Planet Of The Umps A Baseball Life From Behind The Plate:

Planet of the Umps Ken Kaiser, David Fisher, 2003-04-19 An account of life as an umpire by one of major league baseball's most notorious figures shares his adventures on and off the field from his career in the minor leagues to his experiences with such players as Mark McGwire and Nolan Ryan

Planet of the Umps Ken Kaiser, David Fisher, 2024-03-26 For twenty five years Ken Kaiser was the most colorful umpire in the major leagues Planet of the Umps is his sidesplitting tale of life behind the plate Two things nobody wants to grow up to be are an umpire and broke Thanks to my career in baseball I got both After calling balls strikes and outs for thirty six baseball seasons and more than three thousand major league games umpire Ken Kaiser finally called it a career From the first day he hit a minor league catcher with a pool table to the fateful day baseball called him out on a strike Kaiser was one of the game's most popular and colorful characters And in this autobiography written with the coauthor of Ron Luciano's classic bestseller The Umpire Strikes Back Kaiser brings to life his wild adventures from the pro wrestling arena to the baseball diamond This is the hysterically true story of four decades of baseball as lived and loved on the playing field from Ted Williams and Billy Martin to Derek Jeter and Mark McGwire from one eyed umpires to space age technology As he did throughout his long and sometimes controversial career the larger than his chest protector Kaiser calls em as he saw em

Baseball Meets the Law Ed Edmonds, Frank G. Houdek, 2017-03-04 Baseball and law have intersected since the primordial days In 1791 a Pittsfield Massachusetts ordinance prohibited ball playing near the town's meeting house Ball games on Sundays were barred by a Pennsylvania statute in 1794 In 2015 a federal court held that baseball's exemption from antitrust laws applied to franchise relocations Another court overturned the conviction of Barry Bonds for obstruction of justice A third denied a request by rooftop entrepreneurs to enjoin the construction of a massive video screen at Wrigley Field This exhaustive chronology traces the effects the law has had on the national pastime both pro and con on and off the field from the use of copyright to protect not only equipment but also Take Me Out to the Ball Game to frequent litigation between players and owners over contracts and the reserve clause The stories of lawyers like Kenesaw Mountain Landis and Branch Rickey are entertainingly instructive

Baseball and Social Class Ronald E. Kates, Warren Tormey, 2012-11-14 This collection of fresh essays examines the intersection of baseball and social class pointing to the conclusion that America's game infused from its origins with a democratic mythos and founded on high minded principles of meritocracy is nonetheless fraught with problematic class contradictions Each essayist has explored how class standing has influenced some aspect of the game as experienced by those who play it those who watch it those who write about it and those who market it The topic of class is an amorphous one and in tying it to baseball the contributors have considered matters of race education locality integration assimilation and cultural standing These elements are crucial to understanding how baseball creates preserves reinforces and occasionally assails class divisions among those who watch play and own the game

Big Loosh Jim Leeke, *The Cultural Encyclopedia of Baseball*, 2d ed. Jonathan Fraser

Light,2016-03-25 More than any other sport baseball has developed its own niche in America s culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major Leagues decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs **Early Exits** Brian McKenna,2007 Each story contains an overview of the baseball figure including career ending details and many entries contain background information describing the historical significance of the individual and his or her place within the baseball community BOOK JACKET *Sport in American Culture* Joyce D. Duncan,2004-11-19 A unique and timely exploration of the cultural impact of sport on American society including lifestyles language and thinking Sport in American Culture is the first and only reference work to provide an in depth and up to date exploration of sport and its impact on American culture Essays from more than 200 scholars professionals and sports enthusiasts address how sport has changed our lifestyles language and thinking Arranged alphabetically the work introduces key sport figures and national icons with a focus on their cultural impact examines individual sports and how they have influenced society and discusses such phenomena as the billion dollar athletic apparel industry sport as big business and the effect of sport on gender racial views pride and nationalism In addition to expected topics the work also includes less studied areas such as myths audience rituals Wheaties comic books the hula hoop and religion **Career Coach** Shelly Field,2008 Provides advice on obtaining and succeeding in a career in the sports industry discussing career goals job searching networking self promotion interviewing resumes and other related topics and including self assessment worksheets and resources **Towards Happiness — A Psychoanalytic Approach to Finding Your Way** Ahron Friedberg,Sandra Sherman,2022-07-25 Drawing on a range of clinical cases Towards Happiness presents an engaging insightful look at how we define and achieve happiness in core aspects of our lives work and money wellness and personal growth sex and love family and friendship and aging The book includes a series of essays by Dr Ahron Friedberg a prominent Manhattan psychiatrist concerning how his patients sought to achieve greater happiness during challenging periods of their lives and how as a consequence they grew personally and professionally Each chapter considers a core topic through the lens of Dr Friedberg s practice demonstrating how patients worked through difficult sometimes chronic personal
