

Lore Of The Unicorn

Juliette Wood

Lore Of The Unicorn:

The Lore of the Unicorn Odell Shepard,1993-01-01 Fascinating delightfully readable book traces development of various aspects of the unicorn legend in mythology folklore magic medicine literature art and commerce It is a book rich with curious lore the product of careful and intensive research yet it is written with charm and with affection for the elusive animal which for millenniums has entranced men s imaginations Books Text enhanced with 28 carefully selected illustrations Introduction

Lore of the Unicorn Odell Shepard,2020-09-28 **Lore of the Unicorn - (Fairy Fairies Tale Book)** World of Wonders, Incorporated,1993-01-01 Covers various aspects of the unicorn legend in mythology folklore magic medicine literature art and commerce It is a book rich with intensive research written with charm and affection for the animal Text with 28 illustrations Unicorns Skye Alexander,2015-07-15 An enchanting treasury of unicorn lore For thousands of years unicorns

have captured hearts minds and imaginations with their whimsical mischievous spirit This enchanting collection invites you to leap into their magical world and surround yourself in the tales that capture their power and beauty Filled with dozens of magnificent illustrations each page brings your favorite mythical creature to life right before your eyes shimmering mane and all So get ready for a magic filled adventure Unicorns takes you on a journey you won t soon forget **The Lore of the**

Unicorn Odell Shepard,2017-05-10 This work created in the early 20th century by Odell Shepard is one of the better works made through time to craft mythology and cryptozoology of a fashion together with more modern historical treatments of its subject matter It is the unicorn or alicorn here which concerns the text and related material ranging from the quite antiquated to the medieval and the then modern as anthropology and adventure made its way further into the outlands of Africa India and Tibet Here of note is an extensive treatment of the purported healing and anti poison properties of unicorn horn medieval medicine processing the same through alchemy and quack medicine into tincture and powdered forms and the latter day abandonment of such materials within medical lore during the enlightenment The unicorn is thus not treated solely within this more rational text as a misunderstood rhinoceros but also as other misunderstood beasts a spirit and a religious icon overlapped with royalty especially in the English tradition **The Lore of the Unicorn** Odell Shepard,2013-05-08 This study of unicorns and their magical powers includes both fiction and nonfiction as well as biblical influences and reveals the origins of unicorn mythology The Lore of the unicorn Odell Shepard,1996 **Lore of the Unicorn** Odell Shepard,2007

Lore of the Unicorn. Bib O. SHEPARD,1930 *Fantastic Creatures in Mythology and Folklore* Juliette Wood,2018-08-23 Drawing on historical sources myth and folklore *Fantastic Creatures in Mythology and Folklore* explores the roles of fantastical beasts particularly the unicorn the mermaid and the dragon in a series of thematic chapters organised according to their legendary dwelling place be this land sea or air Through this original approach Juliette Wood provides the first study of mythical beasts in history from the medieval period to the present day providing new insights into the ways these creatures continue to define our constantly changing relationship to both real and imagined worlds It places particular

emphasis on the role of the internet computer games and the cyberspace community and in doing so demonstrates that the core medieval myth surrounding these creatures remains static within the ever increasing arena of mass marketing and the internet This is a vital resource for undergraduates studying fantastic creatures in history literature and media studies

Unicorns William Dudley,2008 For thousands of years people from all parts of the world have been fascinated by unicorns and many have believed that these one horned animals really existed This book recounts different unicorn legends the very real trade that existed for unicorn horns alicorns and examines what real animals might have inspired the unicorn stories

Logical Fictions in Medieval Literature and Philosophy Virginie Greene,2014-10-23 In the twelfth and thirteenth centuries new ways of storytelling and inventing fictions appeared in the French speaking areas of Europe This new art still influences our global culture of fiction Virginie Greene explores the relationship between fiction and the development of neo Aristotelian logic during this period through a close examination of seminal literary and philosophical texts by major medieval authors such as Anselm of Canterbury Ab lard and Chr tien de Troyes This study of Old French logical fictions encourages a broader theoretical reflection about fiction as a universal human trait and a defining element of the history of Western philosophy and literature Additional close readings of classical Greek philosophers Plato and Aristotle and modern analytic philosophy including the work of Bertrand Russell and Rudolf Carnap demonstrate peculiar traits of Western rationalism and expose its ambivalent relationship to fiction

The Magical Unicorn Society: A Brief History of Unicorns Selwyn E. Phipps,2024-05-01 Eight accounts of unicorn encounters that span time and place from Ancient Chinese lore to pirates in the Mediterranean to modern Central Park MSL Book Review From the story of the seventeenth century sailors rescued from pirates by Water Moon unicorns to the mystery about the girls who believed they d discovered a Woodland Flower unicorn in modern day Central Park this book shares some of the most amazing stories of humanity s experiences alongside these magical creatures Brought to life by vivid and enchanting artwork throughout A Brief History of Unicorns is an essential companion to The Magical Unicorn Society Official Handbook A truly magical must have for unicorn enthusiasts of all ages Praise for The Magical Unicorn Society Official Handbook Every page is beautifully designed in full vibrant color with lovely illustrations that accompany the text It is as inventive as it is thorough categorizing unicorns into different families and presenting the wealth of information in various formats including time lines and family trees This book is sure to delight any curious child who adamantly wants to believe in unicorns and always has plenty of stories to share about them Booklist

Reading the Book of Nature in the Dutch Golden Age, 1575-1715 ,2010-10-25 The conviction that Nature was God s second revelation played a crucial role in early modern Dutch culture This book offers a fascinating account on how Dutch intellectuals contemplated investigated represented and collected natural objects and how the notion of the Book of Nature was transformed

Kabbalah, Magic, and Science David B. Ruderman,1988 In describing the career of Abraham Yagel a Jewish physician kabbalist and naturalist who lived in northern Italy from 1553 to about 1623 David Ruderman

observes the remarkable interplay between early modern scientific thought and religious and occult traditions from a wholly new perspective that of Jewish intellectual life Whether he was writing about astronomical discoveries demons marvelous creatures and prodigies of nature the uses of magic or reincarnation Yagel made a consistent effort to integrate empirical study of nature with kabbalistic and rabbinic learning Yagel s several interests were united in his belief in the interconnectedness of all thing a belief shared by many Renaissance thinkers that turns natural phenomena into signatures of the divine unity of all things Ruderman argues that Yagel and his coreligionists were predisposed to this prevalent view because of occult strains in traditional Jewish thought He also suggests that underlying Yagel s passion for integrating and correlating all knowledge was a powerful psychological need to gain cultural respect and acceptance for himself and for his entire community especially in a period of increased anti Semitic agitation in Italy Yagel proposed a bold new agenda for Jewish culture that underscored the religious value of the study of nature reformulated kabbalist traditions in the language of scientific discourse so as to promote them as the highest form of human knowledge and advocated the legitimate role of the magical arts as the ultimate expression of human creativity in Judaism This portrait of Yagel and his intellectual world will well serve all students of late Renaissance and early modern Europe *For Unicorn Lovers Only* Penelope

Gwynne,2025-06-25 Readers of all ages can learn all about the magnificent unicorns of the past and the charismatic creatures of today with this beautifully illustrated treasure trove of unicorn lore and history from Penelope Gwynne and Katie O Neill Unicorns have changed a lot through the ages but some things have stayed the same They re still magical and mysterious elusive and entertaining And they re still the most fascinating mythical beasts in the world Vibrantly illustrated by Eisner Award winner Katie O Neill *For Unicorn Lovers Only* tells fans everything they need to know about unicorns of yesterday and today when and where the legends came from how unicorns have influenced pop culture and much more Find new ways to express your unicornmania through crafts clothes and activities and experience unicorn magic through retellings of legends and history with this unique combination of fact and fiction [The Lore of the Unicorn - Scholar's](#)
