Words from the Cross William Powell Tuck, 2013-02-14 The Cross The central symbol of the Christian faith Can a church be an authentic Church and not focus on the cross William Powell Tuck began answering that question in his book The Church Under the Cross and now he leads us into the second part of his answer in his new book The Last Words from the Cross The words of our Lord on the cross have become very memorable These words of Jesus have been designated as the seven last words They are of course more than individual words They are really sentences or fragments of sentences One of these seven words is found in the Gospels of Matthew and Mark Three of them are found in the Gospel of Luke and three are recorded in John No one gospel contains all of them But to me that is a way of authenticating the gospels Each writer drew on what he remembered or considered most important in those moments or what he had heard from others who shared their experiences says Tuck A study of these words gives us His disciples a deeper insight into Jesus thoughts through suffering facing death and what His death meant to Him as He met our need for salvation Rev Tuck further says These words reveal his personal agony his concern for others his forgiving spirit his physical suffering his ultimate trust and faithfulness in the One he had proclaimed Even in his moments of forsakenness he still resisted the temptation to turn away ultimately from God s will or deny the One who led him to this shameful death as he identifies with sinners This book is an ideal study for Lent or at any time for a church that would like to better understand taking up their cross And what church can t benefit from that

Inetogether Mark DeLong, 2006-05 This first volume of essays includes widely read pieces depicting a garden and gardener in Rougemont North Carolina in the larger context of life in the twenty first century and wide ranging book reviews that are less evaluative and more plainly thoughtful A major essay Genomes and Words relates the emergence of genome sciences with a much older and now rather quaint science philology This book is as one person put it an intersection of ideas and Rougemont which perhaps humbles ideas and elevates the little hamlet that is Rougemont But often ideas made plainer become stronger and the state of mind that is Rougemont is made richer with them inetogether seeks to find a middle ground for thoughtful people to read and to think in a world that seems to leave little room for either of those **Mishkan R'fuah**

Faith, Hope, Love, and Amazing Grace Les D. Maloney Ph.D.,2021-07-29 This brief sharing of my experiences as an active duty and reserve Army chaplain has been years in the making While there are far more joyful memories than sorrow filled memories the latter are painful and some of them were not comfortable to revisit especially the memories involving families who lost their soldier The time frame for this story is my service as an Army Reserve chaplain from 1991 2013 including over seven years on active duty It has been my observation that a majority of the general public and in fact a lot of military service members do not understand what a military chaplain does other than the insights provided by the TV series M A S H and the character of Father chaplain Mulcahy My hope in publishing this book is that people will gain a deeper insight into and appreciation for the work of military chaplains my brothers and sisters in ministry

Helping Those Experiencing Loss Robert J. Grover Professor Emeritus,Susan G. Fowler,2011-07-13 This book provides a guide for grieving youth and adults as well as extensive descriptive lists of recommended professional literature resources Grief caused by loss is both a very common human experience and a highly individualized one For example children experience a number of losses that are unique to their young age such as sibling and parent death adoption or divorce and should be given special consideration by professionals and parents helping them in these situations For gay lesbian or cohabiting heterosexual couples that suffer the loss of a partner societal standards often deny the survivors in these relationships the right to grieve Helping Those Experiencing Loss A Guide to Grieving Resources is a book like no other supplying compassionate information for navigating the emotional distress that every man and woman will experience in their lifetime as well as a comprehensive guide to the literature of bereavement and grieving It explains the grieving process interpreting the results of research on the topic in plain language and addressing specific groups children young adults parents who have lost a child adults who have lost spouses and the aging population
