

A scenic landscape at sunset or sunrise. The sky is filled with warm, golden light and soft clouds. A winding road curves through the foreground and middle ground, leading towards the horizon. The ground is covered in dry grass and some patches of snow or frost. The overall mood is contemplative and serene.

Poetry is the inner life of a culture, its nervous system, its deepest way of imagining the world. A culture that ignores its poets, chokes off its nervous system and becomes mortally ill.
