The Lost and Found Stories of Morley Callaghan Morley Callaghan, 1985 Twenty six short stories never before published in book form Morley Callaghan at his best **The Lost and Found Stories of Morley Callaghan** Morley Callaghan, 1985 Twenty six short stories never before published in book form Morley Callaghan at his best The Complete Stories Morley Callaghan, 2003 The complete short fiction of Morley Callaghan appears as he comes into full recognition as one of the singular storytellers of our time In four volumes several stories are collected for the first time two of which *An Autumn Penitent* and *In His Own Country* have been out of print for decades A Reader's Companion to the Short Story in English Erin Fallon, R.C. Feddersen, James Kurtzleben, Maurice A. Lee, Susan Rochette-Crawley, 2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader's Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory **Ancient Lineage and Other Stories** Morley Callaghan, 2012-10-30 A new selection of stories by Canada's Hemingway with an afterword by Pulitzer Prize winner William Kennedy Morley Callaghan's literary circle included Hemingway Fitzgerald and Joyce In a career spanning more than six decades he published sixteen novels and more than one hundred works of short fiction Bringing together more than twenty five stories from five different collections *Ancient Lineage and Other Stories* confirms Callaghan's pre eminent status **Encyclopedia of the American Short Story** Abby H. P. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present **The Canadian Short Story** Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of

interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany **Morley Callaghan and His Works** Gary Boire,1991 These studies of Canadian authors fulfill a real need in the study of Canadian literature Each monograph is a separately bound study of about 55 pages Each contains a biography of the author a description of the tradition and milieu that influenced the author a survey of the criticism on the author a comprehensive essay on all the author s key works and a detailed bibliography of primary and secondary works *Companion to Literature* Abby H. P. Werlock,2009 Praise for the previous edition Booklist RBB Twenty Best Bets for Student ResearchersRUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates **Such Is My Beloved** Morley Callaghan,2009-02-24 One of the great novels of the 1930s Such Is My Beloved recounts the tragic story of two down and out prostitutes and the young priest who aspires to redeem their lives The novel is at once a compassionate portrait of innocence and idealism and an emphatic condemnation of a society where the lines between good and evil are essentially blurred Such Is My Beloved is widely considered to be Morley Callaghan s finest novel *The English Short Story in Canada* Reingard M. Nischik,2017-04-11 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro Dear Marian, Dear Hugh Christl Verduyn,1995-01-01 A student at McGill in the mid 1950s Marian Engel wrote her M A thesis under the direction of Hugh MacLennan Their work together became the basis of a correspondence the MacLennan half of which survives and is detailed here Both personal and professional in nature MacLennan s letters to Engel provide fascinating insights into his life s pursuit of writing and offer another glimpse of the author of *Two Solitudes* Published in English **The New Yorker Stories** Morley Callaghan,2001-11 In 1928 just after he published his first novel Morley Callaghan asked his editor Do you think The New Yorker would be a good magazine for my stories They have never printed fiction before but are going to start with that story of mine called *An Escapade* Through these short stories from Callaghan whom Ernest Hemingway compared to James Joyce readers will realize just how good a fit is was *Encyclopedia of Post-Colonial Literatures in English* Eugene Benson,2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide **A History of Canadian Literature** W.H.
