Hiebert,2009-05-05 Teaching students specific literacy skills is important but equally critical and often overlooked is giving them the time and opportunity to read actual texts Bringing together leading scholars this book focuses on how teachers can improve both the quality and quantity of reading experiences in K 12 classrooms Essential topics include factors that make reading tasks more or less productive for different types of learners ways to balance independent reading with whole class and small group instruction how to choose appropriate texts and the connections between reading engagement and proficiency The relevant research literature is reviewed and exemplary practices and programs are described **The Encyclopedia of Popular Music: Selected Albums. Bibliographies** Colin Larkin,2006 Containing 27 000 entries and over 6 000 new entries the online edition of the Encyclopedia of Popular Music includes 50% more material than the Third Edition Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day including jazz country folk rap reggae techno musicals and world music the Encyclopedia also offers thousands of additional entries covering popular music genres trends styles record labels venues and music festivals Key dates biographies and further reading are provided for artists covered along with complete discographies that include record labels release dates and a 5 star album rating system *Word* Mykel Mitchell,2005-02-01 Growing up Mykel Mitchell found more truth in the words of Run DMC than any preacher s sermon He saw more prosperity in the lives of local drug dealers than in the lives of neighborhood saints It was only natural that he would gravitate toward hustling Years later when the life left him empty and he had nothing to lose he gave Jesus Christ a chance and he has never looked back In *Word* Mykel takes us on the personal moving and at times humorous journey that helped him reconcile his faith in Christ not only with his intellect and instincts but with his passion for all things hip hop In this refreshingly candid take on Church doctrine he addresses questions like Why does God need my money and What s the big deal with sex anyway and explains how he came to rock baggy jeans and sports jerseys right along with his platinum cross and tattered bible without shame or apologies
