The Effects of Divorce on Children Deborah A. Henady-Korba,2017-04-24 In todays society divorce touches the lives of many families and children In The Effects of Divorce on Children author Deborah Henady Korba explores the impact of divorce on young children focusing on boys ages eight to twelve and the mother son relationship This critical literature review seeks to establish connections with divorce and issues related to adjustment including problem solving skills coping mechanisms attachment and bonding explanatory style vulnerability resilience risk and adjustment problems with behavioral and

emotional outcomes It addresses the following questions How do boys between the ages of eight and twelve in divorced families cope successfully What are their coping behaviors Is there a relationship between the effects of post divorce adjustment on boys who are between eight and twelve years of age and their developmental stages leading to increased behavioral and emotional problems What are the effects of post divorce adjustment on the mother son relationship The Effects of Divorce on Children shares the results of Henady Korbas Literature Review and makes a meaningful contribution to social change in todays society by offering a revised Diathesis Stress Model incorporating protective and risk factors that lead to effective or ineffective coping skills and resiliency that may be applied in several areas of psychology **Final Drive** Shelly Hess,2011 A Midwestern family is traveling down the road of their lives completely unaware of what waits beyond the bend They are living the American dream creating deep bonds and a treasure house of memories to last a lifetime Suddenly tragedy enters their world like a tornado What do we do when we are forced to question everything we hold to be true In the face of adversity we discover what we are really made of inside You will recognize in these pages that part of yourself capable of surviving recovering and triumphing in the face of great loss and trauma And you will come away deeply inspired by the power of the human spirit and the enduring nature of family ties As a grief educator I read many books on grief and loss Final Drive is not like any other book I have read It is compelling fascinating heartfelt and inspirational I could not stop reading Shelly captures the true experience of loss grief hope resilience and love I highly recommend this book Lisa Athan MA Executive Director of Grief Speaks Final Drive tells of unspeakable grief and loss in a way that inspires its readers to keep on keepin on It is a must read for parents who find themselves in the heart wrenching situation of helping their children deal with tragedy Dr Beth Erickson Author of Longing for Dad Father Loss and Its Impact and Host of Relationships 101 on www.webtalkradio.net Final Drive is a book with conviction and intensity In its pages the author learns to embrace the promise of tomorrow As readers follow her blueprint for life we are reminded to remember the tender songs of life over the crippling fear of loss Sherry Russell Board Certified Expert in Traumatic Stress Author of Conquering the Mysteries and Lies of Grief Ethnicity and Family Therapy Monica McGoldrick,Joe Giordano,Nydia Garcia Preto,2005-08-18 This widely used clinical reference and text provides a wealth of knowledge on culturally sensitive practice with families and individuals from over 40 different ethnic groups Each chapter demonstrates how ethnocultural factors may influence the assumptions of both clients and therapists the issues people bring to the clinical context and their resources for coping and problem solving Baby Daddy Disorder Jameca Falconer, PhD,2014-11-12 I see many examples of how the children have not been made a priority in many African American families It seems that many African American men are content to produce children and then simply walk away from most if not all of the financial emotional and psychological responsibilities that serve as the foundation of parenting Baby Daddy Disorder is a reality check on what is terribly wrong in the African American community Families are the core of every issue that plagues our community Alcoholism obesity and poor health economic hardship

education crime and violence are just a few elements that need improvement within the African American community Each one of these elements could be tackled more strategically if families were intact or if parents could work together as a team to ensure success for their children It s been said that It takes a village to raise a child Even if grandmother aunts and uncles create and work in the village father s need to step up man up and get up so that they can fulfill their role in the village Baby Daddy Disorder is a reality check on what is terribly wrong in the African American community Families are the core of every issue that plagues our community Alcoholism obesity and poor health economic hardship education crime and violence are just a few elements that need improvement within the African American community Each one of these elements could be tackled more strategically if families were intact or if parents could work together as a team to ensure success for their children It s been said that It takes a village to raise a child Even if grandmother aunts and uncles create and work in the village father s need to step up man up and get up so that they can fulfill their role in the village

Single Mother Jane Juffer, 2006-04 Describes the recent cultural valorization of the single mother who in the midst of demographic changes in the U S has emerged as the unlikely heroic and seductive voice of the new American family Drawing on her own life as a single mother interviews with dozens of other single mothers cultural representations and policies on welfare immigration childcare and child custody Juffer analyzes this contingent acceptance of single mothers Finally critiquing the relentless emphasis on self sufficiency to the exclusion of community Juffer shows the remarkable organizing skills of these new mothers of invention from publisher information

Recovery Zone Volume 2 Patrick Carnes, 2021-10-19 The process of therapy and treatment means stepping into an unfamiliar new world with very different perspectives processes and even its own language at ties The goal of this extraordinary world is to repair restructure and build the internal structures to cope with losses trauma dysfunction toxic stress and addiction The first of the Recovery Zone series focuses on the often painful and difficult internal tasks for that transition This first book in the series by Patrick Carnes is already regarded as a classic and has been a durable best seller for the past decade The second volume is now here and Dr Carnes helps with the issue of now that I know all of this what do I do How to translate the inner transformation into my everyday world I have discovered the real me but what does that mean for me to integrate ideas and skills with my relationships work values lifestyle and be happy Much has been written about overcoming trauma grief dysfunctional relationships and the sinkholes of the various addictions The sequel of Recovery Zone provides real answers about how to stay in the zone when traumatic events toxic stress and easy access to escape surrounds you The goal must be an Ultimate To Do List so you do not miss out on the life you want and feel a genuine call to do Core to this platform is a resilience built on ten master skills and thirty operational strategies that users describing as defining passage into a new life The joke about life being what happens when you are on the way to do something else has little reality at the end of this second volume Dr Carnes is widely known for his personal sharing his warm and engaging stories and his ability to weave complex science into something that everyone can use These materials have evolved with the

help of over two thousand therapists and the experiences of many thousands of patients Another vintage of classic Carnes s writing
