

PAKISTAN: Philosophy *and* Sociology

M. T. Stepanyants

A number of books and articles have appeared in Pakistan and other countries on the historical development of the postwar new formation of the Pakistan State as well as political, social and economic development in the country since 1947. But little has been published on philosophy covering the Pakistan scene thus far.

Two centuries of foreign domination, colonialism and imperialism gave to Pakistan a philosophical and scientific, the most fertile of cultural treasures in the country. The new and ancient deal with the concepts of Islamic democracy and justice.

The book is a translation of the 1967 Russian edition.
