Leslie Brooke,2015-04-15 This beautiful collectible unites two enduringly popular titles by L Leslie Brooke a distinguished author illustrator of a century ago The Golden Goose Book featuring The Three Little Pigs Tom Thumb and The Three Bears and Ring O Roses which includes scores of beloved nursery rhymes Completely reset and designed this wondrous work is filled with more than 60 lovely full color plates as well as 128 black and white illustrations The most delightful books in which fun and beauty walk hand in hand The Junior Bookshelf *The Meme as the Message* Joanna Nowotny, Julian Reidy,2025-10-31 This book sheds light on the phenomenon of memes covering everything from pandemic humour to far right propaganda from feminist memes to algorithmic censorship Memes are far more than light entertainment they are complex cultural artefacts that play a role in politics in art and in platform economics Taking a cultural studies perspective the authors analyse individual memes in entertaining case studies systematising their findings in order to redefine this digital form of communication Chapters connect memes with other digital phenomena such as trolling and combine extensive close readings of exemplary individual memes with regards to form and aesthetics with an acute awareness of power dynamics and other context phenomena surrounding memes The book develops an innovative theoretical approach that presents the term memesis to capture the very specific quality of meme production and reception as a form of collective creative rewriting of a template in accordance with algorithmic logic Offering an important contribution not only to the still young field of meme studies but also to the general negotiations of questions around digital literacy this book will interest not only scholars and students of digital media visual communication cultural studies and media and politics but anyone with a keen interest in digital culture and how it shapes our lives **Ring O' Roses** Debbie Barry,2017-06-30 This delightful little book is a recreation of a book of children s nursery rhymes that was published in London in the late 19th Century by an anonymous compiler Filled with digital scans of original artwork by L Leslie Brooke this volume contains wonderfully familiar traditional nursery rhymes that capture slivers of history culture and life from the 17th 18th and 19th Centuries Parents and children will love sharing these words and pictures Reading nursery rhymes helps children develop language skills and good pronunciation while they are introduced to the pleasures of literature Reading together will help parents and children develop deep bonds and memories that they can pass on to future generations The editor Debbie Barry collects and writes about nursery rhymes since becoming legally blind made her unable to continue a career teaching English composition and English as a second language She is passionate about keeping the literature of nursery rhymes alive and vibrant in the 21st Century Recreating books of nursery rhymes that are long out of print and in the public domain helps her continue helping

students and their families experience a love of literature and the English language *Nursery Rhymes for Adult Spiritual Enrichment* Roman New, 2016-04-25 Worldwide rhymes have been recited to children for generations These rhymes are familiar to the masses but behind the lyrical prose was information and insight into the world those children and their parents were living in Nursery Rhymes for Adult Spiritual Enrichment is a collection of 39 notable rhymes that are aimed at connecting adult readers to history most notably the years leading up to the signing of the Declaration of Independence and its impact on Great Britain then and shortly thereafter While many can recite these rhymes verbatim few if any have learned the secrets behind the words They are more than fun lyrics and memorable tunes they are rich in history and rooted in the realities of what life was like at that time Not only will you gain insight into the world so long ago but you will come to understand the spiritual connection between the rhymes and the undeniable perseverance of a people besieged by tragedy yet deeply rooted in their faith and in their quest to hold on to joy in a world that offered few opportunities to experience it
