Sectarian Law In The Dead Sea Scrolls Courts Testimony And The Penal Code:

Sectarian Law in the Dead Sea Scrolls Lawrence H. Schiffman, 1983 **Otherworldly and Eschatological Priesthood in the Dead Sea Scrolls** Joseph L. Angel, 2010 Departing from scholarship dedicated to the socio historical realities of priesthood at Qumran this book explores images of otherworldly and messianic eschatological priesthood in the Dead Sea Scrolls as a reflection of the religious worldview of the Qumran community and related groups **Emerging Sectarianism in the Dead Sea Scrolls**, 2022-07-18 These essays reflect the lively debate about the sectarian movement of the Scrolls They debate the degree to which the movement was separated from the rest of Judaism and whether there was one or several watershed moments in the separation Notable contributions include a cluster of essays on the Teacher of Righteousness and a thorough survey of the archaeology of Qumran The texts are problematic in historical research because they rely on biblical stereotypes Nonetheless possible interpretations can be compared and degrees of probability debated The debate is significant not only for the sect but for the nature of ancient Judaism *A Guide to the Dead Sea Scrolls and Related Literature* Joseph A. Fitzmyer, 2008-09-15 The Dead Sea Scrolls are found in many varied publications often ordered only by publication date rather than a more easily navigable system making specific texts difficult to find Joseph Fitzmyer's guide offers a practical remedy to this dilemma *A Guide to the Dead Sea Scrolls and Related Literature* starts by explaining the conventional system of abbreviations for the Scrolls Then it helpfully lists specifically where readers can find each of the Scrolls and fragmentary texts from the eleven caves of Qumran and all the related sites using the officially assigned numbers of the text Fitzmyer supplies information on study tools helpful for scholars concordances dictionaries translations outlines of longer texts and more and briefly indicates electronic resources for the study of the Dead Sea Scrolls **Explaining Christian Origins and Early Judaism** Petri Luomanen, Ilkka Pyysiäinen, Risto Uro, 2007-11-30 Cognitive science of religion is a radically new paradigm in the study of religion Apart from psychology and anthropology of religion also historians of religion have shown increasing interest in this approach This volume is groundbreaking in combining cognitive analysis with historical and social scientific approaches to biblical materials *Christian origins and early Judaism* The book is in four parts an introduction to cognitive and social scientific approaches applications of cognitive science applications of conceptual blending theory and applications of socio cognitive analyses The book will be of interest for historians of religion biblical scholars and those working in the cognitive science of religion *Tolerance and Intolerance in Early Judaism and Christianity* Graham Stanton, Guy G. Stroumsa, 1998-05-28 The essays in this book consider issues of tolerance and intolerance faced by Jews and Christians between approximately 200 BCE and 200 CE Several chapters are concerned with many different aspects of early Jewish Christian relationships Five scholars however take a difference tack and discuss how Jews and Christians defined themselves against the pagan world As minority groups both Jews and Christians had to work out ways of co existing with their Graeco Roman neighbours Relationships with those neighbours were often strained but even

within both Jewish and Christian circles issues of tolerance and intolerance surfaced regularly So it is appropriate that some other contributors should consider inner Jewish relationships and that some should be concerned with Christian sects

Sectarianism in Early Judaism David J. Chalcraft,2014-12-05 Sectarianism in Early Judaism applies recent developments in sociological analysis to sect formation and development in early Judaism The essays examine sectarianism in a wide range of different forms the many layers of redaction in religious texts the development arcs of sectarian groups the role of sectarianism across Jewish history as well as in the time of the Second Temple and the relations within and between sects and between sects and wider society The book aims to establish a conceptual framework for the analysis of sects and in doing so makes particular use of the work of Max Weber and Bryan Wilson exploring the limits of their typologies and sociological theories

Divine Mysteries in the Enochic Tradition Andrei A. Orlov,2023-07-24 The book represents an in depth investigation of acquisition cultivation and transmission of divine mysteries in Jewish apocalyptic and mystical accounts by focusing on the developments found in early Enochic writings These accounts deal both with revelations unveiled by God and angels to the patriarch Enoch and with illicit transmission of divine knowledge by the rogue group of the fallen angels known as the Watchers Orlov argues that the map of otherworldly knowledge revealed to Enoch inversely mirrors the map of illicit revelations given by the fallen Watchers to humankind The study suggests that one of the possible objectives for the parallelism is that by revealing to Enoch the same divine mysteries that were earlier transmitted by the Watchers God attempts to mitigate the corruption caused by the fallen angels illicit instructions This book will be of interest not only for scholars specializing in historical and religious areas but also for experts in the fields of anthropology philosophy sociology psychology and gender theory it discusses several aspects of early and late Jewish religious epistemologies that elucidate the ideological context for the construction and affirmation of social roles and identities in various Jewish milieus **4QMMT**

Hanne Von Weissenberg,2009 This book focuses on the third section of one of the most important documents from the Qumran library the epilogue of 4QMMT It re evaluates the textual basis for this section and analyses how the epilogue functions as a part of the larger document In addition to addressing the structure and genre of 4QMMT this volume analyzes the use of Scripture in the epilogue in order to illuminate the theological agenda of the document s author redactor Although this book a TM s primary focus is on the epilogue the results of this investigation shed light on 4QMMT as a whole **The**

Serekh Texts Sarianna Metso,2007-05-03 The Serekh Texts discusses the central rule documents produced by a pious Jewish community of the Essenes that lived at Qumran by the Dead Sea at the turn of the era The texts describe the life of a highly ascetic group that had rejected the hellenistic Jewish culture and had withdrawn into the desert to live a life of perfect obedience to the Torah Sarianna Metso introduces the twelve manuscripts of the Community Rule found in Qumran Caves 1 4 and 5 in terms of their content textual history literary function and significance for the study of ancient Judaism and early Christianity The writings of the community open a fascinating window onto the religious life in Palestine at the time of the

emergence of early Christianity and rabbinic Judaism There are few other contemporary Jewish sources in which the life and religious practices of a Jewish group are so vividly and authentically illustrated The Serekh Texts provides an accessible summary of current scholarly discussion on the central topics related to the Community Rule such as the community's identity and history and offers comprehensive bibliographies for further study The Serekh Texts discusses the central rule documents produced by a pious Jewish community of the Essenes that lived at Qumran by the Dead Sea at the turn of the era The texts describe the life of a highly ascetic group that had rejected the hellenistic Jewish culture and had withdrawn into the desert to live a life of perfect obedience to the Torah Sarianna Metso introduces the twelve manuscripts of the Community Rule found in Qumran Caves 1 4 and 5 in terms of their content textual history literary function and significance for the study of ancient Judaism and early Christianity The writings of the community open a fascinating window onto the religious life in Palestine at the time of the emergence of early Christianity and rabbinic Judaism There are few other contemporary Jewish sources in which the life and religious practices of a Jewish group are so vividly and authentically illustrated The Serekh Texts provides an accessible summary of current scholarly discussion on the central topics related to the Community Rule such as the community's identity and history and offers comprehensive bibliographies for further study The Serekh Texts discusses the central rule documents produced by a pious Jewish community of the Essenes that lived at Qumran by the Dead Sea at the turn of the era The texts describe the life of a highly ascetic group that had rejected the hellenistic Jewish culture and had withdrawn into the desert to live a life of perfect obedience to the Torah Sarianna Metso introduces the twelve manuscripts of the Community Rule found in Qumran Caves 1 4 and 5 in terms of their content textual history literary function and significance for the study of ancient Judaism and early Christianity The writings of the community open a fascinating window onto the religious life in Palestine at the time of the emergence of early Christianity and rabbinic Judaism There are few other contemporary Jewish sources in which the life and religious practices of a Jewish group are so vividly and authentically illustrated The Serekh Texts provides an accessible summary of current scholarly discussion on the central topics related to the Community Rule such as the community's identity and history and offers comprehensive bibliographies for further study

Qumran Studies Michael Thomas Davis, Brent A. Strawn, 2007-08-28 In *Qumran Studies* the texts considered are old but the questions are new standard positions are revisited and issues are reopened with fresh results The Dead Sea Scrolls have undeniably revolutionized scholarly understanding on a number of fronts This revolution has been ongoing for over fifty years and shows no signs of letting up especially as full publication of the Scrolls is now complete With that publication the important work of interpretation and analysis can continue with a rethinking of earlier analyses in light of the full evidence This volume makes a signal scholarly contribution toward that end Contributors Shane A Berg Carsten Claussen Michael A Daise Michael Thomas Davis C D Elledge Loren L Johns John B Faulkenberry Miller Lidija Novakovic Henry W Morisada Rietz Brent A Strawn Loren T Stuckenbruck Traditions at Odds

John H. Choi, 2010-09-02 Explores the Pentateuch's literary influence on other biblical texts Households, Sects, and the Origins of Rabbinic Judaism Alexei Sivertsev, 2022-01-04 This book suggests a new approach to the social history of Jewish religious movements in the Second Temple and early Rabbinic periods. It argues that most of these movements and their traditions emerged within the context of complex interaction between traditional families and disciple circles. The first part of the book examines the development of Jewish religious movements during the Second Temple period. It culminates with the discussion of the Dead Sea Sect which is analyzed as the first unambiguous example of a movement shifting from a social structure based on families to a social structure based on disciple circles. The second part of the book discusses the history of pharisaic and early rabbinic movements from a similar perspective. Topics covered in the book will be of interest to scholars of Judaism and Early Christianity **Isaiah's Christ in Matthew's Gospel** Richard Beaton, 2002-11-14 Matthew's Jesus is typically described as the humble compassionate messiah. This 2002 book argues that this is however only half the story. Matthew's theologically rich quotation of Isaiah 42:1-4 traditionally considered one of the four servant songs underscores that manifest in Jesus' powerful message and deeds, particularly his healings and inclusion of the marginalized, is the justice that was thought to accompany the arrival of the kingdom of God. The study explores modifications to the text form of the Isaianic citations, their relationship to the surrounding context, and the rhetorical force of the final form. It argues that the quotations are bi-referential, functioning on both a narrative and theological level, and also explores the issues surrounding the troublesome extraneous content. It arrives at the conclusion that this citation was central to Matthew's understanding of Jesus' life and mission. All told, this study offers a refreshing exploration of Matthew's high ethical Christology.

Talmuda de-Eretz Israel Steven Fine, Aaron Koller, 2014-07-28 Talmuda de Eretz Israel: Archaeology and the Rabbis in Late Antique Palestine brings together an international community of historians, literature scholars, and archaeologists to explore how the integrated study of rabbinic texts and archaeology increases our understanding of both types of evidence and of the complex culture which they together reflect. This volume reflects a growing consensus that rabbinic culture was an embodied culture, presenting a series of case studies that demonstrate the value of archaeology for the contextualization of rabbinic literature. It steers away from later twentieth-century trends, particularly in North America, that stressed disjunction between archaeology and rabbinic literature and seeks a more holistic approach The Trial and Crucifixion of Jesus David W. Chapman, Eckhard J. Schnabel, 2019-01-01 The Trial and Crucifixion of Jesus is a comprehensive sourcebook for those looking to gain a more robust understanding of this event through the eyes of ancient writers. Featuring extrabiblical primary texts along with a new translation and commentary by David W. Chapman and Eckhard J. Schnabel, this work is relevant for understanding Jesus' last days. The significance of Jesus' death is apparent from the space that Matthew, Mark, Luke, and John devote to the Passion narrative, from the emphasis of many speeches in the book of Acts, and from the missionary preaching and the theology of the apostle Paul. Exegetical discussions of Jesus' trial and death have employed biblical Old Testament and

extrabiblical texts in order to understand the events during the Passover of AD 30 that led to Jesus execution by crucifixion The purpose of this book is to publish the primary texts that have been cited in the scholarly literature as relevant for understanding Jesus trial and crucifixion The texts in the first part deal with Jesus trial and interrogation before the Sanhedrin and the texts in the second part concern Jesus trial before Pilate The texts in part three represent crucifixion as a method of execution in antiquity For each document the authors provide the original text Hebrew Aramaic Greek or Latin a translation and commentary The commentary describes the literary context and the purpose of each document in context before details are clarified along with observations on the contribution of these texts to understanding Jesus trial and crucifixion

From Text to Tradition Lawrence H. Schiffman, 1991 From Text to Tradition examines the history of Judaism as it developed from the religion of biblical Israel to the Judaism of the talmudic rabbis Each step in this process is discussed from the historical literary and religious points of view and the context of the political history of the Jews Among the topics covered in this connection are the biblical heritage which underlies all later Judaism the importance of the Persian period for laying the groundwork for postbiblical Judaism the confrontation of Judaism with Hellenism apocrypha pseudepigrapha and the Dead Sea Scrolls Pharisees Sadducees and Essenes the Jewish Christian schism the impact of the Jewish revolts against Rome and the destruction of the Temple the rise of Rabbinic Judaism and the development of the Mishnah Talmud and Jewish law One of the books major theses is that the various approaches to Judaism shared sufficient common ground as to be classified as one albeit variegated religious tradition Diverging trends may be and are traced during this period as is the question of the role of interpretation the impact of external influences and the process by which the competing approaches were eventually supplanted by the rabbinic tradition which became the basis for medieval and modern Judaism In this way Judaism is shown to have travelled the long road from the textual heritage of the Hebrew Bible to the oral tradition of the rabbis

The Words of Moses Sarah J. K. Pearce, 2013 Recent studies highlight the character of Deuteronomy's laws of public officials Deut 16 18 18 22 as the first draft for a constitutional government of the future Sarah Pearce explores what these laws meant for Jewish interpreters and their communities in the Second Temple period Her focus is on the reception and transformation of Deuteronomy's laws on the organisation of justice Deut 16 18 17 13 the appointment of local judiciaries the authority and function of the central court and the prohibition of single testimony The author offers a detailed commentary on these laws in sources including the Masoretic Text the Samaritan Pentateuch Greek Deuteronomy the Books of Chronicles the Temple Scroll the Damascus Document Philo of Alexandria and Josephus Her aim is to understand the ancient interpreters of Deuteronomy first and foremost in their own terms and their own contexts

A Marginal Scribe Dennis C. Duling, 2011-11-11 A Marginal Scribe collects eight studies written over a period of two decades all of which use social scientific criticism to interpret the Gospel of Matthew It prefaces them first with a new chapter on the struggle between historians and social scientists since the Enlightenment and its parallel in New Testament studies which culminated

in the emergence of social scientific criticism and second with a new chapter on recent social scientific interpretation of the Gospel of Matthew The eight more specialized studies cover a variety of themes and use a variety of models but concentrate and are held together by those that illumine social ranking and marginality The book closes with a chapter that ties together these studies

Legal Texts and Legal Issues Kampen, Moshe Bernstein, Florentino García Martínez, 2018-11-26 This volume contains the papers presented to the second meeting of the International Organization for Qumran Studies held in Cambridge UK in 1995 The papers all dealing with the theme of the meeting Legal Texts and Legal Issues are arranged into five sections The first section New Texts contains publications of legal texts including a copy of the Temple Scroll from Cave 4 Section two presents studies on different aspects of 4QMMT from its use of Scripture to its concept of Holiness and its relevance for understanding the history of Qumran The following two sections contain studies on legal texts and legal issues such as purity divorce and sabbath legislation The final section Qumran and the New Testament focuses on the importance of the Qumran texts for the study of the New Testament The volume is published in honour of Joseph M Baumgarten and it contains an appreciation of Baumgarten s work as well as his bibliography
