what is lost to our military through a secular approach to battle Special attention is paid to the current war in Iraq where Mansfield reaches surprising conclusions about the need for structured faith on the battlefield and how its absence contributes to catastrophes like those at Abu Ghraib prison **Bible & Treaty** Keith Newman,2014-06-01 Bible Treaty

Missionaries among the M ori is a complex and colourful adventure of faith bravery perseverance and betrayal that seeks to recover lost connections in the story of modern New Zealand It brings a fresh perspective to the missionary story from the lead up to Samuel Marsden s first sermon on New Zealand soil and the intervening struggle for survival and understanding to the dramatic events that unfolded around the Treaty of Waitangi and the disillusionment that led to the Land Wars in the 1860s While some missionaries clearly failed to live up to their high calling the majority committed their lives to M ori and were instrumental in spreading Christianity brokering peace between warring tribes and promoting literacy resulting in a M ori language edition of the Bible This highly readable account from the author of Ratana Revisited An Unfinished Legacy 2006 and Ratana The Prophet 2009 shines a new light on the ever evolving business of New Zealand s early history **The Faith of Barack Obama** Stephen Mansfield,2023-03-21 You must read this perceptive and well written book Then you will know why Barack Obama has such a passion for justice and equity Archbishop Desmond Tutu Barack Obama The speculation about his religious life abounds Is he a closet Muslim Is he really a Christian Did his faith have anything to do with his governing As the picture of President Obama s faith has emerged questions about the foundation of his beliefs continue to ignite debate In this updated edition of his international bestseller The Faith of Barack Obama New York Times bestselling author Stephen Mansfield explores the claims of Obama s detractors and supporters alike while examining how the challenges of the presidency shaped Obama s religious beliefs This evenhanded account of the former president s spiritual life provides a closer look at the people and events that have influenced his belief system Mansfield analyzes Obama s friendship with the controversial Jeremiah Wright and also profiles the Christian leaders who offered guidance and support during the president s challenging term Mansfield takes you inside the religious life of Barack Obama introducing you to the type of preaching the president heard at Camp David and even revealing details such as the content of the daily devotional readings the former president received on his cell phone This fascinating study explains the faith elements within Obama s politics while acknowledging the questions about his beliefs that remain unanswered Mansfield presents an analysis of Obama s distinctly postmodern journey that will generate valuable discussion across the religious spectrum Publishers Weekly **You The Leader** Phil Pringle,2013-12-19 You the Leader is a must read for any person who feels called to Leadership in the body of Christ The insight in this book gained from over 30 years of pastoral ministry is practical biblically based and includes thinking in the area of leadership that is revolutionary in today s contemporary church *Pope Benedict XVI* Stephen Mansfield,2005-07-21 Includes a new foreword on the resignation and legacy of Pope Benedict XVI The sudden resignation of Pope Benedict XVI comes as the capstone to a papacy that that shocked some and delighted others Pope

Benedict was both an ardent intellectual and a driven traditionalist charged with leading a divided Catholic Church into a new era In Pope Benedict XVI bestselling author Stephen Mansfield tells the story of a youth who grew up in Nazi Germany and went from being a liberal theologian associated with Vatican II to a theological conservative who became Pope John Paul s closest ally As a cardinal the outgoing pope pursued a firmly traditional path in the last quarter century he excommunicated radical priests cracked down on Marxist liberation theology in Latin America and shaped some of John Paul s more socially conservative positions He also drew a line of distinction between Catholicism and other faiths promulgating respect for but not equality among the historic religions To some Pope Benedict was the ultimate insider whose election ensured that the revolution of John Paul was rendered permanent in our century Mansfield s portrait of Pope Benedict was validated by recent history Benedict XVI will be remembered as the Great Custodian He sustained the return to tradition marked by John Paul Pope Benedict XVI examines its subject specifically from the perspective of a non Catholic a committed Christian without fealty to Rome Mansfield s academic depth his poetic but widely accessible writing style and his ability to take complex religious ideas and make them understandable to the nonreligious make his treatment of Pope Benedict XVI significance for readers of all philosophies and faiths

The Second Coming of Christ Greg Hinnant,2022-08-08 The second coming of Christ is the most anticipated consequential and controversial event since His Ascension For 2 000 years it has been loved hated dreaded and ignored Committed Christians have loved it sinners have hated it carnal Christians have dreaded it and lukewarm Christians have ignored it Thus it has been yearned for mocked feared and yawned at and yet debated ad nauseam But there it is in Jesus own immortal words I will come again John 14 3 Today a turbulent vortex of confusion and controversy swirls around just what Jesus meant and when He is coming This powerful new book by Greg Hinnant seeks to quell the controversy and clarify the confusion by setting forth God s biblical prophetic plan for Christ s appearing the rapture and the amazing divinely scheduled events that follow on earth and in heaven It also offers much detailed practical biblical teaching on how to be prepared for the rapture
