2012, the Bible, and the End of the World Mark Hitchcock, 2009-09-15 In 2012 the Bible and the End of the World bestselling prophecy expert Mark Hitchcock explores a fascinating last days controversy that is gaining the attention of millions all over the globe What should Christians make of the rapidly spreading speculations that the world will end on December 21 2012 The ancient Mayans were expert astronomers and their advanced calendar cycles predict 12 21 2012 as a catastrophic day of apocalypse This prophecy has spawned a growing number of fringe element books Web sites and even a major movie complete with all star cast scheduled to release in July 2009 Missing in the furor is a biblical perspective Bible teacher Mark Hitchcock whose books have sold more than 300 000 copies examines the following questions Why December 21 2012 Can we trust the Mayan alarm clock Does the Bible say anything about 2012 What signs will tell us that Armageddon is near This book provides a fascinating survey of both the historical past and the prophetic future Readers will discover how to effectively counter baseless speculation with biblical fact

Honest to God, Honest to Man Vladimir Svistelnik, 2012-01-01 Modern prophets and even scientists believe that devastating earthquakes and tsunamis that have killed many people on Haiti in Chili and in Japan lately were the heralds of more scaled natural cataclysms that according to Mayan calendar may destroy the life on Earth in December 2012 Many people try to find salvation in religion However sensational discoveries made by the author reveal the fact that trying to hide the truth about Jesus Church founders made so many theological mistakes that made salvation impossible Honest to God Honest to Man is the author's desperate attempt to tell the truth about why did it happen and why religious teachings became the source of religious intolerance and terrorism

Prophecy in the New Millennium Suzanne Newcombe, Sarah Harvey, 2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived

within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life [Osiris Isis and Planet X](#) Rob Solarion,2006-04-21 **Nibiru, Planet X** Travis Goodsell,2016-11-27 What is Planet X and what will happen to Earth when it passes by [Will Planet X Signal the Rapture?](#) David Meade,2016-01-13 My inspiration for this book was a vision that I m aware of where it was revealed that in October of 2017 I know the day but I d rather not mention it at this point but it is in October and in the very latter part that Russia China and North Korea would use a combination of drone submarines and unmarked container ships to engage in a nuclear attack on the US coast The attack will occur between midnight and dawn and they will attack both Britain and the U S simultaneously God told him that as soon as the missiles appeared on the horizon the rapture of the church would occur The Russians are planning this at a compartmentalized high and secret level and the reason for the date they have chosen is that it commemorates the 100th anniversary of the Russian Revolution Afterwards with Israel s protectors neutralized they will invade the Middle East as Israel has a warm water port and the largest oil and gas fields on the planet now known as the Leviathan gas fields The book chapter by chapter goes into the Biblical basis for this event and its precise timing It explains what will happen afterwards It most of all explains how an astronomical object called by some Nibiru and also known as Planet X will create the very environment from which such events occur
