Sparta Roxana Robinson, 2013-06-04 Robinson brings the tolls of war up close Her powerful novel demonstrates that fiction actually can function as a sort of explosive device The Washington Post A Washington Post Notable Fiction Book Going from peace to war can make a young man into a warrior Going from war to peace can destroy him Conrad Farrell has no family military heritage but as a classics major at Williams College he has encountered the powerful appeal of the Marine Corps ethic Semper Fidelis comes straight from the ancient world from Sparta where every citizen doubled as a full time soldier When Conrad graduates he joins the Marines to continue a long tradition of honor courage and commitment As Roxana Robinson's new novel *Sparta* begins Conrad has just returned home to Katonah New York after four years in Iraq and he's beginning to learn that something has changed in his landscape Something has gone wrong though things should be fine he hasn't been shot or wounded he's never had psychological troubles he shouldn't have PTSD But as he attempts to reconnect with his family and his girlfriend and to find his footing in the civilian world he learns how hard it is to return to the people and places he used to love His life becomes increasingly difficult to negotiate he can't imagine his future can't recover his past and can't bring himself to occupy his present As weeks turn into months Conrad feels himself trapped in a life that's constrictive and incomprehensible and he fears that his growing rage will have irreparable consequences A page turner *Sparta* is an exceptional account of life after war People **John Donne in the Time of COVID** Mary Ann

Antley,2022-11-30 In 1623 John Donne dean of Saint Paul s Cathedral in London suddenly fell ill of a pestilential illness He took notes during this near fatal illness and published them as Devotions Upon Emergent Occasions in 1624 It is in the context of devotional literature that this book has formerly been studied If however the work is read with specific attention focused on the dynamics of Donne s psychological responses to a serious illness it may be seen to be the powerful dramatic presentation of his struggle for emotional and spiritual survival following the disruption of a previously accepted value system Our population today has experienced many of these feelings in facing illness isolation and death during the course of COVID 19 We are all Donne He gives us a voice from four hundred years in the past

Szakolczai, 2019-10-10 This book offers a new approach to the problem of evil through an examination of the anthropological figure of the trickster A lesser known and much more recent term than evil the authors use the trickster to facilitate a greater understanding of the return of evil in the modern era Instead of simply opposing good and evil the figure of the trickster is used to pursue the trajectories of similarities and quasi similarities through imitation After engaging with the trickster as presented in comparative anthropology and mythology where it appears in tales and legends as a strange erratic outsider the authors seek to gain an inside perspective of trickster knowledge through an examination of mythology and the classical world including both philosophers and poets The book then goes on to trace the trickster through prehistory using archaeological evidence to complement the diverse narratives In this way and by investigating the knowledge and customs surrounding evil the authors use the figure of the trickster to provide an unprecedented diagnosis of the contemporary world where external mechanical rationality has become taken for granted and even considered as foundational in politics economics and technologised science The authors advance the idea that the modern world with its global free markets mass mediatic democracy and technologised science represents a universalisation of trickster logic *The Political Sociology and Anthropology of the Evil* will be of interest to scholars working in the fields of social theory political anthropology and political sociology as well as those interested in the ways in which evil can infiltrate reality **Sightlines** Leona Theis, 2000

Winner Saskatchewan Fiction Award Saskatoon Book Award Saskatchewan Book Awards The thirteen stories in this debut short fiction collection weave together the lives of a cast of characters from the small community of Flat Hill over a thirty year period from the 1960s to the 1990s Leona Theis uses flashbacks within stories revisits characters at more than one time in their lives and has main characters in one story appear as bit players in another all to build a complex portrait of a group of people who share a single point of departure Flat Hill Relationships and friendships thrive or wither children grow up and move away to the city seniors pass on and time moves everyone relentlessly forward whether they want to go or not No matter how accomplished and subtly rewarding each story in *Sightlines* is what is finally most remarkable about this book is how the individual stories fit together demonstrating that in Leona Theis s case the whole really is far greater than the sum
