Lord Who Are You The Names Of Christ:

Lord, who are You? Jorge Medina Estévez, 2004 The names of Christ are certain words or titles that are used in Sacred Scripture to refer to Christ One of them Jesus is a name in the sense in which we commonly use this word today The others which are quite numerous and which are used with varying frequency denote the nature or essence of Jesus as for example Son or Word or some characteristic of his action for instance the fact that he is Shepherd or Master Sometimes these names do not designate Jesus exclusively as is the case with shepherd and son of God although they are applied to him in a very special way There are other names that pertain only to Christ such as Lamb of God and Bread of Life The purpose of this little book is simply to reflect about and meditate on the names of Christ in order to draw near to him with humility so we may know who he is and what sort of blessings the Father imparts to us through him The fruit of such reflection should be the praise of God for his love and for the wonders he has done and continues to do for us gratitude for all his boundless gifts and as a consequence love for him who loved us first There is not one logical order for the names of Christ one presupposes the other and they are intertwined like flashes of light reflected from the various facets of a cut diamond Thus the reader as he becomes acquainted with this subject will discover little by little a rich and limitless prospect for learning about Christ through the Scriptures he will see the unsearchable riches of Christ Eph 3 8 and in these riches find joy peace and a pattern of life Book jacket **A Concordance of the Proper Names in the Holy Scriptures** Thomas David Williams, 1923

The Origins and Ascendancy of the Concert Mass

Stephanie Locke,2020-12-30 The mass is an extraordinary musical form Whereas other Western art music genres from medieval times have fallen out of favour the mass has not merely survived but flourished A variety of historical forces within religious secular and musical arenas saw the mass expand well beyond its origins as a cycle of medieval chants become concertised and ultimately bifurcate Even as Western societies moved away from their Christian origins to become the religiously plural and politically secular societies of today and the Church itself moved in favour of congregational singing composers continued to compose masses By the early twentieth century two forms of mass existed the liturgical mass

composed for church services and the concert mass composed for secular venues Spanning two millennia The Origins and Ascendancy of the Concert Mass outlines the origins and meanings of the liturgical texts defines the concert mass explains how and why the split occurred and provides examples that demonstrate composers gradual appropriation of the genre as a vehicle for personal expression on serious issues By the end of the twentieth century the concert mass had become a repository for an eclectic range of theological and political ideas

God's Name Is Yahweh TL Blaylock, 2016-11-16 Each one of us have a name we like to be called and that name is how we introduce ourselves to others For many of us our name was given careful thought and consideration Often times we are named after a relative or someone who made a significant impact on one or both of our parents God also has a name that He used to introduce Himself to Moses and to the children of Israel That name is Yahweh Yahweh is God's holy name used throughout the Old Testament A lot of people have never heard the name Yahweh and find it to be foreign unfamiliar or even strange How sad that as a people of God we have not been taught God's holy name the name He wants to be known by In writing this book I hope to make Yahweh a name known by respected by and spoken with reverence by God's holy people God has called me to write this book My desire is like that of the Psalmist when he says That they may know that You whose name alone is Yahweh are the Most High over all the earth Psalm 83:18 As believers we should not be ignorant of God's holy name Yahweh and the promises that follow knowing Him Because he has set his love upon Me therefore I will deliver him I will set him on high because he has known My name He shall call upon Me and I will answer him I will be with him in trouble I will deliver him and honor him With long life I will satisfy him and show him My salvation Psalm 91:14-16 Do you understand the depth of the promises God has made here Have you set your love upon God Do you know God's name God's name is Yahweh
