Behold, I AM Joyce Lynn Wulf, 2023-11-13 It was a childlike question but the answer was as stunning as it was profound. If God is light, what do the primary colors of the rainbow's spectrum signify? The Gospel of John declares in eight mysterious signs that God is light and Jesus Christ in the flesh was God sent to bring the light of true life to us. These enigmatic signs of light, *semeion*, imply the eight signs' significance pointed to something other than what they appeared. The themes of John's eight signs match the themes of the Feasts given to ancient Israel at Mount Sinai and a sequence of YHWH's covenant names. Behold, I AM is a rich in-depth study into God's Holyday appointed times. His eight Festivals of Light: what they meant then, what they mean today, and how they are fulfilling prophecy.

The Earth Will Be Filled Donnie Berry, 2025-12-02 Discover the Beauty, Depth, and Awe Inspiring Magnitude of God's Glory. The glory of God is a central theme that runs throughout Scripture. But what is God's glory? And what does it mean to glorify God? These are perhaps the most important questions we could ever ask. To answer them, it is crucial to see how God's glory is at the heart of the gospel and of the entire story of the Bible. According to biblical scholar Donnie Berry, glory refers to all the things the triune God is full of: his wisdom, love, creativity, beauty, strength, compassion, justice, life, joy, made manifest for us to see, to experience, to respond to, and perhaps most surprisingly, to participate in. From beginning to end, God's plan has always been to reveal his glory to his people and through his people so that his glory will fill the earth. This volume provides a rich study into the meaning of God's glory in the story of the Bible and what it means for your life today. *The Earth Will Be Filled* features an exploration of the biblical theme of glory, traces the theme of glory throughout Scripture, gaining insight on its significance for understanding God and the Bible, visual aids for clarity, use helpful figures to easily grasp the deep connection between the Bible and the theme of glory, accessible biblical theology, enjoy an engaging accessible resource perfect for pastors, students, or anyone interested in biblical theology. Through accessible insights and compelling visuals, *The Earth Will Be Filled* explores how the theme of glory can deepen your understanding of Scripture, offering you a meaningful way to reflect on God's majesty and presence. This book is an invitation to immerse yourself in the

awe of God's glory and respond to it with wonder worship and joy Step into the richness and wonder of God's glory with The Earth Will Be Filled and discover how glory permeates Scripture and invites us into a life transforming response About the Series Essential Studies in Biblical Theology ESBT edited by Benjamin L Gladd and L Michael Morales explore the central or essential themes of the Bible's grand storyline Taking cues from Genesis 1-3 authors trace the presence of these themes throughout the entire sweep of redemptive history Written for students church leaders and laypeople the ESBT offers an accessible yet rich introduction to biblical theology

The (In)Coherence of Divine Mercy Ian B. Turner, 2024-10-02 How do texts of Scripture make sense or hold together as a unity This question is especially germane to the Masoretic Text of Hosea which is often seen as an unintegrated composition by some or an artful literary whole by others Such judgments often come without clear definitions and criteria for incoherence This book brings descriptive clarity to this issue through a discourse analysis of cohesion and coherence in Hosea 12-14 based on Systemic Functional Linguistics This study showcases the theme of divine mercy in Hosea 12-14 and gives readers tools for discourse linguistic analysis of the Hebrew Bible

Majority World Theology Gene L. Green, Stephen T. Pardue, K. K. Yeo, 2020-12-01 More Christians live in the Majority World than in Europe and North America Yet most theological literature does not reflect the rising tide of Christian reflection coming from these regions Bringing together theological resources from past and present East and West this work engages conversations with leading global scholars on theology faith and mission for the enrichment of the entire church

The Story of Jesus Roy A. Harrisville, 2020-08-28 This book written for college and seminary age students is the distillation of reflection on the life and career of Jesus of Nazareth for over three decades Such reflection needs no legitimizing since preoccupation with Jesus of Nazareth continues in one form or another till the present day The arrangement of the pieces and fragments which make up the mosaic in part pursue the usual chronological order as appears in most editions of the Bible But the interpretation of

events within each sequence are this author's own. In discussion with early or contemporary scholars the text may reflect agreement or disagreement but assumes the right to and responsibility for a specific point of view. As indicated the book is a mosaic comprised of pieces and fragments. It in no way intends to match the often massive attempts at describing Jesus of Nazareth that have been published over the centuries. Like a mosaic it will show wear and tear but it will be sufficient to indicate to the reader precisely whose face appears amid all those fragments and pieces and enough to awaken reflection on his life and career.

The Balaam Text from Deir 'Alla Re-Evaluated Hoftijzer, Kooij, 2024-03-11. The Balaam text written in ink on wall plaster was discovered during archaeological excavations at Deir Alla in the Jordan Valley in 1967 and published in 1976 by Brill. Aramaic Texts from Deir Alla. The importance of this badly damaged inscription which is dated either ca 800 BC or the first half of the 8th century BC was clear from the beginning and many studies have been published about it since. It was the aim of the International Symposium in Leiden 1989 to evaluate these studies and to advance the understanding of the text by a meeting of scholars who had worked extensively with it. The Proceedings include all the lectures often reworked and annotated as well as the prepared responses to them, some short communications and an additional note based on the discussion of one topic. Six different aspects of study of the Balaam text are dealt with: the archaeological context, the palaeography, the general interpretation, the language interpretation, a number of details and its relation to Old Testament studies. In this way the book is not just an addition to the current discussions concerning the Balaam text but it also includes new data and new proposals and well as evaluations and attempts at scholarly agreements.

Intended to help preachers prepare sermons, the commentary series is essentially biblical and evangelical catholic. This 19th century commentary has served as a standard reference for more than a century. Many early reviewers regarded Schaff's edition with his additional material as superior to the original. It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers. It contains critical annotations of the text and its translation and a threefold commentary: exegetical, doctrinal and homiletical. Under these three heads the text is viewed from every aspect.
