The Lost Writings Franz Kafka, 2020-10-06 A windfall for every reader a trove of marvelous impossible to find Kafka stories in a masterful new translation by Michael Hofmann Selected by the preeminent Kafka biographer and scholar Reiner Stach and newly translated by the peerless Michael Hofmann the seventy four pieces gathered here have been lost to sight for decades and two of them have never been translated into English before Some stories are several pages long some run about a page a handful are only a few lines long all are marvels Even the most fragmentary texts are revelations These pieces were drawn from two large volumes of the S Fischer Verlag edition *Nachgelassene Schriften und Fragmente* totaling some 1100 pages Franz Kafka is the master of the literary fragment as Stach comments in his afterword In no other European author does the proportion of completed and published works loom quite so small in the overall mass of his papers which consist largely of broken off beginnings In fact as Hofmann recently added Finished seems to me in the context of Kafka a dubious or ironic condition anyway The more finished the less finished The less finished the more finished Gregor Samsa's sister Grete getting up to stretch in the streetcar What kind of an ending is that There's perhaps some distinction to be made between finished and ended Everything continues to vibrate or unsettle anyway Reiner Stach points out that none of the three novels were completed Some pieces break off or are concluded or stop it doesn't matter after two hundred pages some after two lines The gusto the friendliness the wit with which Kafka launches himself into these things is astonishing **The**

Lost Writings James Connolly, 1997-10 James Connolly was a prolific writer of books tracts articles and essays and conducted a voluminous correspondence with ideological friends and foes of every persuasion This selection of just over 100 previously uncollected articles and essays is arranged into six sections corresponding to the journals in which they originally appeared *The Workers Republic The Socialist The Harp The Irish Worker The Worker and The Workers Republic* 1915 1916 Each section is prefaced with a brief historical context and explanatory footnotes are included throughout The introduction provides a biographical sketch of the man and his times and an account of the tangled history of the posthumous publication of Connolly's work providing a mirror of developments in the Irish labour movement since Connolly's death *The Lost Writings of Steve Garvey* Nicholas Barnes, 2000-12-28 When I'd finished a glass of sherry I picked up the pages and went over my work something I realized I immediately despised re-reading is a horrifying task and I have not done it since they usually go straight into the fire I could scarcely bring myself to go beyond the second line but willed my way through it squinting out of the corner of my eye My story was horrible so thickly pretentious so convoluted twisted in on itself to such a nauseating degree that I vowed never to write another word I did not adhere to that vow but have cured the after-shame problem by to wit burning most of the things I write in my fireplace But there is the matter of survival So in reality quilting is what I have to offer this world **Lost Books of the Bible For Dummies** Daniel L. Bram Stoker's Gibbet Hill and Other Lost Writings Paul S. McAlduff, John Edgar Browning, 2025-05-07 As Carol A Senf has noted of some of Bram Stoker's less prominent fictions in Science and Social Science in Bram Stoker's Fiction 2002 they often occupy an elusive place a realm that is not precisely Gothic but that is somehow beyond the scientific and rational world of the late nineteenth and early twentieth centuries The present anthology demonstrates how even Stoker's nonfictive works including his jokes often find themselves at home in the elusive realm of which Senf is here speaking After more than six years of archival inquiry the editors present here nineteen previously unknown or relatively unglimped published letters works of short fiction and journalistic writing by Stoker 1847 1912 including Gibbet Hill 1890 a Gothic short story the editors discovered in 2016 Additionally they present fifty five other unknown period writings by or about Stoker including interviews public addresses speeches and testimonies The works in this anthology together with the extensive research offered in the introduction prefatory note and annotations not only highlight the intertextuality between Dracula and other of Stoker's works but support the conclusion that Stoker's periodical writings indeed denote a much greater force in his literary repertoire than previously accepted Not surprisingly many of the works in this anthology exhibit the same curious sprinkling of characteristically delicate Gothicism and other knowledges for which Stoker has become known outside of his ubiquitous vampire novel

THE LOST BOOKS OF THE BIBLE DR. PAUL CRAWFORD,2025-10-01 Rediscovering the Forgotten Voice of Faith Through these pages we have walked among the echoes of ancient wisdom texts once read by prophets apostles and early believers who longed to understand the mysteries of God The so called Lost Books of the Bible are not lost to time but to tradition They reveal a larger world of devotion prophecy and revelation that deepens our understanding of Scripture s unfolding story Each book whether the Book of Enoch Wisdom of Solomon Sirach Judith or Bel and the Dragon testifies to the same eternal truth that God s Spirit is never bound by the limits of men or the walls of religion His revelation continues through ages through voices humble and holy through those who sought righteousness even when the world turned away The Light That Cannot Be Hidden Though these writings were excluded from some biblical canons they preserve a light that refuses to die Their message stands in harmony with the Law the Prophets and the Gospel reminding us that divine truth transcends human classification In them we find warnings to the proud comfort to the humble and wisdom for every generation We see that the same God who spoke through Moses Isaiah and Paul also stirred the hearts of Enoch Tobit and the Maccabees The Word of God is living and active and every faithful word whether preserved in Hebrew Greek Aramaic or Ethiopian points back to Him who is the Word made flesh A Message

for the Modern Believer In an age of confusion and division these forgotten writings call us back to holiness repentance and faith They remind us like Manasseh s prayer that no one is beyond forgiveness They teach through Judith s courage that faith can topple empires They reveal through Wisdom and Sirach that true understanding begins with the fear of the Lord They affirm through the Apocalypses that God s justice will prevail and His kingdom will have no end The world changes but the cry of the righteous remains the same Teach us O Lord to walk in Your ways and to know Your truth The Word That Endures Forever The so called lost books are a mirror of the divine plan though hidden they were never destroyed Though silenced they were never forgotten They remain as witnesses of God s unbroken communication with mankind proof that His truth endures from generation to generation These writings urge every reader to seek God earnestly to test all things by His Spirit and to treasure the wisdom that leads to eternal life For those who listen they are not lost books at all but found treasures of divine revelation Final Reflection The journey through these ancient texts reminds us that faith is larger than any canon and that God s revelation cannot be contained within the limits of ink and parchment The same God who spoke to Adam in Eden to Enoch in visions to Moses on Sinai and to John on Patmos still speaks today through His Word through His Spirit and through every heart that seeks Him To rediscover these writings is to rediscover a piece of ourselves a reminder that the story of God and humanity is still being written one soul at a time Key Lesson Nothing that belongs to God is ever truly lost Truth may be buried but it cannot die Every hidden word will rise again in the light of the One who said Heaven and earth will pass away but My words will never pass away Matthew 24 35
