Ruth Cracknell A Biased Memoir:

Ruth Cracknell Ruth Cracknell, 2002 *Ruth Cracknell* Ruth Cracknell, 1997 The Two Frank Thrings Peter Fitzpatrick, 2012-08-01 They shared a name of course and their physical resemblance was startling And both Frank Thrings were huge figures in the landscape of twentieth century Australian theatre and film But in many ways they could hardly have been more different Frank Thring the father 1882 1936 began his career as a sideshow conjuror and he wheeled dealt and occasionally married his way into becoming the legendary F T impresario speculator and owner of Efftee Films Australia s first talkies studio He built for himself an image of grand patriarchal respectability a sizeable fortune and all the makings of a dynasty Frank Thring the son 1926 1994 squandered the fortune and derailed the dynasty in the course of creating his own persona a unique presence that could make most stages and foyers seem small He won fame playing tyrants in togas in Hollywood blockbusters then suddenly came home to Melbourne to play perhaps his finest role that of Frank Thring actor and personality extraordinaire Central to this role was that Frank the son was unapologetically and outrageously gay Peter Fitzpatrick s compelling dual biography tells the story of two remarkable characters It s a kind of detective story following the tracks of two men who did all they could to cover their tracks and to conceal the self Frank the father used secrecy and sleight of hand as strategies for self protection Frank the son masked a thoroughly reclusive personality with flamboyant self parody It s also the tale of a lost relationship and of the power a father may have had even over a son who hardly knew him

Gender, Labour, War and Empire Philippa Levine, Susan R. Grayzel, 2008-12-11 A lively collection of essays on the cultures of nineteenth and twentieth century Britain Topics range from prostitution and slavery to the effect of war on fashion magazine reporting to inter racial marriage in the postwar years Particular areas of focus include the Second World War its legacies and the reactions to postwar decolonization *Australian Theatre after the New Wave* Julian Meyrick, 2017-09-25 In *Australian Theatre after the New Wave* Julian Meyrick charts the history of three ground breaking Australian theatre companies the Paris Theatre 1978 the Hunter Valley Theatre 1976 94 and Anthill Theatre 1980 94 In the years following the controversial dismissal of Gough Whitlam s Labor government in 1975 these alternative theatres struggled to survive in an increasingly adverse economic environment Drawing on interviews and archival sources including Australia Council files and correspondence the book examines the funding structures in which the companies operated and the impact of the cultural policies of the period It analyses the changing relationship between the artist and the State the rise of a managerial ethos of accountability and the growing dominance of government in the fate of the nation s theatre In doing so it shows the historical roots of many of the problems facing Australian theatre today This is an exceptionally timely book In giving a history of Australian independent theatre it not only charts the amazing rise and strange disappearance of an energetic radical and dynamically democratic artistic movement but also tries to explain that rise and fall and how we should relate to it now Prof Justin O Connor Monash University This study makes a significant contribution to scholarship on
