Passion According To Saint Matthew:

Passion (St. Matthew) English Heinrich Schütz,1955 **The Passion According to Saint Matthew** Heinrich Schütz,1955 *Passion According to Saint Matthew* Johann Sebastian Bach,1949 Répertitres François Verschaeve,2007 **Vaughan Williams and His World** Byron Adams,Daniel M. Grimley,2024-05-31 A biography of Ralph Vaughan Williams published in collaboration with the Bard Music Festival Ralph Vaughan Williams 1872 1958 was one of the most innovative and creative figures in twentieth century music whose symphonies stand alongside those of Sibelius Nielsen Shostakovich and Roussel After his death shifting priorities in the music world led to a period of critical neglect What could not have been foreseen is that by the second decade of the twenty first century a handful of Vaughan Williams s scores would attain immense popularity worldwide Yet the present renown of these pieces has led to misapprehension about the nature of Vaughan Williams s cultural nationalism and a distorted view of his international cultural and musical significance *Vaughan Williams and His World* traces the composer s stylistic and aesthetic development in a broadly chronological fashion reappraising Vaughan Williams s music composed during and after the Second World War and affirming his status as an artist whose leftist political convictions pervaded his life and music This volume reclaims Vaughan Williams s deeply held progressive ethical and democratic convictions while celebrating his achievements as a composer A New Dictionary of Music Arthur Jacobs,2017-07-28 What is a fugue What is the difference between a saxophone and a saxhorn Who besides Puccini wrote an opera called La Boheme In what year was the National Broadcasting Company Orchestra formed under Arturo Toscanini s direction These and thousands of similar questions are answered in this comprehensive dictionary that remains unrivaled as a single volume summary *A New Dictionary of Music* is a basic reference work for anyone interested in music whether performer or layman It covers orchestral solo choral and chamber music opera and in its musical aspects the ballet There are entries for composers with biographies and details of compositions works well known by their titles such as operas and symphonic poems orchestras performers and conductors of importance today musical instruments including those of the dance and brass bands and technical terms English names and terms are used whenever possible but foreign terms in general use are cross referenced Particular importance has been attached to bringing the reader abreast of new musical developments The composers and musical works chosen were those most likely to be encountered Where an opera is given an entry a brief explanation of the title follows Similarly explication is provided for other works bearing literary or otherwise allusive titles Among performers and conductors only the following are included those who although dead continue to be prominent through recorded performances e g Gigli the highest ranking international artists of today plus a very few apparently on the verge of attaining that rank and a few who though not necessarily at the very head of their profession are closely associated with composers in bringing out new works or are conductors in charge of important orchestras **Dwight's journal of music** John S

Dwight, 2022-07-30 Reprint of the original first published in 1871 Choral-Orchestral Repertoire Jonathan D. Green, David W. Oertel, 2019-12-05 Choral Orchestral Repertoire A Conductor's Guide Omnibus Edition offers an expansive compilation of choral orchestral works from 1600 to the present Synthesizing Jonathan D Green's earlier six volumes on this repertoire this edition updates and adds to the over 750 oratorios cantatas choral symphonies masses secular works for large and small ensembles and numerous settings of liturgical and biblical texts for a wide variety of vocal and instrumental combinations Each entry includes a brief biographical sketch of the composer approximate duration text sources performing forces available editions and locations of manuscript materials as well as descriptive commentary a discography and a bibliography Unique to this edition are practitioner's evaluations of the performance issues presented in each score These include the range tessitura and nature of each solo role and a determination of the difficulty of the choral and orchestral portions of each composition There is also a description of the specific challenges staffing and rehearsal expectations related to the performance of each work Choral Orchestral Repertoire is an essential resource for conductors and students of conducting as they search for repertoire appropriate to their needs and the abilities of their ensembles **The Passion According to Saint Matthew** Johann Sebastian Bach,
