The Histrionic Sensibility Ziad Elmarsafy,2001 The Brothers Seven Aleksis Kivi,2017-01-16 Seitsem n veljest The Brothers Seven the 1870 Finnish novel by Aleksis Kivi 1834 1872 is one of the most in famously unknown classics of world literature unknown not only because so few people in the world can read Finnish but also because the novel is so incredibly difficult to translate the Mount Everest of translating from Finnish It is difficult to translate not only because it blends a saturation in Homer Shakespeare Dante Cervantes and the Bible with a brilliantly stylized form of local dialect but because it is wild grotesque carnivalistic and laugh out loud funny on every page It has been translated 58 times into 34 languages but somehow the translations always seem to fall short of their flamboyant original Douglas Robinson's new translation is a bold attempt to remedy that He aims to make Kivi as rhythmic as alliterative as brash as grotesque and as funny in English as he is in Finnish Since Kivi deliberately used an archaic Finnish but used it playfully and since Kivi was steeped in Shakespeare to the point of memorizing whole plays Robinson translates him into a playful Shakespearean register As he notes in his Preface this makes the translation a bit difficult to read but the original is difficult for Finns to read as well and the Finnish readers who love Kivi and that is most of them read him with pleasure despite the words they

don't know because his prose is so intensely alive **Happy Is the One** Katie Allen, 2025-05-22 Imagine you knew exactly when you were going to die Robin Edmund Blake is halfway through his life Born in 1986 when Halley's Comet crossed the sky he is destined to go out with it when it returns in 2061 Until that day he can't die He has proof With his future mapped out in minute detail a lucrative but increasingly dull job in the City of London and Gemma to share his life with Robin has a plan to be remembered forever But when Robin's sick father has one accident too many the plan starts to unravel Robin must return home to the tiny seaside town of Eastgate learn to care for the man who never really cared for him and face the childhood ghosts he fled decades ago Desperate to get his life back on schedule he connects with fellow outsider Astrid Brutally direct sharp witted and a professor at a nearby university she's unlike anyone he's ever met But Astrid is hiding something and someone from Robin and he's hiding even more from her A warmly funny poignant and exquisite novel about coming home and letting go Happy Is the One asks what is truly important in a chaotic unpredictable world

Transformation Mia Rabb, 2012-04-01 Robert Cass the law abiding navy lawyer and fighter pilot struggles with his new life in the underworld When he finds out that Anton Balistrano mob boss and billionaire tricked him into joining the mob Cass can only feel contempt for the man As his defiance and disobedience pushes Anton to the limits will he be able to survive the savagery unleashed by Anton Betrayal and tragedy strike both men will that common bond form an alliance between the two of them making the organization stronger or will it end up destroying both men Anton Balistrano a powerful man ruthless and cunning he stops at nothing to get what he wants as his fury proves to be relentless he kills anyone who stands in his way How far will Cass go to get out of the mob knowing the man who is now his boss deceived him and just how far will Anton go to keep Cass in the mob **Medicine Hair** Mark Wildyr, 2021-05-22 The August 1883 eruptions of Krakatoa took place half a world away from North America's Dakota Territory Yet John Strobaw's explanation to his Lakota kinsmen of the atmospheric anomalies caused by those cataclysmic explosions secured his reputation as a shaman That plus his strange black scalp dotted with strands of his mother's yellow hair earned him the name Medicine Hair The Cut Hand saga continues as John and his mate Matthew Brandt struggle to bridge two worlds Matthew a full blood known as Shambling Bear lives deeper inside his Native American culture than his lover But John's growing reputation as a medicine man and the historic events of the time draw Cut Hand's grandson away from the white man's world onto the plains occupied by the Sioux Nations Can John and his mate find a way to live together in two worlds Africa Presents The Congo RDC And A Mysterious Boy Called Timo Mikwaya well known as Kamina Bepona Collection, 2012-08-03 How a modest man suffers to establish a close relationship or to marry a lady who comes from an ancient royal background in the Congolese society which is composed of the Bantu peoples and the Pygmies Also having a physical limitation or infirmity can sometimes open ways that no one could dream about His Other Mother Suzette Vann, 1993-10 **The Sensational Leader** Duane Cummings, 2019-06-25 At some point in each of our lives we will most certainly find ourselves in a leadership position You may not be given a title but
