Realms of Glory through Praying in Tongues Is your vision of praying in tongues too small Is it unbiblical Too often we as believers avoid praying in tongues due to confusion or misunderstanding Yet we've unknowingly laid aside one of the most powerful tools in our spiritual arsenal This gift brings us out of the flesh and into the Spirit enabling us to pray from a position of victory route the spiritual forces of darkness and experience a richer relationship with the Lord In Praying with the Holy Spirit Corey Russell a key intercessor and leader with International House of Prayer and UPPERROOM Dallas shows you how to activate this supernatural gift opening up new depths of intimacy with God and igniting you to pray with unshakeable fervency authority and confidence against any enemy scheme Based on his bestselling book The Glory Within this 40 day guided devotional journal takes you on a life changing journey into the heart of what it means to pray in tongues and how to do it effectively You'll also discover how to Awaken other supernatural gifts in your life Crush the sinful impulses to pursue ungodly desires Experience the glory and presence of God that you read about in the Bible Destroy the demonic powers that war against your deeper walk with God Don't settle for a powerless prayer life It's time to engage the Spirit unlock new realms of glory and unleash the supernatural power of praying in tongues in your world **Saved by Angels**

Bruce Van Natta, 2008-06-28 Many people believe in and practice praying to the Lord but the Bible is very clear that the Lord also speaks back to us in various ways This book goes into detail about the 7 different ways that God speaks to us as found in the Bible and how that applies to our lives today It reveals to us that these 7 areas are not just the different ways that God still speaks to us but that when looked at as a whole they are a picture of what a healthy relationship with God involves It further shows that this kind of intimate relationship is available to all believers and that this is exactly the kind of relationship that God desires to have with each of us Throughout the book several Biblical and personal examples are used to validate each section The reader is also given opportunities to see how God has already been talking to them in his/her own life and then record these examples at the end of every chapter Each person who reads this book is challenged to grow in his/her relationship with the Lord and is given many tools to help accomplish that This is important because when a believer has an intimate relationship with the Lord they hear His voice more clearly The Holy Spirit is then better able to guide and empower the believer to become victorious in their daily walk **Nurture Faith** W. Douglas Hood Jr., Nathanael Cameron

Hood, 2022-08-12 The great Christian thinker and author C S Lewis said that often it is not teaching that we require occasionally what we need is a reminder of what we already know In this collection of meditations my son Nathanael and I hope to remind you of what you already know that we belong to a God that seeks a relationship with us God is not content with our admiration God desires a relationship in which we are eager to know more and to experience more of God's power love and strength for the challenges that we must confront each day Intentional time each day engaging God's word in the Bible provides fresh inspiration and increases our desire to reach the next concentric circle in our relationship with God
