Shoot The Buffalo:

Shoot the Buffalo Matt Briggs, 2005-12-01 **Shoot the Buffalo** Matt Briggs, 2005 The summer Aldous Bohm turns nine his parents move to the woods near Snoqualmie Washington to reinvent the American family The Bohm s are working class hippies in post Vietnam America Their makeshift pastoral takes shape in a haze of pot smoke and good intentions and ultimately births a vortex of personal insecurity and romanticism taking the family deeper into the woods to destroy them Aldous oversees these tragedies recalled a decade later after he has left Snoqualmie to join the military in the buildup to the first Gulf War This novel conjoins the dead end narrative of American masculinity with the Romantic ideal of nature to suggest an ambivalent way forward a path out of these woods *American Ballads and Folk Songs* Alan Lomax, 1994-01-01 Music and lyrics for over 200 songs John Henry Goin Home Little Brown Jug Alabama Bound Ten Thousand Miles from Home Shack Bully Holler Black Betty The Hammer Song Bad Man Ballad Jesse James Down in the Valley The Bear in the Hill Shortenin Bread The Ballad of Davy Crockett and many more **LIFE** , 1940-02-05 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *Specimens of Mississippi Folk-lore* Arthur Palmer Hudson, 1928 *Journal of American Folklore* , 1911 **The Buffalo Shoot** Greg Kuzma, 1974 **Hunting Game** Kevin Thomas, 2015-03-02 The Hunting Game is a collection of hunting stories gleaned over the four decades the author has spent as a professional hunter in Southern Africa Whilst many of the chapters are stories about specific hunting safaris the author has guided international clients on for different species there are also chapters covering rifle calibers bullet performance and related stuff The author also includes a historical chapter on the hunting of crop raiding elephant circa 1935 in Mozambique what was then Portuguese East Africa Another interesting chapter is about the author s experiences in dealing with tribal African superstitions when he was still a young game ranger with the Rhodesian Department of National Parks Wildlife Management Another chapter is a rather tongue in cheek humorous look at the often contentious gratuity issue in the safari hunting industry Humor aside though the author also issues a somber warning as to the critical situation in some of Zimbabwe s once great state owned hunting safari concessions where rampant poaching greed gross corruption and horrific mismanagement have led to a sharp decline in wildlife numbers probably now well beyond the critical tipping point The author considers The Hunting Game a light campfire read which will be of interest not only to sport hunting enthusiasts but to anyone with an interest in the sustainable consumptive yield of Southern Africa s wildlife resources **Buffalo** Kevin Robertson, 2021-11-14 Much has been said in recent years about shooting only completely mature solidly bossed Cape or southern buffalo bulls for trophy purposes But what does such a bull really look like Can you tell the difference between a trophy bull and a younger or medium age bull with soft bosses that still has breeding potential What are the characteristics

of a true trophy bull The questions most commonly asked on a buffalo safari are a What sex is that buffalo b How old is it c Where do I shoot it and d How big is the trophy All the answers are here in this compact pocket size book that not only gives you instant comparisons but also shows you precisely where to shoot and what the trophy is like age and size wise There are probably more African buffaloes hunted today than at any time since WWII for they are the most accessible and affordable member of the fabled Big Five Make the most of your hunt and get to know beforehand what a good mature buffalo looks like where to shoot it and how to judge its sex age and trophy potential before you follow their tracks and come face to face with a tangle of horns and a press of dark bodies in thick vegetation That s when you ll need to make a quick decision and this invaluable fit in any pocket guide will help Don t go on safari without one *The Abujhmarhias* Thakorlal Bharabhai Naik,1963 **Collections of the Kansas State Historical Society** Kansas State Historical Society,1928 Shooting and Fishing ,1905 St. Nicholas ,1890 Fur, Fortune, and Empire Eric Jay Dolin,2011-07-05 A Seattle Times selection for one of Best Non Fiction Books of 2010 Winner of the New England Historial Association s 2010 James P Hanlan Award Winner of the Outdoor Writers Association of America 2011 Excellence in Craft Award Book Division First Place A compelling and well annotated tale of greed slaughter and geopolitics Los Angeles Times As Henry Hudson sailed up the broad river that would one day bear his name he grew concerned that his Dutch patrons would be disappointed in his failure to find the fabled route to the Orient What became immediately apparent however from the Indians clad in deer skins and good furs was that Hudson had discovered something just as tantalizing The news of Hudson s 1609 voyage to America ignited a fierce competition to lay claim to this uncharted continent teeming with untapped natural resources The result was the creation of an American fur trade which fostered economic rivalries and fueled wars among the European powers and later between the United States and Great Britain as North America became a battleground for colonization and imperial aspirations In *Fur Fortune and Empire* best selling author Eric Jay Dolin chronicles the rise and fall of the fur trade of old when the rallying cry was get the furs while they last Beavers sea otters and buffalos were slaughtered used for their precious pelts that were tailored into extravagant hats coats and sleigh blankets To read *Fur Fortune and Empire* then is to understand how North America was explored exploited and settled while its native Indians were alternately enriched and exploited by the trade As Dolin demonstrates fur both an economic elixir and an agent of destruction became inextricably linked to many key events in American history including the French and Indian War the American Revolution and the War of 1812 as well as to the relentless pull of Manifest Destiny and the opening of the West This work provides an international cast beyond the scope of any Hollywood epic including Thomas Morton the rabble rouser who infuriated the Pilgrims by trading guns with the Indians British explorer Captain James Cook whose discovery in the Pacific Northwest helped launch America s China trade Thomas Jefferson who dreamed of expanding the fur trade beyond the Mississippi America s first multimillionaire John Jacob Astor who built a fortune on a foundation of fur and intrepid mountain men such as Kit Carson and Jedediah Smith who sliced their

way through an awe inspiring and unforgiving landscape leaving behind a mythic legacy still resonates today Concluding with the virtual extinction of the buffalo in the late 1800s *Fur Fortune and Empire* is an epic history that brings to vivid life three hundred years of the American experience conclusively demonstrating that the fur trade played a seminal role in creating the nation we are today Bill G.
