Silvers Edge Through The Shadowlands And Beyond:

Silver's Edge Anne Kelleher, 2009-10-01 Unwillingly Entwined There is more danger than usual in the Otherworld of the Sidhe and the mortal world of the Shadowlands An unlikely group of conspirators both mortal and Sidhe plot to overthrow both thrones They have stolen the silver caul that protected the borders between the realms and set into motion a most perilous war A Blacksmith's Daughter A Sidhe Lady A Mortal Queen Three women stand against the encroaching evil All they have is a girl's love for her father a lady's for her queen and a queen's for her country Nessa Delphinea and Cecily are each driven by a personal destiny yet share a fierce sense of love justice and determination to protect what is theirs Will the spirit and strength of these women be enough to turn back the tide of the goblin hordes waiting to overrun the kingdoms Perhaps But the battle must still be fought **Beyond the Shadowlands (Foreword by Walter Hooper)** Wayne Martindale, 2007-05-01 Those who know Lewis's work will enjoy Martindale's thorough examination of the powerful images of Heaven and Hell found in Lewis's fiction and all readers can appreciate Martindale's scholarly yet accessible tone Read this book and you will see afresh the wonder of what lies beyond the Shadowlands **Face of Deception** Ana Leigh, 2004 Mike Bishop is assigned to rescue Ann Hamilton and her adopted son Brandon Somehow they both get caught up in a confusing web of deceptions while falling in love with each other **Beyond the Silver Lining** Adil Sadiq, 2025-07-30 There are many tales about women and men fall in love in their mid age Those years define the self the others and the universe Those years of joyful energy and wishful growth of the typical human living cycle Those silver years which follow the great transformation of a person from sole into couple into multiple with all associated challenges risks and accomplishments **Shadowlands** Violette Malan, 2013-08-06 Stormwolf a former Hound who has been restored to his rightful state as a Rider scours the Shadowlands for members of a rogue Hound tribe who are draining humans of their souls **Blood and Bone** Evangeline Blackwood, The mist clung to the cobblestone streets of Ravenspire like a living thing tendrils of fog weaving between the ancient lampposts that cast their amber glow into the perpetual twilight Seraphina Thorne pulled her dark cloak tighter around her shoulders as she hurried through the winding alleys her leather boots clicking against the wet stones with each determined step The weight of the silver amulet beneath her bodice felt heavier tonight as if it sensed the approaching danger that had been stalking her for weeks She had always known this day would come The day when her bloodline would call her to fulfill an ancient duty that had been passed down through generations of Thorne women Her grandmother's words echoed in her mind like a haunting melody When the crimson moon rises over Ravenspire the veil between worlds grows thin and you must stand as guardian between the light and the shadow The crimson moon hung low in the sky tonight casting everything in an eerie red glow that made the shadows dance with unnatural life Seraphina quickened her pace knowing she was being watched She could feel eyes upon her from every darkened doorway every shuttered window The creatures of the night were stirring drawn by the same ancient magic that pulsed through her veins As she turned the corner onto Shadowmere Lane a figure

stepped out from the darkness ahead Tall and imposing draped in a midnight black coat that seemed to absorb the very light around him he stood motionless in the center of the narrow street His pale skin seemed to glow in the moonlight and when he raised his head Seraphina gasped at the sight of his eyes deep crimson orbs that held centuries of pain and longing
