Klein, 2013-01-01 In this unique collection Raymond J Klein offers you astonishing abstract photographic interpretations of light and scenes from nature combined with luminous inspiring verse Then he provides step by step insights for anyone with a camera and computer into the photographic and creative process About Raymond Klein s photography Visions of Light is an amazingly brilliant use of abstraction capturing the true essence of light and color I often hear Is that a painting Ray s work is unique Ron Jones co founder Gallery 360 Back in 1966 Raymond J Klein produced a stunning award winning image of saxophones for the cover of my LP album Lou Donaldson at His Best Thanks Ray for your contribution Lou Donaldson saxophonist Raymond J Klein has a long history as a photographer He explores the limits of his medium I enjoy that he chose to collaborate with local poets on this project Leah Jackson founder Angst Gallery *Children of Grass* B. A. Van Sise, 2019 With this fascinating synthesis of word and image internationally renowned

photographer B A Van Sise offers a visually stimulating anthology that will enchant lovers of both poetry and photography At times whimsical surreal challenging enigmatic joyful and sobering these portraits running adjacent to poems by each of their subjects highlight some of the most influential poets of our time and celebrate creativity as only these poets in collaboration with Van Sise could convey Children of Grass is also a timely homage to Walt Whitman of whom Van Sise is a relative and his masterpiece Leaves of Grass during this the 200th anniversary of his birth Children of Grass will as a contemporary homage to Whitman stand as a lasting tribute to the vitality and creativity that flourishes in our country Publisher s website *Mina Loy, Twentieth-Century Photography, and Contemporary Women Poets* Linda A. Kinnahan, 2017-03-16 Mina Loy Twentieth Century Photography and Contemporary Women Poets Front Cover Mina Loy Twentieth Century Photography and Contemporary Women Poets Title Page Copyright Page Dedication Contents List of figures Acknowledgements Permissions Introduction Notes Chapter 1 Loy among the photographers poetry perception and the camera Portraits and photographers Julien Levy and the modern photograph Islands in the Air and the figure of the photographer Vision and poetry Notes Chapter 2 Surrealism and the female body economies of violence Surrealist contexts and contextualized Surrealism Surrealist cameras Loy and the female body of Surrealism The Surrealist mannequin Hans Bellmer bodies and war Notes Chapter 3 Portraits of the poor the Bowery poems and the rise of documentary photography The 1930s and the rise of documentary Urban documentary and the visual rhetoric of poverty Portraits of the poor Hot Cross Bum and the tabloids Sequence as portrait Notes Chapter 4 From patriotism to atrocity the war poems and photojournalism Patriotism and the poetics of the mural photo exhibit The rise of photojournalism The female gaze and the gendered body Atrocity and the female body Photographing the bomb Notes Chapter 5 Gendering the camera Kathleen Fraser and Caroline Bergvall Kathleen Fraser and visual reassembly T he screen was carried inside her Caroline Bergvall s rearticulated bodies Photography and the graphic page Coda Looking back to Loy Notes Bibliography Index **Paper Lips** Llewellyn Gannon Munzing, 2019-08-11 As a poet Llewellyn moves you with her rhythmic verse honest and raw emotion as well as cunning thought process She gives every stage of her self reflection a voice as she brings a bold yet romantic tone to her story As a photographer she brings composition vision and creativity She is able to use her abilities in the Adobe realm to create what is only imaginable To write Paper Lips I revisited and re edited 20 years worth of my poetry These poems were preserved on whatever I could grab in a moment of inspiration like napkins receipts junk mail and of course endless journals The poetry is organized to tell the story of my path through love loss and transformation It s part of my history and the journey of my heart A coming of age and beyond Besides a handful of poems the majority were written when I was between the ages of 15 and 28 years old I used the concept of chemistry blended with the seasons to describe the 4 chapters This is because many of the metaphors used in my poetry equate the human experience with the balance and power of natural elements It is woven with abstract meanings and thoughts The photography is a dreamy take on the feelings and context behind the poems While I was

editing my poetry I became really inspired by the imagery going through my head I wanted to express these new creative thoughts so I decided to transfer some of them into photographs I created a series of self portraits one a week for one full year I selected the pictures that best represent the narration of this book There are 35 that appear The photos were captured with a Canon 5D S R accompanied by a Canon EF 28 300mm f 3.5 5.6L IS USM and a Canon EF 50mm f 1.4 lens The photos were processed and manipulated in Adobe Photoshop circa 2017 Poetry, Photography, Ekphrasis Andrew D. Miller,2015 A detailed study of the ekphrasis of photography in poetry since the 19th century Unlike other critical studies of ekphrasis Miller s study concentrates solely on the lyrical ekphrasis of photographs setting out to define how the photographic image provides a unique form of poetic ekphrasis **Visions of Light** Raymond J. Klein,2014-04-01 Challenging explorations in photography In this unique collection Raymond J Klein offers you astonishing abstract photographic interpretations of light and scenes from nature combined with luminous inspiring verse Then he provides step by step insights for anyone with a camera and computer into the photographic and creative process *Picture Poems*: Thomas G. Reischel,2014-07-29 SYNERGY OF IMAGE AND VERSE Poetry and photography blend together beautifully in this author s presentation They say that a photograph is worth a thousand words but poetry paints word pictures using poetic imagery On their own each is exquisite Combined they become something else a powerful composition that blends the best of both that is what happens in this book The author is inspired by the photographic image and from it poetry flows to dance and enhance the whole upon the page Images from the eye of the photographer then translate to the mind of the poet The wonder here is that both are the same The photographer is the poet In addition the poet provides detailed incite to the poem s structural format This book contains several different poetic formats not just one The explanations give poetry lovers and budding poets a deeper appreciation of the genre So the appeal is to lovers of photography poetry and students alike **Photoetry** Hiram Sims,2021-12 **Words and Pictures** Carson Knox,2018-04-28 An emotion based and thought provoking collection of photography and poetry **The Great Poets and Their Theology** Augustus Hopkins Strong,1899 *Practical Junior Photographer* ,1901 **The Poetry Review of America** ,1916 Poets, Poetics, and Politics Rolfe Humphries,1992 Rolfe Humphries 1894 1969 in addition to being an outstanding poet left a trail as a translator teacher critic and editor But as Richard Gillman maintains in his introduction poetry was the driving force behind these other special skills and interests **The Photography Poetry and Drawings of J. Robert Green** J. Robert Green,2017-08-16 Photographs and accompanying poems from an architect s career **Photographs & Poems** Jeannette Montgomery Barron,Jorie Graham,1998 When Pulitzer Prize winner Jorie Graham saw Jeannette Montgomery Barron s photographs she asked to keep one she wanted to write about it she asked for more finally they decided to make a book This is a unique poetic response by Jorie Graham illuminating the shrill quietness of Jeannette Montgomery Barron s photographs They haunt and thrill with an unerringly gentle strength of purpose Jane Campion *Grains of Sand* Sergei Isaenko,2009-09 This collection of poetry and

photography is an exhilarating insight into the world of human nature human condition and the universal qualities that make us all human Sergei Isaenko s poetry is incredibly rich and rhythmical it demonstrates a mastery of rhyme and contemplations on a very deep and personal level As a photographer and a poet I mix both of the mediums into one For every poem there is an image that follows the concept and the idea of the text the photographs are meant to both shed light and support the meaning or simply enrich the expression So why Grains of Sand To me each poem each word every line of text are pieces of a puzzle this riddle is like a pebble that lies on a river bank a grain of sand amongst the endless beach

Unfolding in Light Joan Scott,Claire Scott,2015-11-17 A collection of sixty four black and white photographs and sixty two poems Unfolding in Light offers a vision of hands as images symbols and archetypes allowing the numinous to shine through the mundane Sisters Joan Scott and Claire Scott provides an intimate pause that gives the reader a quiet moment to reflect on the meaning of everyday hands an ill child s hands a dying woman s hands hands of lovers young and old hands at work at play in pain in prayer and in love
