Prayers for Affirmation Revd Elijah Turner, 2024-12-05 Prayer has long been an essential part of many spiritual practices For centuries people have turned to prayer as a way to connect with a higher power seek guidance and express gratitude However one form of prayer that has grown increasingly popular in recent years is affirmative prayer This type of prayer is not about asking for something outside ourselves but rather about affirming our connection with the Divine and recognizing the abundance and blessings that are already present in our lives Affirmative prayer is about speaking words of truth and power over ourselves our circumstances and our relationships It is a prayer of affirmation which means that we state what we know to be true about ourselves and the world trusting that by affirming these truths we invite more of them into our experience It is based on the belief that words have power Words when spoken
