Secrets Of The Still

Leila Silvana May

Secrets Of The Still:

Secrets Sissela Bok, 1989-12-17 The author of *Lying* shows how the ethical issues raised by secrets and secrecy in our careers or private lives take us to the heart of the critical questions of private and public morality *Secrets, Gossip, and Gods* Paul Christopher Johnson, 2002-08-15 In this wide ranging book Paul Christopher Johnson explores the changing hidden face of the Afro Brazilian indigenous religion of Candomblé. Despite its importance in Brazilian society Candomblé has received far less attention than its sister religions Vodou and Santería. Johnson seeks to fill this void by offering a comprehensive look at the development, beliefs and practices of Candomblé and exploring its transformation from a secret society of slaves, hidden, persecuted and marginalized to a public religion that is very much a part of Brazilian culture. Johnson traces this historical shift and locates the turning point in the creation of Brazilian national identity and a public sphere in the first half of the twentieth century. His major focus is on the ritual practice of secrecy in Candomblé. Like Vodou and Santería and the African Yoruba religion from which they are descended, Candomblé features a hierarchic series of initiations with increasing access to secret knowledge at each level. As Johnson shows, the nature and uses of secrecy evolved with the religion. First, secrecy was essential to a society that had to remain hidden from authorities. Later, when Candomblé became known and actively persecuted, its secrecy became a form of resistance as well as an exotic, hidden power desired by elites. Finally, as Candomblé became a public religion and a vital part of Brazilian culture, the debate increasingly turned away from the secrets themselves and toward their possessors. It is speech about secrets and not the content of those secrets that is now most important in building status, legitimacy and power in Candomblé. Offering many first hand accounts of the rites and rituals of contemporary Candomblé, this book provides insight into this influential but little studied group while at the same time making a valuable contribution to our understanding of the relationship between religion and society.

Secrets and Wives Sanjiv Bhattacharya, 2013-07-01 What do we really know about modern practicing polygamists, not fictional ones like the Henrickson family on HBO's *Big Love*? We've seen the Fundamentalist Church of Jesus Christ of Latter Day Saints in the news: the underage brides in pioneer dresses on a Texas ranch. But the FLDS is just one of many groups that have broken with mainstream Mormonism to follow those parts of Joseph Smith's doctrine disavowed by the LDS Church. Gaining unprecedented access to these communities, journalist Sanjiv Bhattacharya reveals a shadow country teeming with small town messiahs, dark secrets and stories both heartbreaking and strange. Polygamy's dark side: incest, forced marriages and physical abuse is laid bare. But Bhattacharya also finds warmth in the fundamentalist diaspora and even finds himself taking an ideological stand for polygamy's legalization. More than just an expose of Mormon polygamy, *Secrets and Wives* is the personal journey of a foreign atheist and liberal, a stranger in a strange land who grapples with hard questions about marriage, monogamy and the very nature of faith.

Secrets of Their Past Allie Pleiter, 2022-02-22 Facing the past could change his future. Veterinarian Neal Rodgers is in Wander Canyon seeking the truth about his past, not to rescue a litter of

kittens under his next door neighbor's porch But persistent single mom Tessa Kennedy is impossible to ignore especially when she uncovers a family secret of her own Discovering the hidden facts of their histories could be the key to unlocking everything in this small town From Love Inspired Uplifting stories of faith forgiveness and hope Wander Canyon Book 1 Their Wander Canyon Wish Book 2 Winning Back Her Heart Book 3 His Christmas Wish Book 4 A Mother's Strength Book 5 Secrets of their Past *Dangerous Secrets. A novel* ,1815 **House of Christmas Secrets** Lynda Stacey,2017-12-05 A mystery adds to the chill of the holidays as an enigmatic family gathers to celebrate the season and discovers that no secrets can be hidden forever Last year's Christmas at Wrea Head Hall didn't quite go as planned So Jess Croft is determined this festive season will be one to remember And she has plenty of reasons to be hopeful She's going to marry the man of her dreams Jack Stone just a week after New Year's Eve However as family confidences are revealed in hidden letters and two unexpected guests turn up on the doorstep Jess is left not only wondering what happened to her Christmas dreams but whether her life will ever be the same again Can Jess and Jack still have the peaceful holiday season they imagined or are there some problems that even Christmas can't fix Secrets and Knowledge in Medicine and Science, 1500-1800 Alisha Rankin,2016-04-01 Secrets played a central role in transformations in medical and scientific knowledge in early modern Europe As a new fascination with novelty began to take hold from the late fifteenth century Europeans thirsted for previously unknown details about the natural world new plants animals and other objects from nature new recipes for medical and alchemical procedures new knowledge about the human body and new facts about the way nature worked These secrets became popular items of commerce and trade as the quest for new and exclusive bits of information met the vibrant early modern marketplace Whether disclosed widely in print or kept more circumspect in manuscripts secrets helped drive an expanding interest in acquiring knowledge throughout early modern Europe Bringing together international scholars this volume provides a pan European and interdisciplinary overview on the topic Each essay offers significant new interpretations of the role played by secrets in their area of specialization Chapters address key themes in early modern history and the history of medicine science and technology including the possession circulation and exchange of secret knowledge across Europe alchemical secrets and laboratory processes patronage and the upper class market for secrets medical secrets and the emerging market for proprietary medicines secrets and cosmetics secrets and the body and finally gender and secrets

Secret Societies Michael Howard,2007-12-05 An overview of how esoteric brotherhoods have shaped history Examines the secret chronology and clandestine causes of seminal world events Shows how secret societies feed into one another and how they have worked together For thousands of years secret societies guardians of ancient esoteric wisdom have exercised a strong and often crucial influence on the destiny of nations Though largely ignored by orthodox historians the Freemasons Knights Templar and Rosicrucians affected the course of the French and American Revolutions as well as the overthrow of the medieval feudal order Inevitably the true ideals and esoteric practices of these societies have at times been perverted by

self serving individuals The Nazis and the Bolsheviks British security forces the founding fathers of America and the Vatican have all justified their actions for good or for ill by claiming the mystic ideals of secret societies Michael Howard explores these connections tracing their effects in politics and statecraft from the time of ancient Egypt up to the present He sheds light on the influence of secret societies on governments and in the lives of many well known figures including Frederick the Great John Dee Francis Bacon Benjamin Franklin Comte de Cagliostro Helena Blavatsky Rasputin and Woodrow Wilson He contends that the recent formation of the European Union was directed by an umbrella group of secret societies and reveals that though secret societies have been persecuted throughout history they have survived and continue to operate powerfully in world affairs today **U.S. Government Information Policies and Practices--the Pentagon Papers** United States.

Congress. House. Committee on Government Operations. Foreign Operations and Government Information

Subcommittee,1971

Parliament's Secret War Veronika Fikfak, Hayley J Hooper, 2018-02-22 The invasion of Iraq in 2003 and the Coalition Government's failure to win parliamentary approval for armed intervention in Syria in 2013 mark a period of increased scrutiny of the process by which the UK engages in armed conflict For much of the media and civil society there now exists a constitutional convention which mandates that the Government consults Parliament before commencing hostilities This is celebrated as representing a redistribution of power from the executive towards a more legitimate democratic institution This book offers a critical inquiry into Parliament's role in the war prerogative since the beginning of the twentieth century evaluating whether the UK's decisions to engage in conflict meet the recognised standards of good governance accountability transparency and participation The analysis reveals a number of persistent problems in the decision making process including Parliament's lack of access to relevant information government legalisation of parliamentary debates which frustrates broader discussions of political legitimacy and the skewing of debates via the partial public disclosure of information based upon secret intelligence The book offers solutions to these problems to reinvigorate parliamentary discourse and to address government withholding of classified information It is essential reading for anyone interested in war powers the relationship between international law and domestic politics and the role of the Westminster Parliament in questions of national security *Practical Social Work Ethics* Malcolm Carey, Lorraine Green, 2013 This is the first text of its kind to deal exclusively with applied social work ethics It focuses on an eclectic mix of difficult moral questions or issues encountered in much modern day practice It is therefore not theoretically driven with some practical elements attached but is instead is a practice based book where any theory introduced is linked to tangible practice situations It is also thought provoking controversial in parts and always engaging With a focussed and clear writing style this book will be of interest to all social work students and practitioners interested in the practical yet complex moral ramifications of their applied role **The Secret Shadow** Bethany Atazadeh, 2023-06-20 When another shape shifter breaks into the castle and threatens the royal family the search for the intruder begins and Jezebel fears they'll catch her instead The castle is locked

down until the danger is eliminated Everyone is suspect Still learning the ropes of the secretive Jinni court the life she s worked so hard for is in jeopardy With the Jinni Guard on the hunt for this formidable shifter it s only a matter of time Once they discover Jezebel s shape shifting Gift her future with Prince Shem and all her carefully formed plans are over Jezebel must persuade the prince to buy her time so she can track down this unknown shape shifter before the Guard If she fails she ll have no choice but to flee before the Guard discovers her hidden abilities and severs them immediately a fate worse than death The Secret Shadow is the second book in The Queen s Rise series inspired by your favorite villains in Snow White Sleeping Beauty and Beauty and the Beast Over a century before Queen Jezebel crosses paths with Arie Rena and Nesrin she s just an innocent Jinni girl who was betrayed Reading order for THE QUEEN S RISE series Book 1 The Secret Gift Book 2 The Secret Shadow Book 3 The Secret Curse Reading order for THE STOLEN KINGDOM companion series Book 1 The Stolen Kingdom Book 2 The Jinni Key Book 3 The Cursed Hunter Book 4 The Enchanted Crown

Man and Wife; Or, More Secrets Than One Samuel James Arnold,1809 *The Whole Works of the Most Reverend Father in God, Robert Leighton* Robert Leighton (Abp. of Glasgow),John Norman Pearson,1825 *The Whole Works of the Most Reverend Father in God, Robert Leighton, D.D., Archbishop of Glasgow* Robert Leighton,1830 *The Whole Works of Robert Leighton, Archbishop of Glasgow* Robert Leighton,John Norman Pearson,1825

The ^AOxford Handbook of Philosophy of Technology Shannon Vallor,2022-02-01 The Oxford Handbook of Philosophy of Technology gives readers a view into this increasingly vital and urgently needed domain of philosophical understanding offering an in depth collection of leading and emerging voices in the philosophy of technology The thirty two contributions in this volume cut across and connect diverse philosophical traditions methodologies and subfields providing the reader with provocative and original insights on the history concepts problems and challenges that mark humanity s attempts to attain deeper and more lasting wisdom about our complex and evolving relationship to technology

Trade Secrets Legal Protection Luc Desautnettes-Barbero,2023-06-10 Despite the economic relevance of trade secrets their legal protection is not based on a robust theoretical corpus and a large uncertainty remains regarding how they should be legally apprehended The present book investigates the foundations of their legal protection by assessing its justifications and aims to define how this legal apprehension should be organized The book starts with a comparative analysis of the US and the EU legal frameworks It demonstrates the parentship existing between the two systems of protection and highlights that the incremental structuring of trade secrets protection has led to legal systems lacking broad based conceptual foundations In both legal orders trade secrets rely on blurred protection formally anchored in unfair competition the strength of which however comes closer to that offered by intellectual property law In this convoluted architecture the judiciary is required to play a decisive role especially at the enforcement stage However the absence of clarity concerning the telos of trade secrets protection leads to legal uncertainty potentially incoherent enforcement and all in all to inefficient outcomes from a welfare perspective The book then explores a theoretical

framework based on a distinction between two legal objects the undertakings secret sphere and secret pieces of information Securing the undertakings secret sphere appears as a condition for the competition process to happen in an economy working under structural uncertainty It requires objective regulations enforced by public authorities On the other hand the legal apprehension of secret pieces of information should be considered as falling within the realm of immaterial goods regulation aiming to solve the deficit of marketability of this type of good This might call after conducting a careful policy trade off for the establishment of relative i e inter partes subjective rights

The Secret of Mental Magic William Walker Atkinson, 1907

Secrecy and Disclosure in Victorian Fiction Leila Silvana May, 2016-07-15

Why were the Victorians more fascinated with secrecy than people of other periods What is the function of secrets in Victorian fiction and in the society depicted how does it differ from that of other periods and how did readers of Victorian fiction respond to the secrecy they encountered These are some of the questions Leila May poses in her study of the dynamics of secrecy and disclosure in fiction from Queen Victoria's coronation to the century's end May argues that the works of writers such as Charlotte Brontë William Makepeace Thackeray Mary Elizabeth Braddon Edward Bulwer Lytton and Arthur Conan Doyle reflect a distinctly Victorian obsession with the veiling and unveiling of information She argues that there are two opposing vectors in Victorian culture concerning secrecy and subjectivity one presupposing a form of radical Cartesian selfhood always remaining a secret to other selves and another showing that nothing can be hidden from the trained eye May calls the relation between these clashing tendencies the dialectics of secrecy and disclosure May's theories of secrecy and disclosure are informed by the work of twentieth century social scientists She emphasizes Georg Simmel's thesis that sociality and subjectivity are impossible without secrecy and Erving Goffman's claim that sociality can be understood in terms of performativity the presentation of the self in everyday life and his revelation that performance always involves disguise hence secrecy May's study offers convincing evidence that secrecy and duplicity in contrast to the Victorian period's emphasis on honesty and earnestness emerged in response to the social pressures of class gender monarchy and empire and were key factors in producing both the subjectivity and the sociality that we now recognize as Victorian

This is likewise one of the factors by obtaining the soft documents of this **Secrets Of The Still** by online. You might not require more period to spend to go to the books launch as competently as search for them. In some cases, you likewise complete not discover the proclamation Secrets Of The Still that you are looking for. It will certainly squander the time.

However below, once you visit this web page, it will be correspondingly entirely simple to get as capably as download lead Secrets Of The Still
