However, the video is completely free standing so it can easily fit in with any teaching programme or be used with any other coursebook at this lower intermediate level. The video follows the same format as the New Cambridge English Course 1 Video in that there is a mixture of documentary and dramatized sequences which pick up on the themes and language presented in the coursebook in the six blocks of six units. There is tremendous variety in the video as a whole from a documentary sequence about the history of Wimbledon to a fictional detective story. The video is accompanied by a Teacher's Guide which contains photocopiable tasks to give to the learners. This photocopiable material is also available separately in a Video Activity Book for those who do not wish to photocopy.
