Wilson, 2009-01-21 Many Western visitors to Japan have been struck by the numerous cemeteries for aborted fetuses which are characterized by throngs of images of the Bodhisattva Jizo usually dressed in red baby aprons or other baby garments and each dedicated to an individual fetus Abortion is common in Japan and as a consequence one of the frequently performed rituals in Japanese Buddhism is mizuko kuyo a ceremony for aborted and miscarried fetuses Over the past forty years mizuko kuyo has gradually come to America where it has been appropriated by non Buddhists as well as Buddhist practitioners In this book Jeff Wilson examines how and why Americans of different backgrounds have brought knowledge and performance of this Japanese ceremony to the United States Drawing on his own extensive fieldwork in Japan and the U S as well as the literature in both Japanese and English Wilson shows that the meaning and purpose of the ritual have changed greatly in the American context In Japan mizuko kuyo is performed to placate the potentially dangerous spirit of the angry fetus In America however it has come to be seen as a way for the mother to mourn and receive solace for her loss Many American women who learn about mizuko kuyo are struck by the lack of such a ceremony and see it as filling a very important need Ceremonies are now performed even for losses that took place many years ago Wilson s well written study not only contributes to the growing literature on American Buddhism but sheds light on a range of significant issues in Buddhist studies interreligious contact women s studies and even bioethics **Understanding Reproductive Loss** Carol Komaromy, 2016-02-24 The study

of human reproduction has focused on reproductive success and on the struggle to achieve this rather than on the much more common experience of failure or reproductive loss Drawing on the latest research from The UK and Europe The United States Australia and Africa this volume examines the experience of reproductive loss in its widest sense to include termination of pregnancy miscarriage stillbirth perinatal and infant death as well as more broadly the loss of desired normative experiences such as that associated with infertility assisted reproduction and the medicalisation of high risk pregnancy and birth Exploring the commonalities as well as issues of difference and diversity Understanding Reproductive Loss presents international work from a variety of multi disciplinary perspectives and will appeal to sociologists

anthropologists and other social scientists with interests in medicine health the body death studies and gender

Motherhood Lost Linda L. Layne, 2014-02-04 Nearly 20% of all pregnancies in the U S end in miscarriage or stillbirth Yet pregnancy loss is seldom acknowledged and rarely discussed Opening the topic to a thoughtful and informed discussion Linda Layne takes a historical look at pregnancy loss in America reproductive technologies and the cultural responses surrounding miscarriage Examining both support groups and the rituals they create to help couples through loss her analysis offers valuable insight on how material culture contributes to conceptions of personhood A fascinating examination

Motherhood Lost is also a provocative challenge to feminists and other activists to increase awareness and provide necessary support for this often hidden but critically important topic **Women's Health Psychology** Mary V. Spiers, Pamela A.

Stevenson, 2018-12-20 Losses may provide a turning point where an individual faces personal and social choices Still one may derive significance through the experience of loss while another may encounter bereavement with less consequence

Complicated Grieving and Bereavement Understanding and Treating People Experiencing Loss examines complicated grief in special populations including the mentally ill POW MIA survivors the differentially abled suicide survivors bereaved children those experiencing death at birth death in schools and palliative care death *It Takes a Child to Raise a Parent* Janis Clark

Johnston, 2013-04-04 While advice abounds from a variety of sources before parents embark on their parenting journeys the only parent preparation we actually receive comes from our family and peer stories Yet most adults do not realize that in day to day challenges of guiding our children something interesting happens As we steer our children through life we reopen our own childhood roads Just when our child most needs us we become needy ourselves as adults and parents we find that we have unresolved raising issues basic needs that were not met in our childhoods Our needs and memories echo and influence many of the parenting decisions we make even though we re unaware of those influences at times Fortunately children help parents reach their needs as much as their parents help them fulfill their own Our child ends up guiding us by connecting us to some earlier time in our life when we encountered distress We dredge up a lesson and we adapt by adhering to or changing the story that we tell ourselves about who we are We re negotiate the five basic needs that surface from our

childhood memories as our youngsters pass through each of the developmental phases The self aware parent focuses on creative problem solving by focusing on one interaction at a time It Takes a Child to Raise a Parent offers an exploration of how our own childhood memories and needs influence and shape our parenting decisions in our adult lives Offering tips stories from a variety of families and step by step exercises Janis Johnston helps parents better understand and grasp the tools necessary to face parenting challenges head on and to explore new ways of understanding ourselves our children and our family interactions Expectant parents and current parents interested in understanding their own personality development as well as the many moods of childhood and their own children will find clear guidelines for understanding their roles in their children s lives as well as concrete suggestions for how to navigate the choppy waters of raising children

students **Marking Short Lives** Ewan R. Kelly, Ewan Kelly, 2007 This book explores theologically the practice of hospital chaplains seeking to meet the spiritual needs of parents bereaved by baby death in utero The lived experience of bereaved parents gathered through a series of in depth interviews informs such an exploration Parents describe the trauma of late miscarriage and stillbirth as still being shrouded by silence myth and misunderstanding in contemporary society Up to date theoretical understandings of grief are also re examined in light of parents stories of living with baby death This book offers suggestions as to how the actual spiritual needs of parents may be met and their grief sensitively facilitated through the sharing of rituals co constructed by parents and chaplain which seek to have theological integrity yet be relevant in our postmodern age In our prevalent culture of caring where increasingly ongoing professional and personal development are regarded as normative recommendations are made which may aid reflection on current or shape future practice for chaplains pastors students and various healthcare professionals **The HEALING CHOICE** Dana Dovitch, Candace De puy, 2013-06-11 Two psychotherapists present a supportive guide to coping with the emotional and psychological aftermath of abortion offering a step by step program that combines information reassurance and guidance to help women begin the process of recovery This is a book for any women who feels psychological pain from her abortion this is not a book about judgment politics or religion from the authors introduction Few women can walk away from the experience of abortion without some lingering emotional discomfort Unresolved feelings of guilt shame and sadness may not surface until months often years after an abortion We may lead outwardly normal lives but these emotions can continue to cast a shadow having a negative impact on personal relationships coloring our moral or religious beliefs even causing anxiety when we deal with a planned pregnancy These feelings if ignored can possibly manifest themselves in more troubling ways resulting in unstable relationships self destructive and addictive behaviors depression and low self esteem Now two experienced psychotherapists share their approach to dealing with sensitive and long overlooked issue of post abortion pain or trauma The Healing Choice breaks the silence surrounding a topic often clouded by debate and focuses exclusively on helping women chart a path toward emotional recovery Through a step by step process complete with self tests exercises and interviews with women who share their own post abortion experiences Dr Candace De Puy and Dr Dana Dovitch will help you come to terms with your post abortion emotions and offer support as you begin the process of healing Grieving Reproductive Loss Kathleen Gray, Anne Lassance, 2018-10-26 Grieving Reproductive Loss The Healing Process acknowledges the devastating impact these losses can have Written in plain language the book attempts to bring about a greater understanding of the grief associated with reproductive loss and through the Healing Process Model copyright offers a holistic approach for constructive healthy grieving and healing of body mind and spirit Chapters of the Heart Sue Levi Elwell, Nancy Fuchs Kreimer, 2013-11-01 Chapters of the Heart Jewish Women Sharing the Torah of Our Lives invites readers into the lives of twenty women for whom Jewish language and texts provide a lens for understanding their experiences The authors don t just use religious words texts

theologies or liturgies like a cookbook Instead they serve readers something closer to a real meal prepared with love and intention Each essay shares one piece of its writer s heart one chapter of experience as refracted through the author s particular Jewish optic The authors write about being daughters mothers sisters partners lovers and friends They share their experiences of parenting infertility and abortion One describes accompanying her young husband through his life threatening illness Another tells of her daughter s struggle with an eating disorder Still another reflects on long decline of a parent with Alzheimer s All these writers wrestle with Jewish texts while growing as rabbis as feminists and as interfaith leaders They open their hearts and minds telling when Jewish tradition has helped make meaning and on occasion when it has come up empty The results are sometimes inspiring sometimes provocative Readers will find new insights into God into Judaism and into themselves
