To Lhasa In Disguise William Montgomery McGovern, 2013-12-19. First published in 2004. A secret traveller to the Tibetan capital of Lhasa, the author of this unusual volume was forced to live, dress, and behave as a Tibetan in order to remain undetected. Because of his unique perspective, he is able to provide an excellent description of the diplomatic, political, military, and industrial situation of the country in the 1920s. His account of life in the Forbidden City of the Buddhas contains a wealth of compelling stories and fascinating information.

To Lhasa in Disguise William Montgomery McGovern, 1924. William Montgomery McGovern was an American adventurer, anthropologist, and journalist. He was possibly an inspiration for the character of Indiana Jones. McGovern claims he had to sneak into Tibet disguised as a local porter. As Time reported in 1938, "With a few Tibetan servants, he climbed through the wild, snowy passes of the Himalayas. There, in the bitter cold, he stood naked while a companion covered his body with brown stain; squirted lemon juice into his blue eyes to darken them. Thus disguised as a coolie, he arrived in the Forbidden City without being detected but disclosed himself to the civilian officials. A fanatical mob led by Buddhist monks stoned his house. Bill McGovern slipped out through a back door and joined the mob in throwing stones. The civil government took him into protective custody, finally sent him back to India with an escort." Wikipedia.

Falling Under Her Charm: A Fated Werewolf Mates Romance (Evil In Disguise Book 2 The End) Akshata Vaidya, 2022-12-30. Vera Caerulus is a very sick werewolf. When Vera turned eleven, her parents took her to the basement of their house and told her that they were giving her an early birthday present, but the present was painfully agonizing. They tied her down to a stone slab and left her there with her sister Ansley and some other people who were covered in white robes. When she came out of the room, her usual glow was gone. She looked nothing like the person she used to be. Neither did she feel like the same person, and to top it all, she couldn't shift. She was told she was too weak for that. After the first time she was subjected to the cruel things her sister did to her, her whole family relocated to a new pack. Reason: Their pack was destroyed. On her eleventh birthday, Vera lost everything. She lost her parents as they started to turn a blind eye to the pain that was caused to her. She lost her birth pack as it was destroyed, and also her happy life. How long could she hold on, or will she give in? Let's find out.
