Unsettled Remains Cynthia Sugars, Gerry Turcotte, 2010-08-27 *Unsettled Remains* Canadian Literature and the Postcolonial Gothic examines how Canadian writers have combined a postcolonial awareness with gothic metaphors of monstrosity and haunting in their response to Canadian history The essays gathered here range from treatments of early postcolonial gothic expression in Canadian literature to attempts to define a Canadian postcolonial gothic mode Many of these texts wrestle with Canada's colonial past and with the voices and histories that were repressed in the push for national consolidation but emerge now as uncanny reminders of that contentious history The haunting effect can be unsettling and enabling at the same time In recent years many Canadian authors have turned to the gothic to challenge dominant literary political and social narratives In Canadian literature the postcolonial gothic has been put to multiple uses above all to figure

experiences of ambivalence that have emerged from a colonial context and persisted into the present. As these essays demonstrate, formulations of a Canadian postcolonial gothic differ radically from one another depending on the social and cultural positioning of who is positing it. Given the preponderance in colonial discourse of accounts that demonize otherness, it is not surprising that many minority writers have avoided gothic metaphors. In recent years, however, minority authors have shown an interest in the gothic, signalling an emerging critical discourse. This spectral turn sees minority writers reversing long-standing characterizations of their identity as monstrous or invisible in order to show their connections to and disconnection from stories of the nation.

The Governor General's Literary Awards of Canada Andrew David Irvine, 2018-11-27

The definitive bibliography of Canada's Governor General's Literary Awards. Alice Munro, Michael Ondaatje, Margaret Atwood, Antonine Maillet, Carol Shields, Marie-Claire Blais, Gilles Vigneault. For over three quarters of a century, the Governor General's Literary Awards have been instrumental in recognizing many of Canada's best authors, illustrators, and translators. The result is impressive: between 1936 and 2017, 705 titles have been recognized with this prestigious award. With careful attention to detail, Andrew Irvine presents the history and evolution of the Awards and extols their importance for the careers of authors, illustrators, and translators, as well as for the development of Canada's national literature. The heart of the book contains the first comprehensive bibliography of the awards, including the first list of winning books organized according to their historically correct award categories, information about five books wrongly omitted from previous lists of winning titles, detailed information about award ceremonies, film adaptations, and jury members, and other key information. This is a seminal work that belongs on the shelf of every scholar and every lover of Canadian literature. This book is published in English.

Avec un souci minutieux au détail, Andrew Irvine présente l'histoire et l'évolution des Prix et vante leurs vertus indispensables à la carrière des écrivains et des traducteurs, ainsi que dans la laboration d'une littérature nationale au Canada. Cette bibliographie est la toute première recension complète des Prix littéraires du Gouverneur général et donne des renseignements détaillés au sujet des cérémonies, des adaptations cinématographiques, des membres des jurys, ainsi que d'autres informations clés. Lost in the Barrens Lit Link Gr. 7-8, *A Sanctuary of Trees* Gene Logsdon, 2012-04-10

As author Gene Logsdon puts it: "We are all tree huggers. But not just for sentimental or even environmental reasons. Humans have always depended on trees for our food, shelter, livelihood, and safety. In many ways,

despite the Grimm s fairy tale version of the dark menacing forest most people still hold a deep cultural love of woodland settings and feel right at home in the woods In this latest book *A Sanctuary of Trees* Logsdon offers a loving tribute to the woods tracing the roots of his own home groves in Ohio back to the Native Americans and revealing his own history and experiences living in many locations each of which was different yet inextricably linked with trees and the natural world Whether as an adolescent studying at a seminary or as a journalist living just outside Philadelphia s city limits Gene has always lived and worked close to the woods and his curiosity and keen sense of observation have taught him valuable lessons about a wide variety of trees their distinct characteristics and the multiple benefits and uses they have In addition to imparting many fascinating practical details of woods wisdom *A Sanctuary of Trees* is infused with a philosophy and descriptive lyricism that is born from the author s passionate and lifelong relationship with nature There is a point at which the tree shudders before it begins its descent Then slowly it tips picks up speed often with a kind of wailing death cry from rending wood fibers and hits the ground with a whump that literally shakes the earth underfoot The air in the aftermath seems to shimmy and shiver as if saturated with static electricity Then follows an eerie silence the absolute end to a very long life Fitting squarely into the long and proud tradition of American nature writing *A Sanctuary of Trees* also reflects Gene Logsdon s unique personality and perspective which have marked him over the course of his two dozen previous books as the authentic voice of rural life and traditions **Lost in the Barrens ...
