Lots Of Time Left:

The Weddin' Day Barbara L. Jent, 2008-03 Turn back the pages of time to experience love and betrayal in the mountains of West Virginia one hundred years ago In *The Weddin Day* first time author Barbara L Jent calls on deep ancestral memories to spin a yarn based on the true story of her own great grandparents In their hands we see the frailties of love put to the test and the power of love to overcome all but this is much more than a tale of two star crossed lovers It is a passionate story of the land and the stubborn people who tenderly coaxed that life from the soil It is a glimpse of a bygone way of life virtually unchanged for 1 000 years or more as the winds of progress shake the mountains themselves Today those hills and valleys stand unchanged as do the recollections of the families who loved this way of life This is a tale of hardship and sacrifice but it is also a testament to the strength of family and the power of love It may be a story of a bygone place and time but it is also a reminder of all that truly matters in our world today Step back into that world of mountain life to see how deeply the heart can ache and how high it can soar on *The Weddin Day*

Men in White Chris Raymond, 2024-08-13 An inspiring tale of teamwork and grit *Men in White* tells the story of the student athletes who launched one of the greatest comebacks in sports history rescuing a college football program gutted by scandal with a thrilling championship run *Men in White* chronicles every twist in this epic drama in the words of the young men who chose to stay and rebuild the Penn State football program in the tumultuous days months and years that followed the Sandusky scandal Despite crippling NCAA sanctions blistering heat from the outraged media and radio silence from the adults in the school s administration these big hearted kids refused to back down With the once mighty program in free fall they put their personal fortunes on the line battling together through five will testing seasons to rehabilitate the program and its ideals culminating in the momentous come from behind victory against Wisconsin in the 2016 Big Ten Championship Game Their story echoes that of the 1980 U S Olympic hockey team a cast of young men colossal underdogs who boldly accepted the challenge of a lifetime soaring to victory while shouldering the weight of a bruising political drama
