Never a Dull Moment J. Duncan Gould, 2010-03-01 I kept steering harder to the right But the rudder couldn't overcome the force of the wind Thirteen tons of steel struck a gleaming SeaRay broadside Stainless steel tubing shattered like shrapnel The remains came back to earth in slow motion the clatter on the deck returning time to normal The boat slid off and back from her victim like a dismounting bull Damn it I'm sorry Why did you do that demanded the truncated owner Well I thought the question was quite likely rhetorical so we settled for a meeting on Monday There was not enough beer in the world to wash away the embarrassment By the time I had paid for the repairs to both yachts I was about 4000 poorer and I suppose that was what made me decide to buy the boat I already held equity Travel with Duncan Irene on an exciting three year loop of the Atlantic Ocean Experience storms and the drama of new landfalls This book will satisfy the experienced blue water cruiser and equally the armchair sailor Never a Dull Moment

Rothbard, 2016-08-09 *Never a Dull Moment* Keith Kendig, 2018 Hassler Whitney was a giant of twentieth century mathematics This biography paints a picture of him and includes dozens of revealing anecdotes Mathematically he had a rare detector that went off whenever he spotted a piece of mathematical gold and he would then draw countless pictures

gradually forging a path from hunch to proof **Never a Dull Moment!** Terry Collins, 2020-07-05 This beautifully written meticulously detailed highly engaging book is a rare treat It evokes a vanished world of railways that achieved extraordinary things logistically while using what is by modern standards distinctly old fashioned technology Lifelong railwayman Terry Collins takes the reader on a journey into the heart of what working on the railways between 1962 and 1996 was like from the days of steam to the dawn of the modern railway age The book is also a real eye opener about many of the behind the scenes incidents the public never hears about *Never a Dull Moment* is an absolutely unforgettable book As Terry himself says I really enjoyed working on the railways We had our tragedies sadly but we also dealt with many other challenging incidents

including some bizarre ones and when we won against the odds and got the trains and people moving again it was a great feeling I say e wee because this book is also very much about the many people in the signal boxes Traffic Control stations yards and on the track that I worked with some of them e larger than life characters but almost without exception determined to win And we did There's Never a Dull Moment Pat Coppard,2013 Following on from In Spite of Everything Book 2 of the Trilogy takes you through this part of Pat Coppard s life detailing his army experiences leading to his entry into one of the world s toughest and most charismatic infantry units This was followed by years of violence and crime amongst the South East London gangster fraternity only to be rescued from this downhill spiral by a young beautiful and highly intelligent girl Read as our Author channels his energies into creating a legitimate career whilst at the same time helping to improve the lives of his wider family Corporate rules are bent double in order to achieve his goal sometimes in an amusing way Pat Coppard Pat C what they said about In Spite Of Everything Coppard s references to the the tragedies experienced during his early years are powerful and touching Clarion As an oral record of mean street dialogue the memoir shines Kirkus This jaunty vivid tale comes alive because Coppard injects it with animated dialogue Blue Ink Should you have any diffi culty understanding any of the Cockney phrases an index has been supplied can be found at the back of the book
