Loosening The Reins Stories Of A Father And His Son:

Loosening the Reins John L. Moore, 1992 **Prophetic Leadership** Wade Jensen DSL MDiv, 2025-08-11 Prophetic Leadership highlights prophetic leaders who've been hard at work since God placed humankind on the earth to take dominion Genesis 1:26-28 New King James Version NKJV Prophetic leaders exist as another type of leader through Scripture and history They receive insight through natural or supernatural means so they know exactly how to advance the organizations they serve Every generation has prophetic leaders By examining the life of Joseph the practice of Jeremiah and other Scriptures referencing prophecy prayer strategy timing and seasons the author reveals a detailed blueprint of what it means to be a prophetic leader He explores the impact Joseph and Jeremiah had on others as well as how to apply the principles of prophetic leadership to achieve goals and help others Prophetic leaders can change the fate of a small enterprise a large company or entire nations it all depends on what the prophetic leader is trying to accomplish With this book you'll understand the importance of prophetic leaders and learn how to identify and empower them to thrive in the future *Gods on Trial and Other Stories* Gulzar Singh Sandhu, 2005 **Biblical Stories for Psychotherapy and Counseling** Kalman Kaplan, Matthew Schwartz, 2013-10-23 Integrate Biblical spirituality into psychotherapy and examine centuries old answers to modern psychological questions The Joint Commission on the Accreditation of Hospitals now mandates taking spiritual assessments of all patients This book is devoted to helping therapists employ Biblical spirituality in the actual treatment program Biblical Stories for Psychotherapy and Counseling A Sourcebook organizes the wisdom of the Old Testament into episodes that can shed light on specific psychological issues From the familiar to the obscure these stories can help us better understand self esteem loyalty and obligations decision making temptation anger morality various disorders family dynamics support systems developmental issues recovery issues aging suicidal behavior and more From the authors As brilliant and as penetrating as Freud's insights are they are limited in the sense that Freud relied heavily on Greek myth and literature for his models and ideas His view of man was in many ways that of the Greeks a view that concentrated on the pathological underside of man and on the bedrock of his developmental problems The Greeks could never really shake the sense of doom the foreboding and the fatalism that led so many great figures in Greek literature and in real life Greek history to depression and in a surprising number of cases to suicide In contrast the focus of the Bible is far more optimistic depression can be successfully dealt with and suicide is a sad error that should be avoided usually can be avoided It encourages people to hope and teaches that day to day human effort has a purpose and meaning and that heroism is not a fair or useful aim for man to set for himself The Bible offers the hope of filling every moment of human life with greater meaning and feeling New solutions to mental health problems are always welcome Ours is a new approach yet a very old one We present stories that offer a vast treasure of knowledge and wisdom about the way people think and act and why they do so The stories are drawn from the Hebrew Bible a compendium whose latest books are already twenty four hundred or so

years old Yet through all those centuries the basic story of man's searching and yearning has changed little We shall concentrate on the psychological meaning of these narratives and what they tell us about how their characters dealt with challenges of family handicap depression and more You'll also find information drawn from modern clinical research that parallels the Biblical narratives The wisdom gained from these ancient stories is applied to help people gain self understanding and deal with their own situations today For psychotherapists these Biblical foundation stories can be used as a basis for integrating spirituality into psychotherapy The story of Moses who overcame a speech problem can be applied to the problems of a Midwestern college student and the account of David and Goliath can help a businessman overcome his fears of lack of macho A small sample of the Bible stories and their clinical implications that you'll find in this volume the foundation of self esteem Saul the courage to emigrate Abraham assuming responsibility for one's self Lot's wife focusing on one's main aim Sarah and Hagar dealing with commandments Abraham and Isaac dealing with temptations Adam and Eve drunkenness and disrespect Noah reciprocity between generations Naomi and Ruth amoral intellectualism Balaam aging Ecclesiastes dealing with disability Moses and Aaron abandonment David protected regression Jonah Biblical Stories for Psychotherapy and Counseling A Sourcebook will become a well used reference in your professional teaching collection These Biblical stories will be helpful to therapists
