Lots of Feelings ,2011 A Pocketful of Feelings Susie Barbaran,2016-08-15 The purpose of this book is to allow children to become familiar with and to hopefully use in their everyday language many adjectives that describe feelings Too many children when they see the face of a character in a book describe what that character may be feeling as good happy sad or mad I have taught Title 1 children from the first to the sixth grade for the past eleven years and these are my findings I also hope that parents and children alike after reading this book will come to realize that being annoyed can end happily that someone who is teasing someone else will realize that all people are important that its okay to be cranky once in a while and that your cranky face probably is not as pretty as your happy face This book *A Pocketful of Feelings* is a collection of six short stories featuring an adjective describing a feeling These are adjectives that are not as commonly used as they could be I hope you enjoy these stories as much as I do

A Theory of Feelings Agnes Heller,2009-01-01 *A Theory of Feelings* examines the problem of human feelings widely understood from phenomenological

analytic and historical perspectives It begins with an analysis of drives and affects and pursues the nature of feeling itself in all of its variability through a close study of the distinctive categories of emotions emotional dispositions orientive feelings and the passions As such the starting point of the analysis entails an examination of the characteristics of human involvement or our ways of being in the world Building upon this assessment of the conditions of human involvement the philosophical history and emotional economy characteristic of modern relationships is treated and the nature of expression social division suffering and responsibility is evaluated in light of the theory of feeling presented here Book jacket

Lots and Lots of Feelings Jennifer Moore-Mallinos,2018-03 A reassuring explanatory guide to emotions from joy and guilt to excitement and sadness for young children who may be struggling to deal with or process their feelings The brief conversational text and colourful illustrations will make the subject fun engaging and unintimidating Children and adults can read the large format book together and use it as the basis for conversations about feelings and personal issues Topics covered include joy anger jealousy laziness sadness grief anxiety shame embarrassment guilt impatience shyness love pride disappointment and mischievousness
