewish friends in a loving effective way [Looking on Jesus](#) Madame Cecilia, 1912 **To Understand the Bible Look for Jesus** Norman L. Geisler, 2002-09-10 Believing the fundamental Christian claim that the purpose of the Bible is to present the Savior Geisler focuses on Christ as the unity and unfolding message of the whole of Scripture Christ is the tie between the Testaments the content of the canon and the unifying theme within each book of the Bible This book is basic to both Bible study and preaching and serves as an excellent guide to the Bible's central theme It encompasses far more than a study of types and the Old Testament prophecies Each chapter takes seriously the affirmation of Jesus Everything written about me in the law of Moses and the prophets and the psalms must be fulfilled Luke 24:44 Related to Geisler's central thrust that Christ is the clue to the whole Bible is the clear assertion concerning the inspiration of Scripture and the deity of Christ Chapter topics include 1 Christ Is the Key to the Bible 2 Christ in the Old Testament 3 Christ in Both Testaments 4 Christ in Every Section of the Bible 5 Christ in Each Book of the Bible 6 The Word of God Personal and Propositional Also included are a bibliography subject index and Scripture index **A Rabbi Looks at Jesus' Parables** Frank Stern, 2006-01-19 Intended to appeal to both Christians and Jews A Rabbi Looks at Jesus Parables is an introduction to the teachings of Jesus and compares the similarities and differences in Jesus thinking to other Jewish sources from first century Palestine Each chapter uncovers hidden messages within each of Jesus parables and discusses each parable within its first century religious and historical context The book attempts to build bridges of understanding between Christians and Jews by exploring the notion that we share a common history [A Look At Luke](#) Kristen Reed, 2018-07-06 Discover a four week Bible study designed for Christians who are both new to and familiar with reading through their Bibles The reading plan includes six days studying Luke with study questions and one day of reflection in the Psalms Each day includes prayer prompts to help build a habit of praying without ceasing and cross references for related passages of Scripture in the Old and New Testaments **A Layman Looks at Luke** Dick Dahlstrom, 2022-08-09 I have written this look at Luke as a layman I am not a biblical scholar theologian or pastor As I have studied the book of Luke I wrote what I saw thought and I believe the Holy Spirit revealed to me This is not meant to be a commentary or academic thesis I am not capable of that Instead it is what I have come to see and love about Luke He was a layman and historian not one of the disciples or a prophet He was a

doctor who was used by God to write inspired scripture Many think he is the only Gentile writer of the Bible As you read this book my prayer is that you will come to love Luke as I have **His Mission** D. A. Carson, Kathleen Nielson, 2015-04-16 With contributions from popular Bible teachers including Tim Keller Kevin DeYoung John Piper D A Carson Crawford Loritts Gary Millar and Stephen Um this collection of eight biblical expositions looks to the Gospel of Luke and its unique portrait of our Savior Whether exploring the nature of Jesus s divine sonship his rejection by the religious and political rulers of his day or his important teaching on the dangers of money this volume will help readers grasp the overarching message of the book of Luke as they grow more familiar with its main focus the blameless life atoning death and vindicating resurrection of Jesus Christ *A Theology of Luke and Acts* Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke s gospel and the book of Acts In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God s people even in the midst of a hostile world It is a message the church still needs today Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology Craig S Keener Bock s excellent exploration of Luke s theological approach and themes meets an important need in Lukan theology *Looking unto Jesu s. A view of the everlasting Gospel, etc* Isaac AMBROSE, 1771 **The Baker Expository Dictionary of Biblical Words** Tremper III Longman, Mark L. Strauss, 2023-02-14 One of the keys to effectively preaching and teaching God s Word is a deep understanding of the meaning of biblical words in the original Hebrew and Greek As the building blocks of language words are the means we use to communicate with one another and they re also the means God has chosen for communicating with us his people To enrich your preaching teaching and personal study of God s Word this clear accurate and easy to use dictionary offers the most up to date evangelical biblical scholarship as well as fascinating detailed explanations of biblical words Whether you re a pastor a seminary student or a lay student of the Bible this expository dictionary offers a wealth of information about the original Hebrew and Greek words of Scripture **To Seek and to Save** Sinclair Ferguson, 2020-01-01 Lent devotions that help you reflect on the wonder of Easter Journey with Jesus on the road to Jerusalem with these reflections for Lent by Sinclair Ferguson As you walk through the second half of Luke s Gospel you ll meet the people Jesus encountered on the way to the cross and prepare your heart to appreciate his death and resurrection afresh Each day you ll be invited to Read a passage of Luke s Gospel and a short meditation by Sinclair Ferguson Reflect on a thought provoking question Respond in prayer and praise as you journal Pithy yet profound these devotions will hold up a mirror to your own heart and more importantly give you a window into the heart of the Lord Jesus the one who came to seek and to save the lost at Easter **The Holy Bible** , 1847 Luke's Characters in their Jewish World Jenny

Read-Heimerdinger,2024-08-22 Jenny Read Heimerdinger explores the characters of Luke Acts in order to situate them in the Jewish world to which they belong Through a close reading of the Greek text she argues that Luke emerges as a person thoroughly steeped in a Jewish view of Scripture familiar with a range of associated oral traditions and that taking account of the Jewish features allows new insights into the way that the author situates events and characters firmly within the history of Israel before the Church was a separate institution or religion Read Heimerdinger proposes that such a view of his work implies an addressee capable of understanding what he received and that one eminently qualified candidate is Theophilus the high priest in Jerusalem 37 41 and brother in law of Caiaphas The Jewish perspective of Luke s two volumes is more visible in forms of the text not used for modern translations notably that of Codex Bezae and the early versions which are rejected by the editors of the Greek New Testament on which translations are based Read Heimerdinger draws on the analysis of the variants of the Greek text analysed in her previous Luke in his Own Words 2022 in a manner more accessible to readers unfamiliar with Greek The variant readings make use of a sophisticated knowledge of Jewish exegetical techniques that would generally be discarded by later generations of Christians but which are increasingly being recognized by NT scholars in line with Jewish historical studies of Second Temple and Rabbinic Judaism Seeing the characters of Luke Acts through Theophilus eyes brings exciting insights and a fresh understanding of the author s message The Upside Down Way

Matthew Ingalls,2017-02-14 Jesus life should turn our world upside down His first observers according to Luke were routinely seized with amazement both at the bending of physics making the blind see and lame walk and at the ridiculous things he did and taught A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking a man radically devoted to living a shocking life for the sake of the broken and forgotten In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves Jesus life story should lead more to humble servanthood than to syncopated light shows in church or the triumph of a political candidate or a well ordered and respectable lifestyle The Upside Down Way is a series of devotionals drawn from the text of Luke Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold reflective honest and challenging in order to elevate Luke s ridiculous Jesus to his rightful position as the fountain of Christian faith The Interpretation of St. Luke's Gospel 12-24
